MAYORALTY OF NEW ORLEANS.
Council of the First Municipality.
Sitting of Friday, July 15th, 1836.

Whereas, several white and colored persons have been and are in the constant habit of bathing in the canal Carondelet and the bayou St John, contrary to all decency; and whereas, general and very just complaints are daily made to the authorities of the 1st municipality against such practices, and that in consequence thereof, the citizens are deprived of a pleasant and agreeable ride or walk, by the fear of having exposed to the eyes of their families, such indecency and immorality;

Be it resolved, That from and after the promulgation of the present ordinance, it shall be forbidden to all and every person or persons, white or colored, free or slave, to bathe in any part of the 1st municipality during the day time, whether in the river Mississippi, the basin or canal Carondelet, the bayou St John, or any other of the bayous or canals in said municipality, within sight of the public road: under the penalty for the first offence of five dollars, for a free person, and if a slave, of ten lashes, should his master not pay the fine. The said penalty to be doubled for the second offence, one half the fine to the informer or informers, on conviction before the Recorder of this municipality or any other competent tribunal. That the Mayor be authorized, if he deem it necessary to enforce the preceding resolution, by stationing guards at different points; and that he instruct the commissaries of police to assist in bringing all delinquents before the recorder, or any other competent tribunal, under the penalty of being dismissed from office.

MAYORALTY OF NEW ORLEANS.
1st Municipality.
Sitting of Friday, July 29th, 1836.

Whereas, the research for titles of property by the surveyor, in order to determine the quota of paving due by the proprietors, involves great delay in the collection thereof, which becomes of great necessity: resolved, that the surveyor be authorized to make the admeasurement of the paving already done, and to fix the quota due by each proprietor, as correctly as possible; and whenever the titles shall not be presented upon his request, he shall enquire into the names of the proprietors, and fix their quota by approximation.

Resolved, That in proportion as the tableau of admeasurement shall have been prepared, for each ward of the 1st municipality, it shall remain deposited in the office of the comptroller of the general sinking fund: and notice shall be given in the official gazette of the 1st municipality, that objections to said tableau, if any there be, shall be received at said office, within ten days after said advertisement.

[Signed] PAUL BERTUS, Recorder.
Approved, August 1st, 1836.

MAYORALTY OF NEW ORLEANS.
Council of the First Municipality.
Sitting of Friday 29th of July 1836.

Secr. 1st. Resolved that the mayor be authorized to receive proposals for the repairing and keeping in good repair all the paved streets and side walks of the first municipality, during the space of 1 year, under the following rules and conditions, viz:

1st. The contractor or contractors shall repave and keep in constant good repair all the streets, intersections of streets and side walks of the 1st municipality under the superintendance of the civil engineer.

2d. The said contractor or contractors shall also make and keep in repair the cross nga at the intersections of the streets, the same to be made with flat stones laid be or they shall also lay down crossings of the same materials at the middle of each square, under the superintendance as aforesaid.

3d. That the said contractor or contractors shall constantly repair to all parts of the 1st municipality, to repave and macadamize, and to repair all damages and inequalities in the paved streets, intersections of streets, crossings and side walks where and whenever he or they shall be directed by the civil engineer, under the penalty of $5 for the 1st day, and $10 per day for each and every day thereafter that he shall neglect or refuse to perform the said duty, to be recovered as customary.

4th. That the 1st municipality shall furnish all the materials necessary, the old materials to be deposited by the contractor or contractors in such place or places as the civil engineer may point out for the use of the 1st municipality.

5th. That the said contractor or contractors shall furnish security in the sum of $4000 for the due performance of their contract.

6th. That he or they shall be paid monthly on producing the certificate of the civil engineer of the fulfilment of his or their duty, and the Treasurer of the 1st municipality is hereby authorised to pay him or them accordingly.

Secr. 2. And be it further resolved that the mayor shall cause to be published the above conditions in the Bee in French and English, in the usual form for the space of ten days, and he be authorised to receive said proposals until the 1st August next when such proposals to be made and received shall be submitted to the council for their approval at the sitting next after said date.

