AYER'S [illegible]

[illegible] FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

TO CURE A COLD WITH HEADACHE AND SORENESS OF THE BODY, take the CHERRY PECTORAL on going to bed, and wrap up warm, to sweat during the night.

FOR A COLD AND COUGH, take it morning, noon, and evening, according to directions on the bottle, and the difficulty will soon be removed. None will long suffer from this trouble when they find it can be so readily cured. Persons afflicted with a seated cough, which breaks them of their rest at night, will find, by taking the CHERRY PECTORAL on going to bed, they may be sure of sound, unbroken sleep, and consequently refreshing rest. Great relief from suffering, and an ultimate cure, is afforded to thousands who are thus afflicted, by this invaluable remedy.

From its agreeable effect in these cases, many find themselves unwilling to forego its use when the necessity for it has ceased.

From two eminent Physicians in FAYETTEVILLE, TENN., April 16th, 1851.

SIR:—We have given your CHERRY PECTORAL an extensive trial in our practice, and find it to surpass every other remedy we have for curing affections of the respiratory organs.

DRS. DIEMER & HAMPTON.

TO SINGERS AND PUBLIC SPEAKERS this remedy is invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few hours, and wonderfully increases the power and flexibility of the voice.

ASTHMA is generally much relieved, and often wholly cured by CHERRY PECTORAL. But there are some cases so obstinate as to yield entirely to no medicine. CHERRY PECTORAL will cure them, if they can be cured.

BRONCHITIS, or irritation of the throat and upper portion of the lungs, may be cured by taking CHERRY PECTORAL in small and frequent doses. The uncomfortable oppression is soon relieved.

Rev. Dr. LANSING of Brooklyn, New York, states:

"I have seen the CHERRY PECTORAL cure such cases of Asthma and Bronchitis as leads me to believe it can rarely fail to cure those diseases."

FOR CROUP. Give an emetic of antimony, to be followed by large and frequent doses of the CHERRY PECTORAL, until it subdues the disease. If taken in season, it will not fail to cure.

WHOOPING COUGH may be broken up and soon cured, by the use of CHERRY PECTORAL.

The INFLUENZA is speedily removed by this remedy. Numerous instances have been noticed where whole families were protected from any serious consequences, while their neighbors, without the CHERRY PECTORAL, were suffering from the disease.

SALEM, Ohio, 11th June, 1851.

Doctor J. C. Ayer:—I write to inform you of the truly remarkable effects of your CHERRY PECTORAL in this place, and in my own family. One of my daughters was completely cured in three days of a dreadful WHOOPING COUGH, by taking it. Dr. Means, one of our very best physicians, freely states that he considers it the best remedy we have for pulmonary diseases, and that he has cured more cases of CROUP with it than any other medicine he ever administered.

Our clergyman of the Baptist Church says, that during the run of INFLUENZA here this season, he has seen cures from your medicine, he could scarcely have believed without seeing.

Yours respectfully, J. D. SINCLAIR, Deputy Postmaster.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College.

I have found the CHERRY PECTORAL, as its ingredients show, a powerful remedy for colds, and coughs, and pulmonary diseases. PARKER CLEVELAND, M. D.
Brunswick, Maine, Feb. 5, 1847.

DR. VALENTINE MOTT,

The widely celebrated Professor of Surgery in the Medical College, New York City, says:

"It gives me pleasure to certify the value and efficacy of AYER'S CHERRY PECTORAL, which I consider peculiarly adapted to cure diseases of the Throat and Lungs."

Cures of severe diseases upon the Lungs have been effected by Cherry Pectoral in such extreme cases as warrant the belief that a remedy has at length been found that can be depended on to cure the Coughs, Colds and Consumption which carry from our midst thousands every year. It is indeed a medicine to which the afflicted can look with confidence for relief, and they should not fail to avail themselves of it.

STABLER'S ANODYNE CHERRY EXPECTORANT

IS confidently recommended to invalids, as unsurpassed by any known preparation, for the cure of COUGHS, HOARSENESS, and other forms of Common Colds, BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an Early Stage, and for the RELIEF of the Patient even in Advanced Stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its soothing and tonic qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases.

