MEDICAL.

AYER'S CHERRY PECTORAL,

For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Of all the numerous medicines extant, (and some of them valuable) for the cure of pulmonary complaints, nothing has ever been found which could compare in its effects with this preparation. Others cure sometimes, but at all times and in all diseases of the lungs and throat where medicine can give relief, this will do it. It is pleasant to take, and perfectly safe in accordance with the directions. We do not advertise for the information of those who have tried it, but those who have not. Families that have known its value will not be without it, and by its timely use, they are secure from the dangerous consequences of Coughs and Colds which neglected, ripen into fatal consumption.

The Diploma of the Massachusetts Institute was awarded to this preparation by the Board of Judges in September, 1847; also, the Medals of the three great Institutes of Art, in this country; also the Diploma of the Ohio Institute at Cincinnati, has been given to the CHERRY PECTORAL, by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.

Read the following opinion founded on the long experience of the eminent Physician of the Port and City of ST. JOHNS, May 8, 1851.

Dr. J. C. Ayer—Five years trial of your CHERRY PECTORAL in my practice, has proved what I foresaw from its composition, must be true, that it eradicates and cures the colds and coughs to which we, in this section, are peculiarly liable.

I think its equal has not yet been discovered, nor do I know how a better remedy can be made for the distempers of the Throat and Lungs.

J. J. BURTON, M. D., F. R. S.

See what it has done on a wasted constitution, not only in the following cases, but a thousand more:

SUDBURY, Jan. 24th, 1851.

Dr Ayer: In the month of July last I was attacked by a violent diarrhoea in the mines of California. I returned to San Francisco in hope of receiving benefit from a change of climate and diet. My diarrhoea ceased, but was followed by a severe cough—and much soreness. I finally started for home, but received no benefit from the voyage. My cough continued to grow worse, and when I arrived in New York, I was at once marked by my acquaintances as a victim of consumption. I must confess that I saw no sufficient reason to doubt what my friends all believed. At this time I commenced taking your truly invaluable medicine with little expectation of deriving any benefit from its use. You would not receive these lines did I not regard it my duty to state to the afflicted, through you, that my health, in the space of eight months, is fully restored. I attribute it to the use of your CHERRY PECTORAL.

Yours truly, WILLIAM W. SMITH.

WASHINGTON, Pa., April 12, 1848.

Dear Sir: Feeling that I have been spared from a premature grave, through your instrumentality by the providence of God, I will take the liberty to express to you my gratitude.

A Cough and the alarming symptoms of Consumption had reduced me too low to leave me anything like hope, when my physician brought me a bottle of your "Pectoral." It seemed to afford immediate relief, and now in a few weeks time has restored me to sound health.

If it will do for others what it has for me, you are certainly one of the benefactors of mankind.

Sincerely wishing you every blessing, I am Very respectfully yours, JOHN J. CLARKE, Rector of St. Peter's Church.

With such assurance and from such men, no stronger proof can be adduced unless it be from its effects upon trial.

Prepared and sold by JAMES C. AYER, Practical Chemist, Lowell, Mass.
