Galvanic Rings and Magnetic Fluid.

THIS remarkable discovery, which has attracted so much attention in Europe and recently in the Northern States, is now introduced for the first time to the citizens of New Orleans. It comprises an entirely safe and simple application of the Mysterious Power of Galvanism, as a remedial agent. The Galvanic Rings in connection with the Magnetic Fluid, have been used with the most perfect success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs; *Gout, Tic Doloreux, Toothache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pains in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy and all Nervous Disorders.* In cases of *Dyspepsia* which is simply a nervous derangement of the digestive organs, they have been equally successful. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets.

Are modifications of the invention and are recommended in more obstinate cases of disease, where the Rings do not possess sufficient intensity of power. They are adapted to the waist, arms, wrists, ancles, chest, or any part of the body with perfect ease. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanism can effect, will fail to be permanently relieved.

Christie's Magnetic Fluid.

Is used in connection with the Rings and their modifications. This composition has been pronounced by the French Chemists to be one of the most valuable discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to Galvanic action,* by this means causing a concentration of the influence at the seat of disease, and thus giving rapid and permanent relief.

Christie's Galvanic Strengthening Plaster.

These articles form an important addition to the Galvanic Rings, acting upon the same principle, but having the advantage of more local application. *As an effectual means for strengthening the system when debilitated by disease or other causes, as a certain aid in constitutional weakness, as a preventive for colds, and in all affections of the chest generally, the* GALVANIC STRENGTHENING PLASTER *will be found of great and permanent advantage.*

☞ Numerous certificates and testimonials from many distinguished physicians and others of the North have been received by the Proprietor. These are all from persons of the highest respectability and may be seen on application to the Agent.

The public are respectfully warned against SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but one authorized Agent in each city of the Union. GIBSON & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom one the genuine articles can be obtained. [illegible]
