CARROLLTON ACADEMY.—The subscribers have the honor of announcing to the friends of education in Orleans and Jefferson as well as the adjoining parishes, that on the second of November next, the above institution will be opened, under their superintendence, for the reception of boys, both as boarding and day scholars. The local advantages of Carrollton are well known. They have secured the spacious house in which Mr. Kohn the garden and premises are extensive, and the establishment in every respect admirably adapted to the object they have in view.

As the institution will be strictly proprietary, they propose limiting the age of pupils to twelve years. The advantages of this arrangement, parents will at once appreciate.

Preparations will be made, as early as possible, for receiving girls, both as boarding and day scholars. The same satisfaction in point of age will apply to both departments.

The academical year will be divided into two sessions, the winter session commencing on the 6th of January and ending on the 20th of June, and the summer term commencing on the 10th of July and ending on the 20th of December.

Terms:

Monthly scholars—English, French, Spanish and Latin (including penmanship, arithmetic, geography &c. &c. each.....$4 00

Any two of the above languages.....6 00

Boarding scholars, per annum, payable half yearly in advance.....$300 00
