SUGAR ANDS FOR SALE.

TWO handsome tracts of land adjoining each other, one 31 arpents, the other 14 arpents on the river, by 40 in depth, situated in the parish of Plaquemine, left bank of the river, distant about one mile from the plantation of Mr. Williams, and 30 miles from town.

The tract of 31 arpents is covered with wood down the river, furnishing good fuel as well as cypress. Of the tract of 14 arpents front, about one mile from the plantation of Mr. Williams, and 100 arpents cleared, and can be worked and cultivated immediately. The two united would form a very handsome Sugar Estate.

The experience of many years shews that the sugar cane succeeds better in this parish than in any other part of Louisiana; that if yields better and is much less subject to frost. The rolling season is generally prolonged to the last days in January without inconvenience. There are now in this parish 22 Sugar Plantations, some of which have not more than 20 to 30 working hands, and yet this will during the present season, will produce near eight millions pounds of sugar.

Several steam boats are built or building for the purpose of towing vessels between the Batte and New-Orleans, which secures a good price for the fire wood, measures an important revenue from the manufacture.

The above tracts of land, will be sold together or separately as may suit purchasers, and a long credit will be given on proper security.

For further information, apply for terms and prices, apply to Mrs. A. Alat and Eugène Maury, or to Mr. C. B. Durf, in New-Orleans, or on the parish of Plaquemine.
