**DR. TOWNSEND'S SARSAPARILLA. THE WONDER AND BLESSING OF THE AGE. THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.**

THIS extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other medicine, is, whilst it eradicates disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES,

ever known; it not only purifies the whole system and strengthens the person, but it creates new pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past five years more than 100,000 cures of severe cases of diseases; at least 15,000 of these were considered incurable.—It has saved the lives of more than 5000 children during the two past season

TEN THOUSAND CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

INVIGORATING CORDIAL,

as it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree

**Consumption Cured.**

*Cleanse and Strengthen—Consumption can be cured—Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness of the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.*

**Spitting Blood.**

New York, April 28, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change wrought in me. I am now able to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM. RUSSELL, 65 Catharine st.

**Rheumatism.**

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.

*Blackwell's Island*, Sept. 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep, or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully,

JAMES CUMMINGS.

FEVER AND AGUE.

Dr. Townsend's Sarsaparilla is unequalled in cases of the Chills and Fever and Ague. The following letter is only one of the hundreds that we have received from the South and West of like character:

*Oswego, Michigan*, Oct. 22, 1847.

Dr. Townsend—Dear Sir: I purchased for my wife two bottles of Sarsaparilla of your agent, Mr. McNair, of Kalamazoo, to try it for the Fever and Ague. Before I had finished the first bottle it appeared to warm the blood, and every other day, when the chills and fever appeared, they were less violent, and before she had finished the bottle she was entirely relieved, and she was much better than she had been before she took the ague. A lady that had been very sick with chills and fever, but had broke them with quinine, and was left in a very weak and distressing state, and troubled exceedingly with the ague-cake, seeing the effect that it had on my wife, she sent and procured a few bottles, and it restored her in a few weeks to complete health. Your Sarsaparilla is, without doubt, unequalled in diseases incident to the West, and if you think that this communication will be of use, you are at liberty to use it as you choose. Yours, respectfully,

CHARLES H. SWAIN.

CANKER IN THE MOUTH.

Below is an account of another child saved. Dr. Townsend's Sarsaparilla has saved the lives of thousands of children. The following certificate is selected from a great number received this week:

*New York*, April 1, 1847.

Dr. Townsend—Dear Sir: One of my children was very sick with a canker in the mouth and throat, attended with great debility. It came near dying. I obtained some of your excellent medicine, and it cured it directly, for which I assure you I feel very grateful. Yours, respectfully,

ELIZABETH FOWLER, 27 Desbrosses st.

**Female Medicine.**

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame.—Persons, all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed; but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine have been blest with healthy offspring.

**To Mothers and Married Ladies.**

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject. It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine many severe and painful surgical operations may be prevented.

**Great Blessing to Mothers and Children.**

It is the safest and most effectual medicine for purifying the system and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, increases and enriches the food; those who have used it think it indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth; in costiveness, piles, cramps, swelling of the feet, despondency, heartburn, vomiting, pain in the back and loins, false pains, hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great virtue of this medicine is, it is always safe, and the most delicate and most successful, very few cases require any other medicine; in some a little castor oil or magnesia is useful. Exercise in the open air and light food, with this medicine, will always insure a safe and sure confinement.

**Three Children.**

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores, have taken only four bottles; it took them away, for which I feel myself under deep obligation. Yours respectfully,

ISAAC W. CRAIN, 105 Wooster st.

**Opinion of Physicians.**

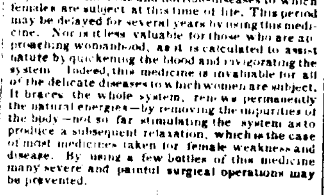
Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

H. P. PULING, M. D.
J. WILSON, M. D.
R. B. BRIGGS, M. D.
P. E. ELMENDORF, M. D.

Albany, April 1, 1847.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, etc. They generally put it up in the same shaped bottles, and some of them have stolen and copied our advertisements; they are only worthless imitations, and should be avoided.



