SIXTEENTH LEGISLATURE—SECOND SESSION.

JOURNAL OF THE SENATE.

MONDAY, February 19th, 1844.

The Senate met agreeably to adjournment.

Members present—Messrs. Felix Garcia, President; Bernard, Carter, Downs, Dupré, Lacoste, Lafourcade, Labure, Lewinder, Marshall, Morse, Sparrow, Thibodeaux and Walker.

On motion of Mr Walker, the President being absent, Mr Carter was called to the chair.

Mr Marshall, of the Committee of Enrolment, reported the bill from the House entitled: An act to grant to Julien Mandeville Urquhart, his heirs and assigns, the exclusive privilege of establishing toll gates on the road passing through the prairie from New Orleans to the English Turn, as correctly enrolled.

The President came in and took his seat.

The President signed the above mentioned enrolled bill, and the Secretary informed the House thereof.

Mr Morse obtained leave to introduce, without having given previous notice thereof, a bill entitled:

An act in relation to the navigation of the bayous Terre, Courtableau and Fusilier;

Said bill was read for the first time;

On motion, the rules were dispensed with, its second reading was commenced; it was amended, and on motion, pending its discussion, the said bill was laid on the table till to-morrow.

Mr Morse also obtained leave to introduce, without having given previous notice thereof, a bill entitled:

An act providing for the voluntary liquidation of the Union Bank of Louisiana;

Said bill was read for the first time;

On motion, the rules were dispensed with, said bill was read for the second time by the title, and was, on motion, referred to a special committee of three members.

The President appointed Messrs. Morse, Downs and Marshall of said committee.

Mr Leblanc, the Governor's Private Secretary, delivered a message in writing from the Governor.

Mr Landry, Clerk of the House, requested the concurrence of the Senate to

A Resolution relative to establishing a Navy yard at Pensacola, and

Resolution instructing our Senators and Representatives to obtain an appropriation from the general Government to remove the obstructions to the navigation of Bayou Lafourche.

He also requested the signature of the President of the Senate to the following enrolled bills of the house, entitled:

An act to organize the Courts of the 10th Judicial District;

An act granting to H M Coffee the privilege of keeping a ferry across the Mississippi river, and for other purposes; and,

And act for the relief of D Orcutt and E Clermont.

Mr Landry further informed the Senate, that the Speaker of the House had signed the enrolled Bill and Resolution of the Senate, entitled:

An act in relation to insane persons; and,

Resolution granting leave of absence to Hon. A G Hodgson, Parish Judge of the parish of St Landry; and the House they respectively began, until the time for bidding the Court next in order, shall arrive.

Sec. 3d—*Be it further enacted, &c.*, That such and all process of whatsoever nature or kind, issued by or from any of the said District Courts of said Parishes, in said tenth Judicial District, which said process is or may be made returnable on the day or days fixed by existing laws, for the sessions of said Courts respectively shall be considered as returnable on the days fixed by the first section of this act, for the holding of said several Courts.

(Signed) C. DERBIGNY
Speaker of the House of Representatives.
(signed) FELIX GARCIA
President of the Senate

Approved February 24th, 1844.
(Signed) A MOUTON,
Governor of the State of Louisiana.

ST. VINCENT'S COLLEGE,
LOUISIANA.
THIS College, incorporated by the Legislature of the State of Missouri, in 1843, with all powers and privileges granted to Colleges and Universities in the United States, is located in one of the most eligible sites on the river Mississippi forty miles above the mouth of the river Ohio, and commands a beautiful view on either side of the Mississippi for miles. The College is the College, and a country house has also been provided, a mile and a half from the town, where the pupils may spend their days of recreation.
The plan of education is designed to prepare young men for a professional or commercial state of life.
Though this institution is directed by Catholic clergymen, young persons of all denominations, however,
