MEDICAL.

[illegible] SARSAPARILLA [illegible] IN THE WORLD.

THE extract is put up in quart bottles; [illegible] cheaper [illegible] and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other medicine, is, whilst it eradicates disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES

ever known; it not only purifies the whole system—it strengthens the person, but it creates new pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past five years more than 100,000 cures of severe cases of diseases; at least 15,000 of these were considered incurable. It has saved the lives of more than 5000 children during the two past seasons.

TEN THOUSAND CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

INVIGORATING CORDIAL,

as it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen—Consumption can be cured—Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness of the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side &c., have been and can be cured.

Spitting Blood.

NEW YORK, April 28, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change wrought in me. I am now able to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant.
WM. RUSSELL, 65 Catharine st.

Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.

Blackwell's Island, Sept. 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep, or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject. It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, increases and enriches the food, those who have used it think it indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth, in costiveness, piles, cramps, swelling of the feet, despondency, heartburn, vomiting, pain in the back and loins, false pains, hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great virtue of this medicine is, it is always safe, and the most delicate and most successful, very few cases require any other medicine, in some a little castor oil or magnesia is useful. Exercise in the open air and light food, with this medicine, will always insure a safe and sure confinement.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts to Yellow Dock, etc. They generally put it up in the same shaped bottles, and some of them have stolen and copied our advertisements: they are only worthless imitations, and should be avoided.

TRICKS OF QUACKS.

Let Everybody Read This Carefully.

THERE is a Sarsaparilla for sale in the different towns called Old Dr. Jacob Townsend's Sarsaparilla. It is advertised as the original, &c. This is a notorious falsehood. While we exonerate many of the respectable agents for the sale of this miserable compound, throughout the country, from any participation in the fraud, we feel it our duty to caution the public against the tricks of the manufacturers, who unblushingly put forth to the world such notorious falsehoods.

Dr. Townsend has expended over $300,000 the last eight years in advertising his Sarsaparilla, which has obtained a character and reputation throughout the United States, and a greater part of the world, the sale being enormous.

[illegible] of certain unprincipled [illegible] This man's name is Jacob Townsend. He applied to a number of men to get employment, or to sell the use of his name to put up Dr. Townsend's Sarsaparilla, stating the large sales and sums we had expended in advertising, as an inducement to embark in the business. Among others he applied to Charles Watrous, Esq., editor of the Jamaica Farmer, who scorned such a proposition. Mr. H. G. Andrews, formerly one of the proprietors of McAllister's Ointment, Ralph Post, formerly cashier and financier of the broken shinplaster bank at Bellville, New Jersey, John Skillman and Wm. Thompson under the name of Skillman, Thompson, & Co., have employed this old man, and agreed, as we understand, to pay him seven dollars per week for the use of his name.

Another Trick.

We went to an expense of five hundred dollars to get up a splendid steel engraving for our Label, and had the portrait of Dr. Townsend on it to distinguish it from all others and prevent mistakes. These men are now getting up a label on steel, with a portrait of old Jacob Townsend—let the public decide upon such transactions, and let them remember that none is genuine and original, unless signed with the name of S. P. Townsend. The plate is engraved on steel and contains the portrait of Dr. Townsend, three female figures and a view of our factory. The spurious has no factory or female figures.

Dr. Townsend No Physician.

These men also publish that Dr. Townsend is no Physician. This, like all other statements, is false. Dr. Townsend attended two of the best medical schools in the country, has studied the different theories of medicine, and practised for the last fifteen years, has experimented several years and expended large sums of money in bringing his medicine to perfection.

Among the recommendations of this article is warranted to keep sweet in all climates.

Prepared and sold by S. P. TOWNSEND, M. D., 126 Fulton street, New York. All persons who want the Original and Genuine S. P. Townsend's Sarsaparilla, which has given such universal satisfaction in this city during the last three years, can procure the same of the *Only Agents* for New Orleans.

Day and Boarding School for Young Ladies.

Founded in 1832, by Madame Loiris, and conducted since 1846, by MADAME DESRAYAUX, Burgundy street, between Customhouse and Bienville streets, New Orleans.

MR. and MRS. DESRAYAUX, formerly in Rampart street, having removed their institution upwards of a year ago, to more extensive accommodations, assure parents and guardians of youth, that their new building in Burgundy st has met their expectations, and supplies one great and almost indispensable requisite—viz: ample accommodations, adapted to the object they had in view. It is scarcely necessary to state, that the building which they erected, is supplied with all the modern improvements for the comfort and convenience of domestic life, and for educational purposes. The apartments are spacious, airy, well lighted, and properly furnished. The large and well shaded garden in the rear of the building, purchased for the accommodation of the pupils, is found to be attended with many advantages, as regards health, exercise and amusement—in short; every arrangement has been made, at no small expense, to increase the facilities of education, to guard the health of the pupils, and to procure their comfort and happiness.

The Institution provides thorough and substantial instruction in every stage and department of education. It possesses great facilities for the acquirement of the French language, and for the cultivation of Music; and it is sufficient to say, that no efforts will be wanting to sustain the reputation which the School has already acquired in these departments.

DR. MACAULAY, who has taught in the institution for upwards of five years, and who divides his time equally between it and Mrs. Macaulay's, takes the entire charge of the department of English Literature, including Natural and Moral Philosophy; and teaches not only the outlines, but enough of Mathematics, Chemistry, Geology and Astronomy, as to enable young ladies to understand all the ordinary phenomena which are constantly presenting themselves to their observation.

For further information, the proprietors of the institution respectfully refer parents to their prospectus published in pamphlet form, to be found at the book store and at the Institution. o2-1y

THIS COMPANY is now ready to make insurance on White Persons and Slaves at the established rates of premium. This being the only company incorporated in the State confined exclusively to Life Insurance, with an extra Guarantee Fund, the Directors feel confident that it affords unusual and much greater inducements to those desirous of effecting an insurance on their lives than any other.

It is also upon the Mutual principle, each person assured becoming a member thereof and enjoying a portion of its profits, being entirely exempt from any liability beyond the amount of premium received.

Insurance companies organized upon the mutual principle are generally successful, more especially those exclusively confined to Life, as they are based upon calculations warranted correct by long agency. [illegible] a guarantee fund of 50,000 dollars, not to be used or lessened, as subscriptions to mutual insurance companies always are, by insurance.

This extra guarantee fund of 50,000 dollars remains permanent until the Company has accumulated a similar amount to take its place.

Uniform permits granted, and extensive travelling privileges allowed.

This Company is established on the Mutual principle of Insurance, whereby every person insuring with it becomes interested in its success; and its profits are divided among its customers, payable in cash, instead of scrip.