**TRICKS OF QUACKS.**

*Let Everybody Read This Carefully.*

THERE is a Sarsaparilla for sale in the different towns called old Dr. Jacob Townsend's Sarsaparilla. It is advertised as the original, &c. This is a notorious falsehood. While we exonerate many of the respectable agents for the sale of this miserable compound, throughout the country, from any participation in the fraud, we feel it our duty to caution the public against the tricks of the manufacturers, who unblushingly put forth to the world such notorious falsehoods.

Dr. Townsend has expended over $200,000 the last eight years in advertising his Sarsaparilla, which has obtained a character and reputation throughout the United States, and a greater part of the world, the sale being enormous.

This excited the cupidity of certain unprincipled men, and an old man who has been engaged in peddling cheap publications for a number of years. This man's name is Jacob Townsend. He applied to a number of men to get employment, or to sell the use of his name to put up Dr. Townsend's Sarsaparilla, stating the large sales and sums we had expended in advertising, as an inducement to embark in the business. Among others he applied to Charles Watrous, Esq., editor of the Jamaica Farmer, who scorns such a proposition. Mr. H. Q. Andrews, formerly one of the proprietors of McAllister's Ointment, Ralph Pomeroy, formerly cashier and financier of the broken shinplaster bank at Bellville, New Jersey, John Skillman and Wm. Thompson, under the name of Skillman, Thompson, & Co., have employed this old man, and agreed, as we understand, to pay him seven dollars per week for the use of his name.

*Another Trick*

We went to an expense of five hundred dollars to get up a splendid steel engraving for our Label, and had the portrait of Dr. Townsend on it to distinguish it from all others and prevent mistakes. These men are now getting up a label on steel, with a portrait of old Jacob Townsend—let the public decide upon such transactions, and let them remember that none is genuine and original, unless signed with the name of S. P. Townsend. The plate is engraved on steel and contains the portrait of Dr. Townsend, three female figures and a view of our factory. The spurious has no factory or female figures.

*Dr. Townsend No Physician.*

These men also publish that Dr. Townsend is no Physician. This, like all other statements, is false. Dr. Townsend attended two of the best medical schools in the country, has studied the different theories of medicine, and practised for the last fifteen years; has experimented several years and expended large sums of money in bringing his medicine to perfection.

☞ Among other recommendations of this article it is warranted to keep sweet in all climates.

☞ Prepared and sold by S. P. TOWNSEND, M. D., 126 Fulton street, New York. ☞ All persons who want the Original and Genuine S. P. Townsend's Sarsaparilla, which has given such universal satisfaction in this city during the last three years, can procure the same of the *Only Agents* for New Orleans,

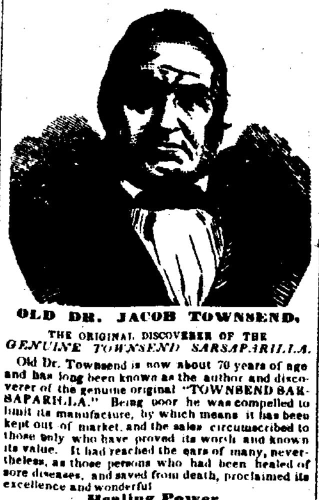
**EXTRA CAUTION.**

A man by the name of *Clapp* has engaged with a young man of the name of S. P. Townsend, and uses his name to put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominating it *genuine*, original, etc. This Townsend is no doctor, and never was; but was formerly a worker on railroads, canals, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived and to purchase none but the genuine original old Dr. JACOB TOWNSEND'S SARSAPARILLA, having on it the old Dr.'s likeness, his family coat of arms, and his signature across the coat of arms.