Secr. 3. Be it further resolved that the mayor be and he is hereby authorised to contract for the repairing with wood of the public road from the Bayou Sarah, between the Levee, St Philip and Dauphine streets and the triangular strip of ground fronting Levee street and that the mayor, after having received proposals and an estimate of said paving and come to an understanding with the paving committee, be likewise authorised to have said paving executed; the payment of the aforesaid paving shall be made out of the funds of the treasury not otherwise appropriated.

Secr. 4. Be it further resolved that none of the dispositions contained in the preceding section shall be put in execution before the mayor shall have previously consulted with the medical committee concerning the probable influence of this work on the public salubrity.

Secr. 5th. Be it further resolved that hereafter the expenses for paving shall be paid by the proprietors subject to said tax, within the 6 months following the completion of the paving, either in cash, or in notes endorsed to the satisfaction of the mayor, at 6, 12 and 18 months credit, bearing an interest of 6 per cent per annum.

FIFTEEN DOLLS REWARD.—Ranaway from the residence of Joseph Domingue, suburb Marigny, on the 3d instant, the mulatto named JOHN BROWN, about 4 feet 10 inches high; wears large whiskers, small face, he has a scar on the right side of his forehead; he limps a little of the right leg. The above reward will be given to whoever brings him back to his master or lodges him in jail. JOSEPH DOMINGUE.
aug 6 Suburb Marigny.

TEN DOLLARS REWARD—Ranaway on the 27th ultimo, (July) the American negress JUDY, aged about 24 years, about 5 feet 6 inches high, stout made, walks erect, and when spoken to answers in a very strong voice, with a downcast look—speaks English and French. The above reward will be paid on her delivery at No 131, St Peter street, corner of Dauphine, or to any jail of this State. aug 3

Detained—In the jail of the Parish of Jefferson, the negro man JIM, who says he belongs to Mr. Nichols of New Orleans; as said slave has been sentenced on the 27th instant to remain in said jail until claimed by his master, in paying all charges against him—his master is hereby required to call for him as soon as possible.
JACQUES CHARBONNET, Jr. Sheriff.
Parish of Jefferson, July 27th, 1836. [july 30]

25 DOLLARS REWARD.
RANAWAY, on the 13th July inst. black boy CHARLES, or Charlot, about 22 years old, 5 feet high, thick set, laughing countenance, very talkative, speaks French and English, and formerly belonged to Mr. A. Bosque and worked at his brick-yard, opposite side of the river. He is well known in the city as a laborer on the Levee. He is probably lurking about the faubourg Marigny or on the opposite side of the river. The above reward will be paid for his lodgement in the calaboose or delivery at No. 16, New Levee. july 27—6 in

Ranaway, from her mistress on the 6th instant, the negro wench Mary,—her skin is of a copper colour, aged about 23 years, 5 feet or 5 inches high. She had on when she left, a yellow figured frock. It is supposed she means to escape on board of a Steam Boat. She was last seen on the levee, carrying a bundle of cloths. A liberal reward will be given if delivered to her mistress, No. 145, corner of St Ann and Burgundy. july 9

$30 Reward will be given for the apprehension and delivery in any jail so that I get possession, of two negro fellows who ranaway from the subscriber about the 15th of February last, or $60 for the confinement of either of them. The said negroes, NED & DOCTOR, left the subscriber's plantation living about 12 miles s. e. of Demopolis, Marengo county, Ala., and made their way to Mobile, where Doctor was committed to jail, and was brought back home, but absconded again in a few days, and I presume will aim to get back to Mobile, if indeed he has not already reached there. My impression is that he will try to make his escape to New Orleans. The other fellow, Ned, I have never heard of since he reached Mobile, about the 6th or 8th of February, and I am fearful that he has already found his way to New Orleans. Ned is a young fellow, about 22 years of age, about 6 feet 8 inches high, neither very stout nor very slim, rather of a yellow complexion, and somewhat of a down cast look, and has a bushy head of hair. The said negro was purchased by me of Mr. Henry S. Sanghorne, of Lynchburg, Va., about Christmas last, and I recollect no particular marks or scars about him. The other is a noted fellow, about 25 or 26 years of age, about 5 feet high, a short thick neck, his right eye, I think, has a kind of film over it, and on his left cheek he has an ugly scar, caused by scrofula, besides several on his neck, which were made by seatons. He has a remarkably flat nose, and very small eyes. The above reward will be given for the safe confinement of said negroes, and information by which I will be enabled to get them. THOS H. DICKINSON.
