DENTIST—Mr. L. DUPERRON, a French Dentist, newly arrived in this city, offers his services to the public in general.
He cures toothache according to a new process, without extracting the tooth; he stops caries, and warrants the success of his operation in preserving future pain, he also stops and heals teeth when caused by the decay of the enamel of the tooth.
He also cures the deviation of infants, and corrects the imperfections. He inserts incorruptible artificial teeth of great beauty and solidity, and with full than some dentists, or the natural teeth. Mr. D. performs in general all surgical and medical operations of the mouth, according to the most recent plans, adopted by the skilful practitioners in Europe.
From work done in this city he has reason to have opinions favorable, will find him from 9 to 3 o'clock, at his house, No 50 Conde, corner Main and Conti streets. His terms are moderate. Mr. D. refers to the houses of the ladies who may require his services, at the hours not published.
may 6 m
