MONTGOMERY HALL,
MONTGOMERY, ALABAMA.

THE undersigned would respectfully inform the public that he has made such arrangements that this large, elegant and commodious Establishment, known as the

MONTGOMERY HALL,

will hereafter be under his own immediate superintendance as the sole Proprietor. While he tenders his acknowledgements to those who have formerly favored him with their custom, he would respectfully solicit a continuance of public patronage.

This splendid building is situated in the centre of the town of Montgomery, Alabama. Nhe site upon which it is built, is the most healthy and convenient, to all classes of citizens in the town. The undersigned having served a regular apprenticeship in some of the best Houses in the United States, and long known as the proprietor of like Establishments in Mobile and New Orleans, he is determined to consider no sacrifice, until he renders the Montgomery Hall what has been so long needed in this section of country—a genteel and comfortable HOTEL. He has made such arrangements with the Steam Boats, that he will always be able to procure and furnish his table with all that the Mobile market affords.

In the house are ladies and gentlemen's Setting Rooms, furnished in the best style, where boarders and visitors can pass their hours of leisure without interruption.

His Larder will be constantly provided with all the luxuries of the season, fish, flesh and fowl—and constantly attended with the most experienced Cooks that can be procured in New Orleans.

Attached to the house is a well fitted BAR, stocked with the Wines of the most choice brands, together with the best liquors and cordials that the markets of Mobile and New Orleans can render.

Also attached to the premises, are extensive Stables and Carriage House—where every attention will be bestowed upon horses and vehicles that visitors may bring.

The proprietor, from his long experience in this business, and having made permanent arrangements, with individuals of known capability, to manage the details of the house, and who will always treat guests with politeness and attention—together with his own personal exertions, and his unceasant anxiety to render a residence at his house as agreeable as possible—he trusts he will receive and deserve a liberal share of that patronage his experience will warrant.

CELEBRATED CASTILLON POWDER.

THE widow Cardy of Philadelphia, proprietor of all the receipes of the late doctor Castillon of Cape Français has made our apothecary store a place of deposit for Doctor's Castillon's celebrated anti-scorbutick and restorative powders. This Gentleman was formerly King's Surgeon in St Domingo. We appointed by the proprietor agents for the sale of his receipes in this city.

These specifics have constantly succeeded in all parts of the Island of St. Domingo; they will cure the scurvy of all diseases originated from Scorbutick virus, diarrhoea, dysentery, tenesmus, liertery, slow, intermittent and continual fevers, obstructions of the liver and of the spleen—the diarrhoeas most inveterate, dyssenteries and tenesmus, originating from the measles and the malignant small pox—and those diseases consequent to deliveries and pregnancies.—The powder mixed with milk produces a very pleasant and nutritive pap—destroys all the putrid humors in the stomach and intestines—restores digestion and all secretions by purifying the blood of all scorbutick causes.

The length of the time necessary to get cured varies from 20 to 30 or 40 days, according to the ancientness or malignity of the disease—these specific remedies are to be found constantly at our apothecary shop, where a summary of all the extraordinary cures that were effected by these remedies are published. OPIATA BALSAMICA,
DEL DR. GUERRERO.

THIS OPIATA, a recent discovery, is a certain safe and convenient remedy for that species of disease called Gomorrhea or Gleet. Its reputation has been generally established in South America, and has commanded the written testimonials of the Medical Faculty of that section of the Globe, relative to the speedy and infallible results which have attended its application to all cases of Gomorrhea.

The OPIATA BALSAMICA is put up in small leaden pots, accompanied with directions, and may be conveniently carried in the pocket, both by persons travelling, and by those who may wish to avoid exposure, either to a physician or to their friends.

It is in the form of an agreeable paste, and is taken in such a manner as to render it "tasteless," by being wrapped up in a wafer prepared for that purpose, a sufficient number of which will be delivered with the medicine. But the greatest advantage which it possesses is, that it invariably produces a radical cure of the disease in few days, without affecting the most delicate constitution, owing to its containing the slightest particle of mercury in its composition.

Before the Agent would offer it to the public in this country, he has had its efficacy tested by several of the most respectable physicians in the city of New York. Their success has fully justified the declaration, that it is the best medicine they ever used, and they have in consequence, generously consented to be referred to as to the truth of this statement.

Price—each pot, one dollar and a half. It is sold by the subscribers, chemical druggists, sole agents for the remedy in Louisiana. CUSACH & Co,