*Principal Office, No. 102 Nassau steet, New York City.*



**OLD DR. JACOB TOWNSEND.**

THE ORIGINAL DISCOVERER OF THE *GENUINE TOWNSEND SARSAPARILLA.*

Old Dr. Townsend is now about 70 years of age and has long been known as the author and discoverer of the genuine original "TOWNSEND SARSAPARILLA." Being poor he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who have proved its worth and known its value. It had reached the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful

**Healing Power.**

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better; because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the old Dr.'s Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medical properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, produce fermentation and acid, which is injurious to the system. Some of the properties of Sarsaparilla are so volatile that they entirely evaporate and are lost in the preparation, if they are not preserved by a scientific process, known only to those experienced in its manufacture. Moreover, these volatile principles, which fly off in vapor, or as an exhalation, under heat, are the very essential medical properties of the root, which give to it all its value.

**Genuine Old Dr. Jacob Townsend's Sarsaparilla**

Is so prepared that all the inert properties of the Sarsaparilla root are first removed, every thing capable of becoming acid or of fermentation, is extracted or rejected; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of loosing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

**Cure of Innumerable Diseases.**

Hence the reason why we hear commendations on every side in its favor by men, women and children, we find it doing wonders in the cure of

☞ Consumption, Dyspepsia, and Liver Complaint, and in Rheumatism, Scrofula, Piles, Costiveness, all Cutaneous Eruptions, Pimples, Blotches, and all affections arising from impurity of the blood.

It possesses a marvellous efficacy in all complaints arising from indigestion, from acidity of the stomach, from unequal circulation, determination of the blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in Colds and Coughs; and promotes easy expectoration and gentle perspiration; relaxing stricture of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages

**Of Female Complaints.**

It works wonders in cases of Fluor Albus or Whites, Falling of the Womb, Obstructed, Suppressed or Painful Menses, Irregularity of the menstrual periods, and the like; and is as effectual in curing all the forms of Kidney Diseases.

By removing obstructions and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of

**Nervous Diseases and Debility,**

and thus prevents or relieves a great variety of other maladies, as Spinal Irritation, Neuralgia, St. Vitus's Dance, Swooning, Epileptic Fits, Convulsions, &c.

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion, relieves the bowels of torpor and constipation, allays inflammation, purifies the skin, equalises the circulation of the blood, producing gentle warmth equally all over the body, and the insensible perspiration; relaxes all strictures and tightness, removes all obstructions, and invigorates the entire nervous system. Is not this, then, the

**Medicine you pre-eminently Need?**

But can any of these things be said of S. P. Townsend's inferior article? This young man's liquid is not to be

COMPARED WITH THE OLD DR'S

Because of one GRAND FACT, that the one is INCAPABLE OF DETERIORATION, and

NEVER SPOILS,

While the other DOES; souring, fermenting, and blowing the bottles containing it into fragments; the sour, acid liquid exploding and damaging other goods! Must not this horrible compound be poisonous to the system?—What! put acid into a system already diseased with acid! What causes Dyspepsia but acid? Do we not all know that when food sours in our stomachs what mischief it produces? flatulence, heartburn, palpitation of the heart, liver complaint, diarrhœa, dysentery, cholic, and corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven, but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour or acid fluid, which insinuates itself between the joints and elsewhere, irritating and inflaming the delicate tissues upon which it acts? So of nervous diseases, of impurity of the blood, of deranged circulations, and nearly all the ailments which afflict human nature.

Now, is it not horrible to make and sell, and infinitely worse to use this

**Souring, Fermenting Acid "Compound" of S. P. Townsend,**

and yet he would fain have it understood that Old Dr. Jacob Townsend's Genuine Original Sarsaparilla, is an IMITATION of his inferior preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article! and which should bring down upon the Old Dr. such a mountain load of complaints and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the absolute truth, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are heaven wide apart, and infinitely dissimilar; that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmaceutist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what guarantee can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of changes which might render them the AGENTS of disease instead of health.

It is to arrest frauds upon the unfortunate, to pour balm into wounded humanity, to kindle hope in the despairing bosom, to restore health and bloom and vigor into the crushed and broken, and to banish infirmity, that OLD DR. JACOB TOWNSEND has SOUGHT and FOUND the opportunity and means to bring his

**Sulphur and Vapor Baths.**

THE undersigned respectfully informs the public that he continues to prepare and administer these Baths at his Perfumery Establishment, No. 207, St. Louis street, between Villere and Roberts'n.

