SKETCH OF A PROSPECTUS

For a Weekly Periodical, to be published in the City of New-Orleans.

IT is proposed that a paper, consecrated to the Arts and Sciences, Literature and Religion, shall be published in our city. This paper will be called

THE LOUISIANA RECORDER.

In order to insure its success, and afford the public a sufficient guarantee for the character and stability of the paper, an association of gentlemen has been formed, under whose auspices it will be commenced, and by whom it will be conducted, through the agency of a Committee of Supervision, chosen from among themselves.

This association is principally composed of professional gentlemen, many of whom are CAROLES, and all of whom have been, for several years, *residents* of New Orleans. They deeply feel the importance of a new periodical, for the more extensive diffusion of that knowledge adapted to the generous and independent spirit which characterises the inhabitants of Louisiana, and to liberal views of the condition and prospects of our city, together with the interesting region connected with the great emporium of the South and West. The members of this association pledge themselves to exert their influence in procuring the aid of the talented throughout the United States to furnish matter for the columns of the RECORDER, without regard to party feelings, individual jealousies, or sectarian prejudices.

It is intended that this paper shall contain the usual quantity of original and selected matter found in the best periodicals of a similar description.

The price to city subscribers is fixed at $5 per annum, payable in advance. To persons at a distance it will be sent, on the receipt of $5. The first number will be issued on the 1st of January, 1835, or sooner, if the subscription shall warrant the publishers in the attempt; and all the proceeds, over and above the actual expense incurred, shall be for the exclusive benefit of the *Male Orphan Asylum of New Orleans.*

It is expected that the postage will be paid on all communications addressed to the publishers.

☞ Subscriptions will be received at Hotchkin's and McKean's Book Stores. nov 8

By virtue of an order from the Hon. the District Court for the parish and city of New Orleans, and by request of Messrs. J. W. Zacharie and Wm. Tufts, syndics of the estate of Tufts & Clarke, and of Wm. Tufts,—the following Property surrendered by them, for the benefit of their creditors,

LAFAYETTE SQUARE.

That valuable three story brick dwelling house and lot, situated on South street, and running through to Girod street 149 feet 8 inches deep, and measuring 24 feet 8 inches on Girod street, bounded on one side by the property of C. H. Cook, and on the other by that of Mr. Paulding; the house was finished about a year since, and built in the most thorough manner, and contains two basement rooms and two pantries, two parlours, three bed chambers with two closets and two bed rooms, a hall in the attic story.

The back building is of two stories, and contains a wine room, kitchen, wash room and privy on the lower story, and three chambers and a privy above. The parlours have elegant Egyptian marble mantles and brass mounted grates, and handsome center pieces; the knobs and mountings of the doors are of the best plate, the plastering of the parlours and chambers is furred off from the wall and cannot become damp.

In the rear of the house there is a gallery to the 2d and 3d stories of 8 feet in width on Girod street, is a wooden building which, at a small expense, could be converted into a stable.

In the yard is a large cistern holding over 2000 gallons, and a well with a copper pump.

The banquet, corridor, lower rooms of the back building and the yard, with the exception of a space reserved for a grass plat or garden, are paved with the best of York-hire flagging. The house is also furnished with bells, &c. The situation of this property in a rapidly improving part of the city, offers inducements to those who want a genteel residence in a healthy and pleasant location, within a few minutes walk from Canal street, seldom presented.

March next, and will be sold subject to said lease, but there is no doubt that 5 to $600 could be had the coming year. This property being near the Bacataria road which leads to the lakes, and the short distance from the city must greatly increase in value in a short period.

Also, a TRACT OF LAND containing 5 acres, situated at Spring Hill, near Mobile, on the public road and not far from the College—is a fine healthy situation and is worthy the attention of those who desire a pleasant retreat from the city, during the summer season.
