Sections thirty-six to forty six, inclusive, and sections fifty, fifty-one, and fifty-two, in township thirteen, of range six.
At the land office at NEW ORLEANS, commencing on Monday, the fourth day of June next, for the disposal of the public lands within the undermentioned Townships and parts of Townships, viz:
South of the Base Line, East of the principal Meridian, and East of the Mississippi river.
Townships ten and eleven, of range seven.
Township eleven, of range eight.
Lands appropriated by law for the use of schools, military, or other purposes, will be excluded from the sales.
The offering of the above mentioned lands will be commenced on the days appointed, and proceed in the order in which they are advertised, with all convenient despatch, until the whole shall have been offered, and the sales thus closed. But no sale shall be kept open longer than two weeks, and no private entry of any of the lands will be admitted until after the expiration of the two weeks.
Given under my hand, at the city of Washington, this twenty-seventh day of February, Anno Domini one thousand eight hundred and forty-nine.
By the President: JAMES K. POLK.
RICHARD M. YOUNG,
Commissioner of the General Land Office.

Notice to Preemption Claimants.

Every person entitled to the right of pre-emption to any of the lands within the townships and parts of townships above enumerated, is required to establish the same to the satisfaction of the register and receiver of the proper land office, and make payment therefor *as soon as practicable* after seeing this notice, and before the day appointed for the commencement of the public sale of the lands embracing the tract claimed; otherwise such claim will be forfeited. RICHARD M. YOUNG,
Commissioner of the General Land Office.

WASHINGTON HIGH SCHOOL.
NOTICE TO FAMILIES.

IN order to remove the young Ladies confided to her cares from the centre of pestilence which daily thins the population of the city, Mme. DE LA GRACERIE has rented, at Mandeville, an establishment perfectly appropriated to the exigences of a Boarding School.
Studies will be the same as they are in the city. Nothing will be changed in the programme of the "Washington High School."
The daily baths in the Lake, the pure and wholesome air of the country and a moderate exercise are advantages which families will properly appreciate.
The departure for Mandeville will take place on Saturday, the 16th of the present month.
Mme. DE LA GRACERIE will return to the city at the end of the season. je27

1849 Great Northern Route 1849
BETWEEN THE EAST AND THE WEST, VIA
THE MICHIGAN CENTRAL RAIL ROAD!

WILL commence operation on the opening of navigation, by which passengers will be taken between

Chicago and Buffalo,

in from 40 to 45 hours, and to New York in from 65 to 70 hours, shortening the line between Chicago and Buffalo to less than one third that of any other route.
A steamboat will leave Milwaukie every morning and Chicago every morning and evening for New Buffalo, (the western terminus of the Rail Road,) which with the Cars to Detroit and Steamboats to Buffalo, will form

Two Daily Lines

from Chicago to Buffalo, connecting directly with the Cars from Buffalo to Albany, and Steamboats to New York or Cars to Boston.
Going West, a Steamboat will leave Buffalo
EVERY MORNING AND EVENING,
running from the Cars of the Albany and Buffalo Rail Road, for Detroit, thence by Rail Road to New Buffalo, and by Steamboat from the morning train at New Buffalo to Milwaukie and other ports, and from both trains to Chicago, connecting with the line of large Packets on the Illinois and Michigan Canal to Laselle, thence by the Express Line of
FIRST CLASS RIVER STEAMBOATS
to St. Louis, and by the Lower River Steamers to towns on the Mississippi and New Orleans.
This Rail Road, with the Steamers in its connection from Chicago to Buffalo, for regularity, safety, speed, general equipment and accommodation, forms in every respect a
SUPERIOR FIRST CLASS ROUTE,
and altogether the cheapest from the Mississippi Valley and the towns on Lake Michigan to the east.
The following Steamboats will run in connection with the Michigan Central Rail Road:
Detroit, Pacific, and Sam. Ward.
the Pacific and Sam. Ward running to Milwaukie via Little Fort, Southport and Racine.
Between Detroit and Buffalo, DAILY, leaving both places in the morning—through without landing—Steamers
May Flower and Atlantic.
Between Detroit and Buffalo via Cleveland, DAILY, leaving both places in the evening—Steamers
Hendrick Hudson, Baltic, Empire, Oregon and Saratoga.
The Lake Steamers of the above line, for strength, speed, finish, and magnificent furniture, are believed to excel any like number of steamers that have ever been run in connection on fresh water, offering at reasonable rates accommodations not any where surpassed. Among them are many entirely new, and of the most expensive character.
Every effort will be made to render most desirable the superior accommodations of this route.