STABLER'S DIARRHOEA CORDIAL

Is a pleasant Mixture, compounded in agreement with the rules of Pharmacy, of therapeutic agents, long known and celebrated for their peculiar efficacy in Curing DIARRHOEA, and similar affections of the system. In its action, it allays Nausea and produces a healthy condition of the LIVER, thus removing the cause at the same time that it cures the disease.

The valuable Medicines above named have recently been introduced, with the approval of a number of the Medical Profession in the City of Baltimore and elsewhere, and in practice have succeeded most admirably in curing the diseases for which they are prescribed.—They are offered to the Country Practitioner, as medicines which he can in all respects depend upon, as prepared in agreement with the experience of some of the most learned and judicious Physicians, and strictly in conformity with the rules of Pharmacy, and as especially serving his convenience, who cannot so readily as the City Physician have his own prescriptions compounded by a practical Pharmaceutist.

See the descriptive Pamphlets, to be had gratis of all who have the Medicines for sale, containing recommendations from Doctors Martin, Balcnell, Addison, Payne, Handy, Love, &c.

Doct. S. B. Martin says, "I do not hesitate to recommend your Diarrhoea Cordial and Anodyne Cherry Expectorant," &c.

Doct. John Addison says, "It gives me much pleasure to add my testimony to that of others, in favor of the extraordinary efficacy of your Diarrhoea Cordial," &c.; and of the Expectorant, "I have no hesitation in recommending it as a most valuable medicine," &c.

Doct. R. A. Payne says he has used the Diarrhoea Cordial in his practice "with the happiest effect, and thinks it one of the most convenient and efficient combinations ever offered to our profession."

Doct. L. D. Handy writes, "I have administered your Anodyne Expectorant, in several cases of Bronchial affection, with the most happy results, and from a knowledge of its admirable effects, I can with the greatest confidence recommend it," &c.

Doct. W. S. Love writes to us that he has administered the Expectorant to his wife, who has had the Bronchitis for fourteen years, and that she is fast recovering from her long standing malady. It has in a few weeks done her more good than all the remedies she has heretofore used under able medical counsel.

SEVERAL of the best Apothecaries and Pharmaceutists in the city of Baltimore write, "We are satisfied the preparations known as Stabler's Anodyne Cherry Expectorant and Stabler's Diarrhoea Cordial are medicines of great value and very efficient for the relief and cure of the diseases for which they are recommended; they bear the evidence of skill and care in their preparation and style of putting up, and we take pleasure in recommending them."

TWENTY SEVEN of the most respectable Merchants residents of Maryland, Virginia and North Carolina, who have sold and also used these medicines themselves, say, "From our own experience and that of our customers, we confidently recommend them Pro Bono Publico. We have never known any remedies used for the diseases for which they are prescribed, to be so efficient and to give such entire satisfaction [illegible]."

The above notices of recommendation from members of the Medical Faculty, Pharmaceutists of high standing, and Merchants of the best respectability, should be sufficient to satisfy all, that these medicines are worthy of trial by the afflicted, and that they are of a different stamp and class from the "Quackery" and "Cure Alls" so much imposed upon the public.

DAY AND BOARDING SCHOOL FOR YOUNG LADIES. Under the Direction of MADAM CHARPAUX,

At the corner of Bayou and Claiborne streets

THIS SEMINARY, whose existence dates some six years back, has met with a success that proves beyond all cavil, the capacity of those who have charge of it.

Determined to merit the confidence of parents, Madam Charpaux will spare no pains to render her Seminary equal to the best institutions of the kind in New Orleans, and in order to do this, she has employed the ablest teachers.

Madam Charpaux has purchased a large and airy edifice on one of the highest pieces of ground in the city, and the better to consult the health of the pupils she has had spacious and elevated apartments built on purpose for school and sleeping rooms, through which there will be a constant circulation of air from many windows.

Great attention will be paid to the improvement of Scholars in the English language. For that purpose, American ladies of acknowledged capacity, as teachers, will constantly reside in the Seminary.
