# OFFICIAL NOTICES.

**Mayoralty of New Orleans.**
30th July, 1850.

COUNCIL OF MUNICIPALITY No. ONE, Extra Sitting of Wednesday, July 24th, 1850.

RESOLVED, That the Mayor be, and he is hereby authorized and invited to advertise during ninety days in the official paper of this Municipality, in the Delta, Picayune and in three of the Northern Newspapers, that he will adjudicate to the lowest bidder the contract for the paving with square blocks, of the public road, from Customhouse to Esplanade street—Chartres street from Canal to Jefferson street; Conde street, from Madison to Esplanade street, and Royal street, from Canal to Esplanade street. Said work to be done according to specifications in the Surveyor's Office, and to be paid for in cash.

(Signed) JH. GENOIS, Recorder.
Approved, 25th July, 1850.
(Signed) A. D. CROSSMAN, Mayor.
A true copy, H. MIER, Clerk.

Specifications concerning the square block paving of the Public Road, from Customhouse to Esplanade street; of Chartres street, from Canal to Jefferson street; of Conde street, from Madison to Esplanade street; and of Royal street, from Canal to Esplanade street.

*Quality and Dimensions of the Materials.*

The square blocks shall be of granite of the best quality, hewed and dressed on the top and sides, measuring not less than 10 by 10 inches square, and not more than 16 by 16 inches square, and 10 inches thick. The curb stones shall be of granite of the best quality, hewed and dressed, with the upper edge level in such a manner as to correspond with the grade of the bricking of the side-walks. The curb stones shall be from 18 to 26 inches in width, not less than four feet long and four inches thick. The gutter stones for the bottom of the bridges shall be of granite, hewed and dressed. They shall be 12 inches in width, not less than three feet long, and four inches thick. The shells shall be sound and clean (Lake shells). The sand shall be either Lake or Natchez sand, pure and of large grain.

*Manner in which the Work shall be done.*

The curb stones shall have an inclination towards the side walks of 3½ inches for each foot in height, and shall join by the ends. As soon as the old paving shall have been removed from a square, the Contractor shall have the ground picked and the street graded on a regular curve; he shall then cover the same with 6 inches of gravel or Lake shells and sharp sand, which shall be well compressed with the roller, and shall begin to lay the paving in the following manner:

The square blocks shall be laid in regular courses, and shall perfectly well join one another from top to bottom; the joints shall be filled up with sharp sand, and the paving shall be well compressed with the roller. Said paving shall, when completed, present an even and perfect curved surface, otherwise it shall be rejected by the Surveyor. The sides of the bridges at the intersections of all the streets, shall be of hewed and dressed curb stones, 26 inches in width, and 4 inches thick. The bottom shall be of hewed and dressed gutter stones, 4 inches thick. The whole laid on a bed of Lake shells or gravel, 4 inches thick and well compressed. The wings of the bridges shall be at least 35 feet long, and shall be made of hewed and dressed curb stones from 26 to 18 inches wide, and four inches thick. The top of the bridges shall be of iron, and shall be furnished by the Municipality.

All the materials shall be furnished by the Contractor.

The old found stone paving, the old curb and gutter stones which shall be taken up by the Contractors, and the surplus of earth picked out from the streets, shall be the property of Municipality No. One, which shall remove the same.

All the lines, heights, grades, &c., shall be given by the Surveyor, who shall superintend the execution of said paving, agreeably to the foregoing specifications.

The work shall be adjudicated in four sections as follows, viz:

Sec. 1. The Public Road from Customhouse to St. Ann street.

Sec. 2. The Public Road from St. Ann to Esplanade street.

Sec. 3. Chartres street from Canal to Jefferson street, and Conde street from Madison to Esplanade street.

Sec. 4. Royal street from Canal to Esplanade street.

The contractors for the 1st and 2nd sections, shall bind themselves to have the work begun on or before the 1st of January, 1851, and to have the same completed, on or before the 31st of December, 1851. The contractors for the 3d and 4th sections, shall bind themselves to have the work begun on the 1st of January, 1852, and to have the same completed on or before the 31st of December, 1852; and in default by them so to do, the council shall have the right to declare the contract, *ipso facto*, null and void, without any application before a court of justice, and shall have the work done at the risk and peril of the contractors.

In case the paving of any of the sections should not be completed in the time above specified, the contractor shall pay a fine of $500 per day for each and every day after the time above allowed.

The contractors shall bind themselves to keep the paving in good repair for two years after the completion of each section.

Each of the contractors shall furnish good and solvent security to the amount of $20,000.

*Payments as follows:*

The proportion due by the Municipality shall be paid cash after the completion of every three squares, and on the presentation of the certificate of the Surveyor, stating that the work has been done according to the foregoing specifications and has been accepted by him, and the proportion due by the property holders to be collected by the contractors.

New-Orleans, July 27th, 1850.
LOUIS H. PILIE, Surveyor, 1st M'py.

