OFFICIAL.

Mayoralty of New Orleans.
Council of Municipality No. One,
Sitting of Tuesday, 11th June, 1850.

SPECIFICATIONS concerning the Wharves and Levee in front of Municipality No. One—The contractor shall be bound to repair and keep in good order all the wharves and the levee in front of Municipality No. One, from Canal to Esplanade street, in the following manner, viz.—

As soon as there shall be a hole in the planking of said wharves, the contractor shall have the same repaired immediately; and as soon as there shall be a hole in the levee, he shall have the same filled up with hard materials, such as lake or oyster shells, or gravel.

Whenever any portion of the wharves shall have sunk below the level which shall be fixed by the Surveyor, at least two feet above the highest water mark, it shall be the duty of the contractor to have the same raised immediately, either by means of clots, or by making a new work in the manner hereafter explained.

The piles shall be 12½ inches square at the top, and shall be driven from 15 to 25 feet in the ground, at distances of 10 feet from centre to centre. The head of the piles and the caps, which shall be 12½ inches square, shall be framed with 9 inch tenants and mortices. The joists to receive the flooring and the horizontal and inclined planes shall be 12½ inches square, placed at a distance of five feet from centre to centre, and shall be strongly nailed on the caps with drog nails, 16 inches long, ¾ of an inch square. The floor shall be of 3½ inches yellow pine or cypress planks, nailed with 6½ to 7 inches pressed spikes. In all that part of the steamboat landing where an inclined plane is necessary, there shall be driven at the outside edge of said inclined plane a double row of piles, which shall receive a cap 12½ inches square, and shall be framed with 9 inch tenants and mortices. On the top of said cap shall rest a fender cap, 12½ inches square, which shall be bolted every five feet to the two other caps with two screw bolts of one and a half inch in diameter. The two first rows of piles shall be bolted together with two screw bolts of one and a half inch in diameter. The four rows of piles of the inclined plane shall be braced every ten feet with 12½ inch brace, which shall be bolted to each pile with a screw bolt one inch in diameter. Mooring posts 12½ inches square shall be driven at every 20 feet, and shall project three feet above the flooring of the wharves. Each mooring post shall be strongly fastened to the piles with two screw bolts of one inch in diameter. The wharves for the shipping shall have two fender caps, one at 3 feet above low water mark, and one at 1 foot below the flooring.

Whenever any part of the levee shall have sunk by the cause of the bank of the river caving in, or by any other cause, it shall be the duty of the Contractor to have the same filled up with river sand immediately after its becoming necessary, and to cover the same with a sufficient quantity of shells or gravel.

Whenever the Council shall deem necessary to have any wharf or portion of wharf extended into the river, to have the slope of any wharf changed; to have any portion of the batture filled up, in order to widen the levee, or to have any portion or the whole of the levee graded, it shall be the duty of the Contractor to have the same done agreeably to the foregoing specifications, without any extra compensation.

The outside edge of the levee shall, at all times, be kept on a level with the flooring of the wharves.

All the materials shall be of the best quality, and shall be furnished by the contractor.

The contractor shall comply immediately with all orders from the Mayor, Recorder, Surveyor, Deputy Surveyor and Wharfinger, relative to the repairs to be done by him; and in case of any neglect on the part of the contractor, the Surveyor is hereby authorized to have the work done at the expense of said contractor, and to report the same to the Council, which, on satisfactory proof, shall have the right to declare the contract, *ipso facto*, null and void without any application before a court of justice.

The contractor shall furnish good and solvent securities to the amount of $20,000, for the faithful performance of his contract; said securities to be renewed annually, or at the pleasure of the Council.

Payments to be made quarterly, on the presentation of a certificate of the Surveyor, stating that the work has been executed, and the Treasurer retaining one third part of the amount of each certificate as a guarantee; the parts retained to be paid at the expiration of each and every year.

All the lines, levels and grades shall be given by the Surveyor, who will have the superintendence of the work.

Mayoralty of New Orleans.
Council of Municipality No. One,
Sitting of Tuesday, 11th June, 1850.

RESOLVED, That the Mayor be, and he is hereby authorized to advertise, for thirty days after the promulgation of this ordinance, the leasing of keeping in repairs the wharves and levee of this Municipality, for a period of five years, in accordance with the specifications and terms herewith—the same to be given in two sections, say from Canal to St. Ann, and from St. Ann to Esplanade street; the contractor to furnish mortgaged security in the sum of twenty thousand dollars.

Resolved further, That the contractor will not be allowed to sell, transfer, or dispose of the said contract in favor of any person or persons during the term of his contract; otherwise the said contract will be declared forfeited, and the Surveyor is required and authorized to continue the same for account and risk of said contractor and securities, except in case of death, or physical disability on the part of said contractor.

