OLD DR. JACOB TOWNSEND,
THE ORIGINAL DISCOVERER OF THE GENUINE "TOWNSEND SARSAPARILLA.

Old Dr. Townsend is now about 70 years of age and has long been known as the author and discoverer of the genuine original "TOWNSEND SARSAPARILLA." Being now old, he is compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who have proved its worth, and who know its value. It had reached the ears of many, never-the-less, of those persons who had been healed of some disease, and saved from death, proclaimed its excellence and wonderful

Healing Power.

Unlike young *Dr. Townsend*, it improves with age, and never changes, but for the better; because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the old Dr.'s Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medical properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, produce fermentation and acid, which is injurious to the system. Some of the properties of Sarsaparilla are so volatile that they entirely evaporate and are lost in the preparation, if they are not preserved by a scientific process, known only to those experienced in its manufacture. Moreover, those volatile principles, which fly off in vapor, or as an exhalation, under heat, are the very essential medical properties of the root, which give to it all its value.

Genuine Old Dr. Jacob Townsend's Sarsaparilla,

Is so prepared that all the inert properties of the Sarsaparilla root are first removed, every thing capable of becoming acid or of fermentation, is extracted or rejected; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered capable of doing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the Cure of Inveterate Chronic Diseases.

Hence the reason why we bear recommendations on every side in its favor by men, women and children, who have taken it and found it a blessing.

Consumption, Dyspepsia, and Liver Complaint, and in Rheumatism, Scrofula, Piles, Costiveness, and Cutaneous Eruptions, Pimples, Blotches, and all affections arising from impurity of the blood.

It possesses a marvellous efficacy in all complaints arising from indigestion, from acidity of the stomach, from unequal circulation, determination of the blood to the head, palpitation of the heart, cold feet and hands, cold shivers, and a cold clammy body. It has not its equal in Colds and Coughs; and promotes easy expectoration and gentle perspiration; relaxing stricture of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of Female Complaints.

It works wonders in cases of Fluor Albus or Whites, Falling of the Womb, Obstructed, Suppressed or Painful Menses, Irregularity of the menstrual periods, and the like; and is as effectual in curing all the forms of Kidney Diseases.

By removing obstructions and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of

Nervous Diseases and Debility,

and thus prevents or relieves a great variety of other maladies, as Spinal Irritation, Neuralgia, St. Vitus' Dance, Brooming, Epileptic Fits, Convulsions, &c.

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion, relieves the bowels of torpor and constipation, allays inflammation, purifies the skin, equalizes the circulation of the blood, producing gentle warmth equally all over the body, and the Complexion improved, it relaxes all stictures and tightness, removes all obstructions, and invigorates the entire nervous system. In fact this, and the

Medicine you prescriminatly need!

But enough, the language he said of *Dr. Townsend's* inferior article? The young man's liquid is not to be

COMPARED WITH THE OLD DR.'S

Because of one GRAND FACT, that the one is IN CAPABLE OF DETERIORATION, and

NEVER SPOILS.

While the other DOES spoil, fermenting, Fermenting, and blowing the bottles containing it into fragments; the sour, acid liquid exploding and damaging other goods! Do not take this horrible compound to poison us to the system! What! put acid into a system already diseased with acid! What causes Dyspepsia but acid? Do you not all know that when food sours in our stomachs what misfortune it produces? Flatulence, heartburn, palpitation of the heart, liver complaint, dizziness, dyspepsia, cholic, and corruption of the blood? Will any sensible man, or woman, or humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Ringworm, Tetter, Scurvy, Erysipelas, White Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven, but an acid substance, which generally exists in the blood and juices of the body, more or less. What causes Rheumatism but a sour or acid fluid, which insinuates itself between the joints and muscles, irritating and inflaming the delicate tissues upon which it acts? Do, ye unfortunate victims, of impurity of the blood, of deranged circulations, and healthy all the ailments which afflict human nature.

Now, just not be unable to make and sell, and infinitely worse to use this

Souring, Fermenting Acid "Compound" of S. P. Townsend,

and yet he would fain have it understood that his Old Dr. Jacob Townsend's Genuine Original Sarsaparilla, is an IMITATION of his inferior preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article, and which would bring down upon the Old Dr. such a mountain load of complaints and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the absolute truth, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are heaven wide apart, and infinitely dissimilar; that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was in no chemist, and knows no more about the nature of medicine or disease than any other common, unscientific, unprofessional man, what guarantee can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of causing the slightest injury? Order them the AGENTS of disease instead of health

It is to arrest frauds upon the unfortunate, to poor ladies into extended usefulness, to kindly lift up the despairing bosom, to restore health and bloom and vigor into the crushed and broken, and to banish infirmity, that OLD DR. JACOB TOWNSEND has SOUGHT and FOUND the opportunity and means to bring his

Grand Universal Concentrated Remedy

within the reach, and to the knowledge of all who need it, that they may learn and know, by joyful experience, its

Transcendent Power to Heal.

Sold, wholesale and retail, by the sole Agents in New Orleans.