The excellence of these Baths is universally known in a great number of chronic diseases of the skin, such as itch, prurigo, tetters, scalled head, &c. They have been employed with remarkable success in other maladies, which frequently resist the resources of the medical art, such as chronic rheumatism, atonic gout, palsy, scrofula, engorgements of the glands, of the breasts, the lymphatic ganglions and joints. Eminent practitioners have bestowed the highest praises on the remedy, and are in the habit of prescribing it for inveterate diseases that require powerful sudorific agents. The success obtained by this mode of treatment is confirmed by the time that has elapsed since the cures were effected.

The undersigned hopes that his efforts to give satisfaction to those who have honored his establishment with their patronage, will ensure the confidence of patients whose cases require the employment of medicated sulphur or Vapor Baths.

NOTES OF TRAVEL IN CALIFORNIA, comprising the prominent geographical, agricultural, geological and mineralogical features of the country—from the official reports of Col. Fremont and Major Emery. Price 25 cents.

—Opinions of the Press—

This is an extremely interesting publication, particularly at the present time.—[Bee.

It is accompanied by a map of the gold region and is a valuable work.—[Crescent.

This book will be in great demand.—[Picayune.

It is well worth reading.—[Bulletin.

Than the subjects treated of in this volume, there are none at the present time.—Delta.

To those contemplating a visit to those regions it is invaluable.—[Louisiana Statesman.

This is a most interesting little work and graphically elucidated. It should be in the hands of every one—as it doubtless will be—who feel concerned about our vast acquisitions in that country.—[Southern Traveller.

WHAT I SAW IN CALIFORNIA—Being the Journal of a tour by the emigrant route and South Pass on the Rocky Mountains, across the continent of North America, the Great Desert Basin and through California, in the years 1846 and 1847. "All of which I saw, and part of which I was." By Edwin Bryant, late Alcalde of San Francisco. D. Appleton & Co. Second edition.

This is just the book for the times, and will no doubt find a ready sale in every hamlet in the country. Edwin Bryant is considered the best authority on the subject of which it treats, and that is sufficiently indicated in the title page. It will save newspaper publishers a great deal of time to refer to the book instead of attempting to answer a quarter of the inquiries addressed to them in regard to California.—[Pic.

**SCALES! SCALES!!**

**DALE'S CELEBRATED CAST STEEL, PLATFORM AND COUNTER SCALES.**

THE above superior Portable Scales, combining the advantages of Accuracy and Convenience, are considered, throughout the Eastern and Northern States, as the only Weighing Machine that will stand the test of hard usage. The Bearings, throughout, are made of the best English cast steel, and warranted.

By using the Double Beam, the heaviest drafts are weighed with the use of only two small loose weights, of one pound each, which are permanently attached to the beams; thus avoiding the necessity of having a mass of loose and cumbersome iron weights, as in using the common single beam scales.

These Scales have taken the first premium, for eight successive years, at the great Annual Fairs of the American Institute, New York; the New York State Fair; Franklin Institute, Philadelphia; Boston Fair, and the great National Fair, Washington city.

The manufacturers, determined to bring them into general use throughout the Southern States, have reduced the price to a level with the common single beam; thereby giving every one an opportunity of supplying themselves with a fine weighing machine, as low as they can purchase the common article so generally used in this section of the country.

A full assortment, boxed, ready for shipment, for sale by PRIESTLEY & BEIN,
f3 89 and 91 Camp st.

**NOTICE.**

J. PEYTEL has the honor to inform his friends and the public in general, that leaving the City in fifteen days, and for several months for Europe, he begs those that owe him to settle their accounts before his departure; and furthermore, those who may have claims on him to send in their bills.

Mr. P. Knoedler will continue during his absence, the business as well as the repairs of Watches and Clocks. J. Peytel recommends him to his numerous customers, assuring them that Mr. P. Knoedler will neglect no more than he the means of satisfying them.

Mr. Nardin, employee for five years in the establishment, remains as heretofore.