Mayoralty of New Orleans.
29th June, 1850.
Council of Municipality No. One,
Sitting of Tuesday, 25th June, 1850.

RESOLVED, That the specifications of the Surveyor concerning the repairs of the wharves and levee, be amended in such a manner as to bind the contractor to begin all new wharves and changes that may be ordered by the Council, on the 1st of July of each year, and have the same completed on the 31st of October of the same year, otherwise he shall pay a fine of $200 for each and every day after the 31st of October.

Resolved further, That the contractor shall furnish all the timber and planks required for stages for the shipping whenever ordered by the Wharfinger, otherwise the Surveyor is hereby authorized to procure the same at the expense of the contractor.

JEFFERSON ACADEMY,
53 *Bourbon street, New Orleans.*
Conducted by J. G. Lord.

THE plan of this Institution comprises a general and extensive system of education. Pupils are admitted at six or seven years of age, and can continue till their education is complete, or till they are prepared for their future pursuits in life.

They are distributed into classes according to their talents and advancement.

The premises are perhaps the best to be found in the city, with ample space for exercise and recreation, every necessary convenience is combined for an institution of learning on a large scale.

The Professors are gentlemen of talents, chosen with care. Good order reigns in the establishment, and strict attention is paid to the moral conduct and improvement of the pupils.

Day and Boarding School for Young Ladies.

Founded in 1832, by Madame Leirls, and conducted since 1840, by MADAME DESRAYAUX; Burgundy street, between Customhouse and Bienville streets, New Orleans.

MR. and MRS. DESRAYAUX, formerly in Rampart street, having removed their institution upwards of a year ago, to more extensive accommodations, assure parents and guardians of youth, that their new building in Burgundy st. has met their expectations, and supplies one great and almost indispensable requisite—viz: ample accommodations, adapted to the object they had in view. It is scarcely necessary to state, that the building which they erected, is supplied with all the modern improvements for the comfort and convenience of domestic life, and for educational purposes. The apartments are spacious, airy, well lighted, and properly furnished. The large and well shaded garden in the rear of the building, purchased for the accommodation of the pupils, is found to be attended with many advantages, as regards health, exercise and amusement—in short, every arrangement has been made, at no small expense, to increase the facilities of education; to guard the health of the pupils, and to procure their comfort and happiness.

The Institution provides thorough and substantial instruction in every stage and department of education. It possesses great facilities for the acquirement of the French language, and for the cultivation of Music; and it is sufficient to say, that no efforts will be wanting to sustain the reputation which the School has already acquired in these departments.

DR. MACAULAY, who has taught in the Institution for upwards of five years, and who divides his time equally between it and Mrs. Macaulay's, takes the entire charge of the department of English literature, including Natural and Moral Philosophy; and teaches not only the outlines, but enough of Mathematics, Chemistry, Geology and Astronomy, as to enable young ladies to understand all the ordinary phenomena which are constantly present ing themselves to their observation.

For further information, the proprietors of the Institution respectfully refer parents to their prospectus, published in pamphlet form, to be found at the book store and at the Institution. s29—1y

G. BOYER'S INSTITUTION,
No. 148 Conti street, between Dauphine and Burgundy.

MR. G. BOYER, founder of this establishment, the oldest in New Orleans, seizes this opportunity to make a new appeal to the confidence of parents.

The institution is conducted in a large mansion occupying a fine central position, being well ventilated, and in other respects perfectly salubrious.

The range of studies which engage the attention of the pupils, extends over all the branches of learning, which are calculated to a useful, polite and finished education; from primary instruction, to the more abstruse subjects which are specially the province of a collegiate course.

The elementary studies are attended to with more than ordinary care, considering the decisive influence which they exercise over the other branches of instruction.

Discipline, which must not be separated from assiduous study, nor from a good education, is conducted with solicitude. It is calculated according to the age and character of the students, and is tended to give them an accurate idea of duty and good behavior.

Branches of Instruction.

The English, French, Spanish, Greek and Latin languages, Mathematics, History, Geography, Elements of Natural Philosophy, and Philosophical Science.

INSURANCE.

Southern Mutual Life Insurance Company of Louisiana.

Life Insurance Exclusively.

EXTRA GUARANTEE FUND $50,000
ACCUMULATIVE CAPITAL $500,000

PARENT OFFICE, NO. 45 CAMP ST.,
New Orleans.

THIS COMPANY is now ready to make Insurance on White Persons and Slaves, at their established rates of premium. This being the only company incorporated in the State confined exclusively to Life Insurance, with an extra Guarantee Fund, the Directors feel confident that it affords unusual and much greater inducements to those desirous of effecting an insurance on their lives than any other.

