In the Geo Stevens for Liverpool—Mr and Mrs Hare and 4 children, Capt Wood, Lt Von Fishlirr.
In the Swanton for Havre—212 steerage.

SANDS' SARSAPARILLA.

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD, OR HABIT OF THE SYSTEM.

THE functions of Circulation, nutrition and excretion are manifested when life is induced, as in the plant, to its simplest condition; and these most, thereforc, be the primary objects of attention. Between the separation by which these necessary physical processes are carried on, there is a reciprocal action, and if one portion of the animal machine is out of order, the harmony of the whole system is deranged. The great desideratum in medicine, therefore, is a preparation which shall act with equal certainty and force upon each of the three distinct functions—which shall, as the case may require, regulate healthy and vigor to the circulation, give tone to the stomach, or remove obstructions from the bowels. It is universally averred that

SANDS' SARSAPARILLA

possesses this three-fold power, and that by thus acting on the primary causes of disease it eradicates thoroughly and permanently its various painful and dangerous manifestations. From a simple eruption of the skin, to hereditary scrofula, and from the pain in the joint and inflammatory rheumatism, it will be found equally efficacious.

The following certificate is respectable, and in most remarkable instances, the great merit of the Sarsaparilla is a severe case of scrofulous affection.

NEW YORK, July 4th, 1845.

MESSRS. A. B. & D. SANDS:

Gentlemen,—It is impossible for me to describe the value and benefit your Sarsaparilla has been to me. I have been afflicted with virulent ulcers upon my legs, for the last seven years, especially in the summer season.—At first they appeared in small bunches on various parts of my body, and then increased in size, attended with acute pain, until they would at last break and discharge large quantities of matter, forming ulcers, which took a small holes down to the very bone. My sufferings were intense. I consulted the most eminent physicians in this city with but little benefit. During the winter I would get some better, but when spring came they returned as bad as ever, and I felt convinced in my own mind that it would be impossible for me to live another summer after so much as I did the last, but the Lord has spared me from one year to another until at last heard of your Sarsaparilla. For about four months previous to my using your Sarsaparilla, I could not sleep, but a little while at a time, either day or night, and at times it seemed as though I should die with pain and for the want of sleep. I attended the return of my ulcers, but now I am happy to say I am almost free from them, and I do not think I should die with the Sarsaparilla, and before I had quite taken the bottle, I awoke one night, and feeling no pain, I thought I was dying, and resolved to make the most of my time if I had any strength. Finding no difficulty in doing so, I lay still for a short time, I found that I felt much better and I continued to improve until there is now not a pain about me, while before it seemed as if my joints would part with the pain. My appetite and strength increased and I was soon able to attend to my domestic duties; and now my ulcers are all healed, and my general health and strength is fully restored, all of which I ascribe to the use of your Sarsaparilla. Your obliged friend,

SARAH ELLISON.

The following letter, received from Capt. Garrow, a gentleman well known and of the highest respectability, residing at Mobile, shows conclusively the value and efficacy of Sand's Sarsaparilla in cases of chronic rheumatism:

MOBILE, (Ala.) July 24, 1844.

MESSRS. SANDS—Gents:—I was afflicted for more than ten years with rheumatism, and it is with pleasure I avail myself of this opportunity to express to you the satisfaction your Sarsaparilla had on me. In January, 1842, I purchased of your agents, Messrs. Mosley & Tucker, five bottles, which I took agreeably to the printed directions, which entirely removed the complaint, and I have now every reason to believe my health is permanently recovered.

Yours, very respectfully, S. H. GARROW.

For further particulars and conclusive evidence of the superior value and efficacy, see pamphlets, which may be obtained of agents gratis.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Wholesale Druggists, 79 Fulton street, New York. Sold also by Hickie & co, 24 Magazine and 40 Canal street; A. Oliver & co, and L. J. Duffilo, Jr. Mosley & Tucker, Mobile, and by druggists generally throughout the United States. Price, $1 per bottle; 6 bottles for $5.

☞ The public are respectfully requested to remember that it is Sands' Sarsaparilla that has and is constantly achieving such remarkable cures of the most difficult class of diseases to which the human frame is subject; therefore ask for Sands' Sarsaparilla, and take no other. 10—1m
