Proclamation.

WHEREAS, in conformity with an Act of the Legislature of the State of Louisiana, approved 14th March, 1836, entitled: "An Act to authorize the Governor of the State to cancel mortgages and accept new securities in certain cases," Louis Favrot, to secure the faithful performance and execution of his duties as Parish Judge of the Parish of West Baton Rouge, did mortgage and hypothecate in favor of the Governor of this State, a certain tract of land on which said Louis Favrot now resides, situated in the Parish of West Baton Rouge, containing two arpents front on the Mississippi River, by forty in depth; said act of mortgage being subscribed for the sum of five thousand dollars, the amount of security which by law said Louis Favrot was called to give, and which act was accepted by Edward D. White, then Governor of the State of Louisiana, as appears by an Act passed at the city of New Orleans, before Theodore Seghers, Notary Public, on the 29th day of August, 1836, and now recorded in the Recorder's office of West Baton Rouge.

And, whereas, said Louis Favrot has applied to me for the cancelling of the above recited mortgage,

Notice is therefore given to all persons interested to show cause, in writing, at the office of the Secretary of State within ninety days from and after the last publication of this notice, why said mortgage should not be cancelled and annulled.

Day and Boarding School for Young Ladies.
Founded in 1830, by Madame Leirie, and conducted since 1840, by MADAME DESRAYAUX, Burgundy street, between Customhouse and Bienville streets, New Orleans.

MR. and MRS. DESRAYAUX, formerly in Rampart street, having removed their institution upwards of a year ago, to more extensive accommodations, sincere parents and guardians of youth, that their new building in Burgundy st. has met their expectations, and supplies one great and almost indispensable requisite—viz. ample accommodations, adapted to the object they had in view. It is scarcely necessary to state, that the building which they erected, is supplied with all the modern improvements for the comfort and convenience of domestic life, and for educational purposes. The apartments are spacious, airy, well lighted and properly furnished. The large and well shaded garden in the rear of the building, purchased for the accommodation of the pupils, is found to be attended with many advantages, as regards health, exercise and amusement—in short, every arrangement has been made, at no small expense, to increase the facilities of education, to guard the health of the pupils, and to procure their comfort and happiness.
The institution provides thorough and substantial instruction in every stage and department of education. It possesses great facilities for the acquirement of the French language, and for the cultivation of Music, and it is sufficient to say, that no efforts will be wanting to sustain the reputation which the School has already acquired in these departments.
DR. MACAULAY, who has taught in the Institution for upwards of five years, and who divides his time equally between it and Mrs Macaulay's, takes the entire charge of the department of English Literature, including Natural and Moral Philosophy; and teaches not only the outlines, but enough of Mathematics, Chemistry, Geology and Astronomy, as to enable young ladies to understand all the ordinary phenomena which are constantly presenting themselves to their observation.
For further information, the proprietors of the Institution respectfully refer parents to their prospectus, published in pamphlet form, to be found at the book store and at the Institution. s25 1y

INSURANCE.

Southern Mutual Life Insurance Company of Louisiana.
Life Insurance Exclusively.
EXTRA GUARANTEE FUND $50,000.
ACCUMULATIVE CAPITAL $500,000
PARENT OFFICE, NO. 43 CAMP ST.,
New Orleans.

THIS COMPANY is now ready to make Insurance on White Persons and Slaves, at the established rates of premium. This being the only company incorporated in the State confined exclusively to Life Insurance, with an extra Guarantee Fund, the Directors feel confident that it affords unusual and much greater inducements to those desirous of effecting an insurance on their lives than any other.
It is also upon the Mutual principle; each person assured becoming a member thereof and enjoying a portion of its profits, being entirely exempt from any liability beyond the amount of premium accrued.
Insurance companies organized upon the mutual principle are generally successful, more especially those exclusively confined to Life, as they are based upon calculations warranted correct by long experience and close scrutiny; but the stability and success of this Company is placed beyond a contingency, by the advantageous arrangement she has made for an undoubted guarantee fund of 50,000 dollars, not to be used or loaned, as subscriptions to mutual insurance companies always are, by insurance.
This extra guarantee fund of 50,000 dollars remains permanent until the Company has accumulated a similar amount to take its place.
☞ California permits granted, and extensive traveling privileges allowed.