It is also upon the Mutual principle, each person assured becoming a member thereof and enjoying a portion of its profits, being entirely exempt from any liability beyond the amount of premium accrued.

Insurance companies organized upon the mutual principle are generally successful, more especially those exclusively confined to Life, as they are based upon calculations warranted correct by long experience and close scrutiny; but the stability and success of this Company is placed beyond a contingency, by the advantageous arrangement she has made for an undoubted guarantee fund of 50,000 dollars, not to be used or lessened, no subscriptions to mutual insurance companies always are, by insurance.

This extra guarantee fund of 50,000 dollars remains permanent until the Company has accumulated a similar amount to take its place.

☞ California permits granted, and extensive travelling privileges allowed.

MEDICAL.

[illegible] SARSAPARILLA [illegible]

☞ Price $1 per bottle, or six bottles for $5.

IT HAS been a [illegible] established fact for years that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the *greatest cure ever known in the known world!*

THIS MEDICINE,
WHEN USED ACCORDING TO DIRECTIONS,
Will Cure Without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposure or Imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, Ohio,) thus speaks of Bull's Sarsaparilla:

It has no Equal!—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal! This is a bold assertion, but it can be substantiated by calling on the agent in this city.

☞ Bear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!

And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

Louisville, May 31, 1848.
Mr. John Bull—Dear Sir: I have been for a number of years afflicted with a Mercurial Head ache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparillas prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which give me more relief than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,
J. H. OWEN.

RHEUMATISM

Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, and see what may also be done for them, if they will use the infallible remedy.

Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.

I have been free of pain for several months, and have no doubt the cure is permanent, and I candidly recommend it as being the best medicine in use for rheumatism. ISHAM BRIGGS.
Uniontown, Union Co., Ky. May 12, 1848.

From Dr. Wm. T. Prentiss.

Mr. Bull:—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capetis, Lepra, Prorigo, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.
Respectfully yours W. T. PRENTISS, M. D.
Lewisport, Ky. Dec. 4, 1847.

It is perhaps needless to produce any further testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let all who are laboring under chronic diseases general derangement, nervous debility, weaknesses, the effects of mercury, or any thing of the kind, give it a fair trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse and overwrought, when the face is pale and colorless, the strength feeble and yielding, the spirit troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It assists nature in the performance of her duty, braces the whole system, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see less suffering, disease and unhappiness among them than now exists. Bull's would take the place of disease, the rosy cheek would succeed the pallid face. We should have [illegible] instead of tears, and perhaps a happy long life instead of one cut short by disease, or made miserable from continued suffering and affliction. At that critical period termed the 'Turn of Life,' which is often attendant with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this crisis should be apprised of this fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin and a rosy colored cheek. How often do we see persons not possessing this "desideratum so devoutly to be wished," resorting to cosmetics, lotions, washes, paints, and coloring materials to restore to them the semblance of that which disease has deprived them of, and this, too, often times, with mischief and injury to the skin. The fact is Bull's Sarsaparilla is the best known. It makes the skin clear upon the correct and only true principles, not by coating the skin over with poisonous or deleterious matter, which serve to close the pores and check perspiration, but by removing every particle of humour, morbid and diseased matter from the blood, making the blood pure, healthy and vigorous, giving activity to the minute vessels, and changing the yellow, dyed and sallow countenance to the bloom and freshness of youth. If the ladies generally could be apprised of and convinced of this fact, they would discard the use of all paints, mixtures and lotions, and use the only effectual remedy. A word to the wise is sufficient and a hint is enough for the ladies.

BETTER TESTIMONY.

Than was ever offered Mississippians!
From Dr. James M. Moore.

Mr. John Bull—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and many other cutaneous and glandular affections, having used it with entire success in a number of the above cases. JAS M MOORE.
Louisville, Dec. 26, 1847.

Moore testimony, from Dr. Moore.

Mr. John Bull—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for that disease.
Yours, JAS. M. MOORE, M. D.
Winchester, Ky., February 1, 1848.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla.

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have looked over the list of ingredients composing of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in Chronic diseases, to which it is applicable.
L. P. YANDELL, M. D.
Louisville, June 6, 1848.

What Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla:

Louisville, March 20, 1849.
I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D.,
Resident Physician, Louisville Marine Hospital.

[From the People's Journal, Quincy, Ill.]

Bull's Sarsaparilla.—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in time gone by two bottles of S. P. Town's, and a Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit from its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—nay, those that are grievously tormented. Certificates are teeming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.

Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth street, Louisville, Ky., and by the Druggists generally in the city and country.