[illegible] THE GREATEST MEDICINE [illegible]

[illegible] debilitating the patient.
The great beauty and superiority of this Sarsaparilla over all other medicines is, whilst it eradicates disease, it invigorates the body. It is one of the very best
SPRING AND SUMMER MEDICINES
ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past five years more than 100,000 cures of severe cases of disease; at least 15,000 of which were considered incurable.—It has saved the lives of more than 5000 children during the two past season
TEN THOUSAND CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.
Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the affects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any
INVIGORATING CORDIAL,
as it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.
Consumption Cured.
Cleanse and Strengthen.—Consumption can be cured—Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness of the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side &c., have been and can be cured.
Spitting Blood.
New York, April 28, 1847.
Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change wrought in me. I am now able to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results.
Your obedient servant,
WM. RUSSELL, 65 Catharine st.

Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.
James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.
Blackwell's Island, Sept. 14, 1847.
Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep, or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS.

FEVER AND AGUE.

Dr. Townsend's Sarsaparilla is unequalled in cases of the Chills and Fever and Ague. The following letter is only one of the hundreds that we have received from the South and West of this character:
Oswego, Michigan, Oct. 22, 1847.
Dr. Townsend—Dear Sir: I purchased for my wife two bottles of Sarsaparilla of your agent, Mr. McNair, of Kalamazoo, to try it for the Fever and Ague. Before I had finished the first bottle it appeared to warm the blood, and every other day, when the chills and fever appeared, they were less violent, and before she had finished the bottle she was entirely relieved, and she was much better than she had been before she took the ague. A lady that had been very sick with chills and fever, but had broke them with quinine, and was left in a very weak and distressing state, and troubled exceedingly with the ague-cake, seeing the effect that it had on my wife, she sent and procured a few bottles, and it restored her in a few weeks to complete health. Your Sarsaparilla is, without doubt, unequalled in diseases incident to the West, and if you think that this communication will be of use, you are at liberty to use it as you choose. Yours, respectfully,
CHARLES H. SWAIN.

CANKER IN THE MOUTH.

Below is an account of another child saved. Dr. Townsend's Sarsaparilla has saved the lives of thousands of children. The following certificate is selected from a great number received this week.
New York, April 1, 1847.
Dr. Townsend—Dear Sir: One of my children was very sick with a canker in the mouth and throat, attended with great debility. It came near dying. I obtained some of your excellent medicine, and it cured it directly, for which I assure you I feel very grateful. Yours, respectfully,
ELIZABETH FOWLER, 87 Desbrosses st.

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine have been blest with healthy offspring.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject.
It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, increases and enriches the food; those who have used it think it indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth—in costiveness, piles, cramps, swelling of the feet, despondency, heartburn, vomiting, pain in the back and loins, false pains, hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great virtue of this medicine is, it is always safe, and the most delicate use it most successful; very few cases require any other medicine; in some a little castor oil or magnesia is useful. Exercise in the open air and light food, with this medicine, will always insure a safe and easy confinement.

Three Children.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation. Yours respectfully,
ISAAC W. CRAIN, 105 Wooster st.

Opinion of Physicians.

Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union.
This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

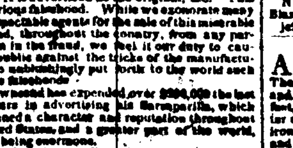
Albany, 1, 1847.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, etc. They generally put it up in the same shaped bottles, and some of them have stolen and copied our advertisements; they are only worthless imitations, and should be avoided.

DR TOWNSEND'S



OFFICE MANUFACTORY

TRICKS OF QUACKS.
Let Everybody Read This Carefully.

THERE is a Sarsaparilla for sale in the different towns called old Dr. Jacob Townsend's Sarsaparilla. It is advertised as the original, &c. This is a notorious falsehood. While we exonerate many of the respectable agents for the sale of this miserable compound, throughout the country, from any participation in the fraud, we feel it our duty to caution the public against the tricks of the manufacturers, who unblushingly put forth to the world such notorious falsehoods.
Dr. Townsend has expended over $300,000 the last eight years in advertising his Sarsaparilla, which has obtained a character and reputation throughout the United States, and a greater part of the world, the sale being enormous.
This excited the cupidity of certain unprincipled men, and an old man who has been engaged in peddling cheap publications for a number of years. This man's name is Jacob Townsend. He applied to a number of men to get employment, or to sell the use of his name to put up Dr. Townsend's Sarsaparilla, stating the large sales and sums we had expended in the business. Among others he applied to Charles Watrous, Esq., editor of the Sunday Farmer, who scorned such a proposition; Mr. S. C. Andrews, formerly one of the proprietors of McAlister's Ointment; Ralph Pomeroy, formerly cashier and financier of the broken shinplaster bank at Belleville, New Jersey; John Skillman and Wm. Thompson, under the name of Skillman, Thompson, & Co., have employed this old man, and agreed, as we understand, to pay him seven dollars per week for the use of his name.

Another Trick!

We went to an expense of five hundred dollars to get up a splendid steel engraving for our Label, and had the portrait of Dr. Townsend on it in a splendid style. Sulphur and Vapor Baths.

THE undersigned respectfully informs the public that he continues to prepare and administer these Baths at his Perfumery Establishment, No. 283, St. Louis street, between Villere and Robertson.
The excellence of those Baths is universally known in a great number of chronic diseases of the skin, such as itch, prurigo, tetters, scaled head, &c. They have been employed with remarkable success in other maladies, which frequently resist the resources of the medical art, such as chronic rheumatism, atonic gout, palsy, scrofula, engorgements of the glands, of the joints, the lymphatic ganglions and joints. Eminent practitioners have bestowed the highest praises on the remedy, and are in the habit of prescribing it for inveterate diseases that require powerful sudorific agents. The success obtained by this mode of treatment is confirmed by the cures that have been effected.
The undersigned hopes that his efforts to give satisfaction to those who have honored his establishment with their patronage, will ensure the confidence of patients whose cases require the employment of medicated sulphur or Vapor Baths.

DALE'S CELEBRATED CAST STEEL PLATFORM AND COUNTER SCALES.

THE above superior Portable Scales, combining the advantages of Accuracy and Convenience, are considered throughout the Eastern and Northern States, as the only Weighing Machine that will stand the test of hard usage. The Bearings, throughout, are made of the best English cast steel, and warranted.
By using the Double Beam, the heaviest drafts are weighed with the use of only two small brass weights, of one pound each, which are permanently attached to the beam; thus avoiding the necessity of having a mass of huge and cumbersome iron weights, as in using the common single beam scales.
These Scales have taken the first premium, for eight successive years, at the great Annual Fairs of the American Institute, New York; the New York State Fair; Franklin Institute, Philadelphia; Boston Fair, and the great National Fair, Washington city.
The manufacturers determined to bring them into general use throughout the Southern States, have reduced the price to a level with the common single beam; thereby giving every one an opportunity of supplying themselves with a fine weighing machine, as low as they can purchase the common article so generally used in this section of the country.
