**SUGAR LANDS FOR SALE.**

TWO handsome tracts of land adjoining each other, one 31 arpents, the other 14 arpents on the river, by 40 in depth, situate in the parish of Plaquemine, left bank of the river, distant about one mile from the plantation of Mr. Williams, and 30 miles from town.

The tract of 31 arpents is covered with wood down the river, furnishing good fuel as well as cypress. Of the tract of 14 arpents front, about 100 arpents cleared, and can be worked and cultivated immediately. The two united would form a very handsome Sugar Estate.

The experience of many years shows that the sugar cane succeeds better in this parish than in any other part of Louisiana; that it yields better and is much less subject to frost. The rolling seasons generally prolonged to the last days in January without inconvenience. There are now in this parish 22 Sugar Plantations, some of which have not more than from 20 to 30 work hands, and yet this parish during the present season will produce near eight millions pounds of sugar.

Seven steam boats are built or building for the purpose of towing vessels between the Bayou and New-Orleans, which secures a good passage for the fire wood and insures an important revenue from the cleared land.

The above tracts of land will be sold together or separately as may suit purchasers, and a long credit will be given on proper security.

For further information, as well as for terms and price, apply to Mrs. A. Abat and E. gene at early or to Mr. C. B. Dufau, in New-Orleans, or on the parish of Plaquemine.
