AYA PANA BITTERS.
MANUFACTURED BY J. CHAUVET.

THESE BITTERS, which are confessedly superior to any bitters prepared, constitute an admirable beverage when taken moderately, before or after meals. It purifies the alimentary canal, and [illegible] digestion.

These BITTERS are composed exclusively of the extracts of aromatic plants, and possess the most incontestable medical qualities. Their tonic and stimulating properties render them particularly useful in cases of debility of the stomach, [illegible] women, and in warm climates, produce [illegible] nausea, and a general and frequent [illegible] of indisposition. They are likewise a febrifuge, and are proved by experience to neutralize the [illegible] of miasma on the system.

We might publish a host of certificates to substantiate our assertions, but this method is so commonly employed by charlatans that we deem it more advisable to refer to the numerous persons who daily make use of the AYA PANA BITTERS.

Under the Supervision of Madame ED. LOCQUET,
No. 166 CAMP STREET,
Between Julia and St. Joseph streets.

THIS establishment, founded by Dr. and Mrs. Locquet, whose high reputation has never been questioned, will commence its nineteenth session on the 15th of September.

Mme. ED. LOCQUET assisted by her sister, Mme. FRANCOIS LOCQUET, with whom she has associated herself, will use her best endeavors to continue to merit the confidence reposed, for so many years, in her predecessors.

Professors of the highest talent are employed in all the branches, both useful and ornamental. Piano, Music, and the study of the Guitar, will be taught exclusively by the Misses Locquet, whose reputation as professors of music has been well appreciated by the numerous families who have favored them with their confidence.

The French language, the native tongue of these ladies, and the acquirement of which is now indispensable to a good education, is taught with the utmost care, and is spoken in the Institution. Young ladies will therefore find in their constant intercourse with these teachers every facility possible for perfecting themselves in this language.

This establishment is commodious and well ventilated, and has recently been entirely renovated, with the utmost regard to the comfort and health of the pupils.

Mme. Locquet respectfully invites parents and families to call and visit her school, where prospectuses, with every other information which may be desired, can be obtained.
