Important to Planters.

We have been informed that the usual practice of planters, in ordering their supplies of our

Dr. McLane's Celebrated Vermifuge,

has been to simply write or order Vermifuge; the consequence is, that instead of the genuine Dr. McLANE'S VERMIFUGE, they very frequently get some other, the many worthless preparations called Vermifuge now before the public. We therefore beg leave to urge upon the planter the importance and propriety of invariably writing the name in full, and to advise their factors or agents that they will not receive any other than the genuine Dr. McLane's Celebrated Vermifuge, prepared by Fleming Bros., Pittsburgh, Pa.

We would also advise the same precaution in ordering any Dr. McLANE'S CELEBRATED LIVER PILLS. The great popularity of these Pills, as a specific or cure for Liver Complaints, and all the Bilious derangements so prevalent in the South, has caused the vendors of many worthless nostrums to claim for their preparations similar medicinal virtues. No one deceived

Dr. McLane's Celebrated Liver Pills

Are the original and only reliable remedy for Liver Complaints that has yet been discovered, and we urge the planter and merchant, as he values his and the health of those depending on him, to be careful in ordering. Take neither Vermifuge nor Liver Pills unless you are sure you are getting the genuine Dr. McLANE'S, prepared by

FLEMING BROS.