**Mayoralty of New Orleans.**

**JEFFERSON ACADEMY,**
53 *Bourbon street, New Orleans,*
CONDUCTED BY J. G. LORD.

THE plan of this Institution comprises a general and extensive system of education. Pupils are admitted at six or seven years of age, and can continue till their education is complete, or till they are prepared for their future pursuits in life.

They are distributed into classes according to their talents and advancement.

The premises are perhaps the best to be found in the city, with ample space for exercise and recreation, every necessary convenience is combined for an institution of learning on a large scale.

The Professors are gentlemen of talents, chosen with care. Good order reigns in the establishment, and strict attention is paid to the moral conduct and improvement of the pupils.

**Day and Boarding School for Young Ladies.**

Founded in 1832, by Madame Leiris, and conducted since 1840, by MADAME DESRAYAUX; Burgundy street, between Customhouse and Bienville streets, New Orleans.

MR. and MRS. DESRAYAUX, formerly in Rampart street, having removed their institution upwards of a year ago, to more extensive accommodations, assure parents and guardians of youth, that their new building in Burgundy st. has met their expectations, and supplies one great and almost indispensable requisite—viz: ample accommodations, adapted to the object they had in view. It is scarcely necessary to state, that the building which they erected, is supplied with all the modern improvements for the comfort and convenience of domestic life, and for educational purposes. The apartments are spacious, airy, well lighted, and properly furnished. The large and well shaded garden in the rear of the building, purchased for the accommodation of the pupils, is found to be attended with many advantages, as regards health, exercise and amusement—in short, every arrangement has been made, at no small expense, to increase the facilities of education; to guard the health of the pupils, and to procure their comfort and happiness.

The Institution provides thorough and substantial instruction in every stage and department of education. It possesses great facilities for the acquirement of the French language, and for the cultivation of Music; and it is sufficient to say, that no efforts will be wanting to sustain the reputation which the School has already acquired in the departments.

DR. MACAULAY, who has taught in the Institution for upwards of five years, and who divides his time equally between [illegible] and Mrs. Macaulay's, takes the entire charge of the department of English Literature, including Natural and Moral Philosophy. [illegible] not only the outlines, but enough of Mathematics, Chemistry, Geology and Astronomy, as to enable young ladies to understand all the ordinary phenomena which are constantly presenting themselves to their observation.

For further information, the proprietors of the Institution respectfully refer parents to their prospectus, published in pamphlet form, to be found at the book store and at the Institution. s24—1y

**G. BOYER'S INSTITUTION,**
No. 148 Conti street, between Dauphine and Burgundy.

MR. G. BOYER, founder of this establishment, the oldest in New Orleans, seizes the opportunity to make a new appeal to the confidence of parents.

The institution is conducted in a large mansion occupying a fine central position, being well ventilated, and in other respects perfectly salubrious.

The range of studies which engage the attention of the pupils, extends over all the branches of learning, which are necessary to a useful, polite and finished education, from primary instruction, to the more abstruse studies which are specially the province of a collegiate course.

The elementary studies are attended to with more than ordinary care, considering the decisive influence which they exercise over the other branches of instruction.

Discipline, which must not be separated from assiduous study, nor from a good education, is conducted with solicitude. It is calculated according to the age and character of the students, and intended to give them an accurate idea of duty and good behavior.

BRANCHES OF INSTRUCTION.

The English, French, Spanish, Greek and Latin languages, Mathematics, History, Geography, Elements of Natural Philosophy, and Philosophical Science.

TERMS.

# INSURANCE.

**Southern Mutual Life Insurance Company of Louisiana.**

*Life Insurance Exclusively.*

EXTRA GUARANTEE FUND $50,000
ACCUMULATIVE CAPITAL $500,000

PARENT OFFICE, NO. 45 CAMP ST., *New Orleans.*

THIS COMPANY is now ready to make Insurance on White Persons and Slaves, at their established rates of premium. This being the only company incorporated in the State confined exclusively to Life Insurance, with an extra Guarantee Fund, the Directors feel confident that it affords unusual and much greater inducements to those desirous of effecting an insurance on their lives than any other.

It is also upon the Mutual principle, each person assured becoming a member thereof and enjoying a portion of its profits, being entirely exempt from any liability beyond the amount of premium accrued.

Insurance companies organized upon the mutual principle are generally successful, more especially those exclusively confined to Life, as they are based upon calculations warranted correct by long experience and close scrutiny; but the stability and success of this Company is placed beyond a contingency, by the advantageous arrangement she has made for an undoubted guarantee fund of 50,000 dollars, not to be used or lessened, as subscriptions to mutual insurance companies always are, by insurance.

This extra guarantee fund of 50,000 dollars remains permanent until the Company has accumulated a similar amount to take its place.

