REMOVAL. DOCTOR RENO, has the honor of informing his colleagues and the inhabitants of New-Orleans and Louisiana, that he has removed his establishment of Sulphurous Baths from the corner of St. Charles Street No. 123 to Burgundy Street No. 156, at the corner of Burgundy in the house lately occupied by Dr. Formoso.

It is generally known, how much benefit is obtained by sulphurous bath in catarrhus diseases, rheumatic complaints, psoriasis and other serious complaints, it is therefore to quote here the numerous instances of immediate cure and permanent relief, the application of that remedy.

Mr. Renou has a view himself of his removal, in constructing a new apparatus, and making his establishment free from any kind of reproach that could have been made to the former one.

The room for the reception of white people is totally separate from the one fixed for negroes.

His new lodgings afford him the means of receiving a certain number of sick persons wishing to board at his house.

He has provided a spacious hospital, and his house being situated in a retired part of the town less crowded with houses than others, makes the situation perfectly wholesome.

For treatment of negroes per day, 1 dollar. Doctor Renou will however take with the persons who will apply, all possible arrangements.

During the last year of his practice in Paris, Doctor Renou has been intimate with the celebrated Dr. Ducas inventor of the most efficient method of curing ischuria (retention of urine,) and he had especially addicted himself to the treatment of that disease; he has now in his possession a complete collection of all the instruments necessary for the cure. He may ensure to those persons afflicted with the above complaint, who apply to him, a prompt and safe cure from his method of treatment. dec. 24
