E. RABASSE, French Surgeon Dentist, from Paris, respectfully informs the Planters along the coast, that he intends visiting the plantations from the Balize to Bayou Sara, on both sides of the river, and offer them his services.

E. R. directs the dentition of children, corrects any deviation, and fills up the teeth with a cement; places in from a simple tooth to a complete set, and undertakes curing all vices and defects of the mouth. ja27

MESSRS. P. BLANCHARD & ACHILLE LION, Surgeon Dentists of the Faculty of Paris and New Orleans, have the honor to inform their clients, that since the 1st of June, they have united their offices at No. 44 Royal street, between Bienville and Customhouse (residence of Dr. Lion.)

The engagements they are under towards various institutions and the Convent of this city, to which they are attached, compel them to absent themselves many days in the course of the month. They have, therefore, deemed it expedient to form a Copartnership, as well on their own accounts as on account of their numerous Clients, in order that one of the two may be always in town, ready to receive all persons who may honor them with their confidence. The superiority of their work, and the care and promptitude exhibited by them, induce them to hope for a continuance of the patronage of the public.

Dr. PEARSON, Dentist.

Office and residence Baronne street, opposite the State House.

DR. PEARSON invites his friends and all interested to call and examine the improvements in the manufacture of **Artificial Teeth,** particularly the **Block Teeth,** for which he received the first premium at the State Fair.

Persons wishing artificial Teeth inserted, can have it done at my establishment with less delay and upon more reasonable terms than any other in the south.

It has ever been my object to place it in the power of the poor as well as the rich to obtain relief and receive the benefit of dental operations. The great increase of my practice for the last year has compelled me to employ several skilful operators, among whom is an experienced French Dentist, whose services I have procured for a term of years at considerable expense. The Creoles may rely upon finding him always ready to wait upon them—his operations will always be submitted to my examination and approval.

Blocks manufactured for Dentists to suit every variety of case, by furnishing correct models. A supply of every article used by Dentists kept constantly on hand. d3 tf

Agency Sun Mutual In. Co.
NEW ORLEANS, November 7th, 1846.

THE fiscal year of this Institution terminated on the 4th day of last month, and the Trustees have declared a dividend of *thirty two and one half per cent*, on the amount of earned premiums ($[illegible]) during the year, and have further ordered six per cent. in cash, on the script. They have been in operation five years, and have made the following dividends, viz:

On the 4th of October	1842,	declared	32 per cent.
" " " "	1843,	"	34 "
" " " "	1844,	"	36 "
" " " "	1845,	"	00 "

(In consequence of the disastrous fire in New York on the 19th of July of that year.)

And on the 4th of October, 1846, declared 32½ per cent.

They do not insure against the risks of fire in New York or elsewhere, except at this Agency.

The board of Trustees also resolved, that no division of profits should be made until the accumulated earnings shall, at least, exceed *one million of dollars*.

The existing script and assets, available to meet losses, amounted to $983,655 62, on the 4th ultimo, to which may be added more than $100,000 for premiums taken since, which, in the opinion of the undersigned, affords the most ample protection for their policies.

This Agency continues to insure against fire, marine and river risks. L. MATTHEWS, Agent,
