CONSUMPTION.

RUSHTON, CLARK & CO'S CELEBRATED GENUINE MEDICINAL COD LIVER OIL.

THIS valuable remedy, introduced by us to the notice of the Medical Profession but little more than two years since, has, during that short period, advanced more rapidly in the public estimation than any remedy yet discovered for this dread destroyer of the human race. It has been used with the most signal and gratifying success, even in cases considered hopeless, and in the late reports of the New York and Pennsylvania Hospitals on the disease it is spoken of as being more valuable than any remedy yet discovered for Consumption and Pulmonary Affections, and it has the great advantage over all other remedies that instead of reducing, it increases the strength and flesh of the patient, thus enabling Nature to co-operate with the remedy, and overcome the disease.

Owing to the purity and superior quality of the Oil of our manufacture having given it a popularity over all others, several persons have copied the shape and style of our bottle in order to palm off inferior quality and adulterated Oil; and as the article, unless pure, is much more unpalatable, we request particular attention to our signature, which is over the cork of each bottle, without which it is not genuine. Be particular and enquire for Rushton, Clark & Co's Cod Liver Oil, and see that the Signature is over the cork.

For sale by N Jarvis & Co, J Wright & Co, Wickles & Co, Randolph & Pope and by Druggists generally, where pamphlets may be had gratis, giving the history and use of the oil. o26 3m

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the *greatest curative agent in the known world!*

THIS MEDICINE, WHEN USED ACCORDING TO DIRECTIONS

Will Cure Without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposures or Imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system, and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, thus Ohio,) speaks of Bull's Sarsaparilla:

IT HAS NO EQUAL!—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months ONLY, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood IT HAS NO EQUAL! This is a bold assertion, but it can be substantiated by calling on the agent in this city.

Bear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!

And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1848.

Mr. JOHN BULL—Dear Sir: I have been for a number of years afflicted with a Mercurial Head ache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully, J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism read the following, and see what may also be done for them, if they will use the infallible remedy:

Mr. JOHN BULL—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.

I have been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for rheumatism. ISHAM BRIGGS, Uniontown, Union Co., Ky., May 12, 1848.

From Dr. Wm. T. Prentiss.

Mr. BULL—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capetis, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.

Respectfully yours, W. T. PRENTISS, M. D.
Lewisport, Ky., Dec 4, 1847.

It is perhaps needless to produce any further testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let all who are laboring under chronic diseases general derangement, nervous debility, weaknesses, the effects of mercury, or any thing of the kind, give it a fair trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse and over wrought, when the face is pale and colorless, the strength feeble and yielding the spirit troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It assists nature in the performance of her duty, braces the whole system, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this medicine, we would see far less suffering, disease and unhappiness among them than now exists. Health would take the place of disease, the rosy cheek would succeed the pallid face, we should have smiles instead of tears, and perhaps a happy long life instead of one cut short by disease or made miserable from continued suffering and affliction. At the critical period termed the "Turn of Life," which is often attended with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this crisis should be apprised of this fact, and avail themselves of this valuable medicine.

A BEAUTIFUL CLEAR SKIN.

What Dr. Pyles, Physician to and Superintendent of the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D., Resident Physician, Louisville Marine Hospital.

From the People's Journal, Quincy, Ill.

BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in time gone by two bottles of S. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit for its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—any, those that are grievously tormented. Certificates are coming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.

Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth street, Louisville, Ky., and by the Druggists generally in the city and country.

[illegible] Council [illegible] the amount of [illegible] submit to your honorable body [illegible] or statements and in accordance with standing resolution, notice is hereby given that thirty days after the first publication of the following budget, the Council will proceed to fix and determine on the amount of taxes to be levied on the assessment roll of 1852.

No. 1 presents the probable receipts and expenditures from 1st January up to 31st December, 1852.

No. 2 exhibits the estimates of Surveyor's Department.

No. 3 shows the assets and liabilities of Municipality No. 1.

No. 4 exhibits the amount of taxable property within Municipality No. 1.

In relation to Document No. 1, your Committee begs leave to call your attention to this fact, that there is an estimated excess of expenditures over receipts of $162,795 72 cents to meet which, a tax of 2 3-18 p. c. should be required, but your Committee having every reason to believe that a considerable portion of the floating debt can be funded under the resolution of this Council, passed on the 28th day of April, 1851, authorized by the law of 1847, are of opinion, that a tax of 1½ p. c. shall be sufficient to meet the above mentioned excess, and current expenditures of this Municipality during the year 1852.

Your Committee will observe that the tax now proposed, is not as high as the one imposed last year, although it appears so far, the Council imposed a tax of 1½ p. c. for the year 1851, ½ to be collected by the Municipality, and one to be collected by the Board of Liquidators, which Board never collected the same, and is declared unconstitutional, by the Third District Court, and that the tax of 1½ p. c. now proposed is estimated to cover both the expenditures of the current year, and the portion of interest of the old city debt now to be assumed by this Municipality.

Your Committee therefore, recommend the adoption of the following resolution:

Resolved, That a tax of one and one-half per cent be, and is hereby levied on all capital, real estate and slaves within the limits of this Municipality, according to the assessment roll made for the year 1851.

(Signed) PAUL PECQUET, Ch'n. H. L. PEIRA, T. N. BLAKE.

GOURAUD'S ITALIAN MEDICATED SOAP.

LANGUAGE is powerless to set forth one tithe of its wonderful properties, but the high need of public approbation has so decidedly and unchangeably stamped the superiority of this remarkable Soap, that to doubt its efficacy in the eradication of tan, freckles, sunburn, sallowness, pimples, ringworm, obstinate old sores, salt rheum, worms in the skin, and other cutaneous disfigurements, is to imply a doubt of the existence of truth itself. It is, besides, the very best shaving Compound ever used.

Equally famous is Gouraud's Poudre Subtile, for eradicating superfluous hair from any part of the body.

Gouraud's Hair Restorative, or Circassian Gloss, is a beautiful preparation for the hair, preventing its falling out, increasing its growth, and making wiry, harsh hair, soft, silky and and glossy. Trial bottles, 25 cents each.

Gouraud's Liquid Hair Dye will instantly change red or gray hair to a beautiful brown or black.

Gouraud's Liquid Rouge is a superb article for giving a rose stain to pale lips and cheeks, defying detection by rubbing.

Gouraud's Lily White is an unrivaled production for rough, flushed, sluggish complexions.

Dr. Felix Gouraud's preparations can only be had genuine at his sole agent, G. FAROUE, Fancy Goods Store, 26 St. Charles st., under the Verandah
