INDIAN'S PANACEA.

FOR the cure of scrofula or king evil, incipient cancers, tetter, salt rheum, and all other cutaneous diseases and painful affections of the bones, ulcerated throat and nostrils, indolent or any description, inveterate, sinistous or big goitre, all scrofulous and internal abscesses, fistulas, scald head, scurvy, biles, chronic sore eyes, erysipelas, cutaneous diseases, chronic catarrh and headache from particular causes, pain in the stomach and dyspepsia, proceeding from irritation, affections of the liver, chronic inflammation of the kidneys and general debility, caused by a torpid action and relaxation of the skin. It is singularly efficacious in innovating those constitutions which have been broken down by injudicious treatment or injurious irregularities. In general terms, it is recommended in all those diseases which arise from impurities of the blood, or vitiation of the humors, of whatever form or kind.

The superior of this valuable medicine acquired his knowledge of its ingredients from a long residence among the aborigines of this country, and it is a selection from the most approved and successful medicines in their hands. It is offered to the public by the proprietor, with the conclusion that it will be placing within their reach a remedy capable of relieving many of his afflicted fellow-beings, whose suffering under the various chronic and obstinate complaints to which it is applicable. To such it will prove a blessing, and in many cases, the only means of relieving their sufferings, and restoring them once more to health and happiness. This is not offered as a common remedy, but as a purchase be equally good with many other known in use, but one which is capable of saving life in many extreme cases, where all the usual means have failed. This it has done repeatedly, and this is the reputation it has acquired wherever it has been introduced.

This medicine has been found highly useful in many cases of disease not here specified, and it has been used with wonderful success as a spring and fall purifier, by those who are subject to various complaints, and whose constitutions require a strengthening. Whenever a diet drink is necessary this Panacea, taken in usual doses, will answer all its purposes in such a best time, at less expense, and in a far more agreeable manner than the common diet drink.

The following certificate, out of hundreds similar which might be produced, are given to show the effect of the Indian's Panacea, in the various complaints therein mentioned, and show to exhibit in the most satisfactory manner its superiority over other similar preparations:

Case of Ulcerated Throat, Nostrils, &c.

Charlestown, Jan. 26, 1835.—This may certify that I was afflicted with a scrofulous disease for several years, during which time I employed several eminent physicians, both in Philadelphia and Charlestown, and also took several bottles of Swain's Panacea, but all without effect, I was ulcerated. During the last winter I was taken with an ulcerated throat which soon became so severe as to prevent my taking sufficient food to sustain life. I consulted in this situation several days, consulted and threatened with absolute and speedy dissolution, when, as a last resort, I had recourse to the Indian's Panacea, and found from it almost immediate relief, recovering so rapidly that in four weeks I was entirely well quite well, and I have remained ever since.
