**Agency Sun Mutual Ins. Co.,**
NEW ORLEANS, November 7th, 1846.

THE fiscal year of this Institution terminated on the 4th day of last month, and the Trustees have declared a dividend of thirty two and one half per cent on the amount of earned premiums during the year, and have further divided [illegible] per cent, on the script. They have been in operation five years and have made the following dividends viz:

On the 4th of October 1842 declared 32 per cent
" " " " 1843, " 34 "
" " " " 1844, " 36 "
" " " " 1845, " 40 "

In consequence of the disastrous fire in New York on the 19th of July of that year;

And on the 4th of October, 1846, declared 32½ per cent.

They do not insure against the risks of fire in New York or elsewhere, except at this Agency.

The board of Trustees also resolved that no division of profits should be made until the accumulated earnings shall, at least, exceed one million dollars.

The existing script and assets, available to meet losses, amounted to $695,655 62, on the 4th ultimo, to which may be added more than $100 000 for premiums taken since, which, in the opinion of the undersigned, affords the most ample protection for its policies.

This Agency continues to insure against fire, marine and river risks. L. MATTHEWS, Agent, corner of Camp and Common streets.

N. B.—Due notice will be given when the certificates are ready for delivery. n10
