United States Daily Mail Line from New Orleans to Mobile.

BY STEAM PACKETS—NO LAND CARRIAGE
The above line is composed of four splendid steamers of first class, viz:
MAZEPPA..... SUTTON, *Master*.
LEONIDAS.....COULTER, do.
SOUTH ALABAMA....CHANDLER, do.
The above Boats are fitted up for the trade and commanded by able and experienced seamen. In consequence of the very light draught of the above boats they are enabled to take the inner passages, consequently passengers escape annoyance of sea sickness attendant on the outside route. The strictest punctuality will be observed in their time of starting, and every attention paid to the comfort of passengers.
An arrangement has been made with the Florida line, by which passengers bound for Tallahassee, New York, Philadelphia or Norfolk, who do not wish the delay of stopping in Mobile, will be transferred to the Watchman and those returning from Pensacola, by the Watchman to the mail boat—affording great accommodation to persons travelling northward or to parties of pleasure who may wish to visit the healthy city of Pensacola.
The Watchman leaves Mobile yester day, April 27th, and will continue to leave every other day until further notice.
The mail boats leave the Lake end of the Rail Road immediately after the 9½ o'clock cars, and Mobile at half past nine A. M.
For freight or passage apply to