☞ California permits granted, and extensive travelling privileges allowed

**Agency Union Mutual Insurance Company, of New York.**
No. 80 Camp street, New Orleans.

THIS COMPANY continues to insure against Fire, Marine and River risks at the reduced rates; having, in addition to the usual security of a mutual company, a cash capital of one hundred thousand dollars; which, with other assets, amounts to nearly $450,000. The profits of the business to be divided between the stockholders and the insured.

# MEDICAL.

**BULL'S SARSAPARILLA.**

[illegible] Price $1 per bottle, or six bottles [illegible]

IT HAS been a well established fact [illegible] that Sarsaparilla, when pure and [illegible] prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the greatest curative agent in the known world!

THIS MEDICINE,
WHEN USED ACCORDING TO DIRECTIONS,
**Will Cure Without Fail!**

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposures or Imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system, and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, Ohio,) thus speaks of Bull's Sarsaparilla:

IT HAS NO EQUAL!—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal! This is a bold assertion, but it can be substantiated by calling on the agent in this city.

☞ Bear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!

And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1848.

Mr. JOHN BULL—Dear Sir: I have been for a number of years afflicted with a Mercurial Headache, and a dull heavy pain in my liver. I used all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,
J. H. OWEN.

RHEUMATISM

Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, and see what may also be done for them, if they will use the infallible remedy.

Mr. JOHN BULL—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could hear of for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured my Rheumatism, and greatly improved my general health, more than any medicine I ever used.

I have been free of pain for several months, and have no doubt the cure is permanent, and I commend it as being the best medicine in the world for this disease.
ISHAM BRIGGS.
Cynthiana, Union Co., Ky, May 12, 1848.

From Dr. Wm. T. Prentiss.

Mr. BULL—In regard to your sarsaparilla I will say that I have used it to some extent in Chronic Affections of long standing, as Tinea Capitis, Lepra, Psoriasis, Scabies, Syphilis, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success in conjunction with local treatment. I thank I would prefer it to any preparation of Sarsaparilla in use; and any physician will admit its value upon learning the substances that enter into its composition.
Respectfully yours, W. T. PRENTISS, M. D.
Lewisport, Ky. Dec. 4, 1847.

It is perhaps needless to produce any further testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let all who are laboring under chronic diseases general derangement, nervous debility, weaknesses, the effects of mercury, or any thing of the kind give it a fair trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient or are profuse and over wrought, when the face is pale and colorless, the strength feeble and yielding, the spirit troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It in its nature in the performance of her duties, leaves the whole system, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see far less suffering, disease and unhappiness among them than now exists; health would take the place of disease, the rosy cheek would succeed the pallid face, we should have smiles instead of tears, and perhaps a happy long life instead of one cut short by disease, or made miserable from continued suffering and affliction. At that critical period termed the "Turn of Life," which is often attendant with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. At faces approaching this crisis should be apprised of this fact and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN

How we all admire a clear, beautiful white skin, and a rosy colored cheek. How often do we see persons not possessing this "desideratum so devoutly to be wished," resorting to cosmetics, lotions, washes, paints, and coloring materials to restore to them a semblance of that which disease has deprived them of, and that, too, often times, with manifest injury to the fact is, Bull's Sarsaparilla is the best known. It makes the skin clear upon the entire [illegible] true principles, not by covering the surface with poisonous or deleterious matter, which serve to close the pores and check perspiration, but by removing every particle of infirmity, morbid and diseased matter from the blood, making the same pure, healthy and vigorous giving activity to every minute vessel, and changing the yellow, dark and sallow countenance to the bloom and freshness of youth. If the ladies generally, could be apprised and convinced of these facts, they would abandon the use of all paints, mixtures and lotions, and use this only effectual remedy. "A word to the wise is sufficient," and a hint is enough for the Ladies.

BETTER TESTIMONY

*Than was ever offered Mecirayoda[illegible]*
*From Dr. James M. Moore.*

Mr. JOHN BULL—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis and many other cutaneous and Glandular Affections, having used it with entire success in a number of the above cases. JAS. M. MOORE.
Louisville, Dec. 26, 1847

Moore testimony from Dr. Moore.

Mr. JOHN BULL—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for this disease. Yours, JAS. M. MOORE, M. D.
Winchester, Ky., February 1, 1848.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla.

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have looked over the list of ingredients composing of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises much in Chronic diseases, to which it is applicable.
L. P. YANDELL, M. D.
Louisville, June 6, 1848.

What Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla.

LOUISVILLE, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D.
Resident Physician, Louisville Marine Hospital.

[From the People's Journal, Quincy, Ill.]

BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in time gone by two bottles of S. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit for its use.

This medicine is daily expelling with disease through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—nay, those that are grievously tormented. Certificates are teeming from all directions, from men of truth and high moral standing, placing it from its intrinsic worth, the very best of all remedies before the public.

Sold whole sale and retail by JOHN BULL, at his principal office, 81 Fourth street, Louisville, Ky., and by the Druggists generally in the city and country.
