Red River Raft.

[illegible] under former advertisements for proposals having failed to give the bond with sureties as required, proposals for the work are again invited as follows:

Proposals will be received until the 30th day of next September, for the removal of obstructions to the navigation of Red river, [illegible]

Each bidder will propose to complete said raft (thoroughly) and to keep the navigation free from obstruction thereby for a specified period; specifying in his bid one time in which he proposes to complete the removal of the raft, the said time not to be later than the 1st day of June, 1855; and also the number of years, counting from said removal, during which time he binds himself to keep the said navigation free from raft obstruction. The contractor will be required to give his bond for $30,000, with two good sureties, each for the sum of $15,000, conditioned for the faithful execution of the contract. Each bidder will transmit, with the [illegible] and a declaration signed by them that they will sign his bond as sureties as above mentioned; and also the certificate of a district judge of the United States for the State in which he resides, that said securities are responsible citizens, and that he considers them worth $10,000 over and above all their debts and liabilities. No bid will be examined unless these conditions shall be complied with.

TERMS OF PAYMENT.

Of the sum of $100,000 appropriated for the above object, $50,000 shall be paid as the work of removing the raft advances, as follows:—to wit: Whenever the contractor shall report that a portion of the raft has been removed, the same shall be inspected by an officer appointed by the War Department; and if it shall appear that such is the fact, the Department shall pay such a proportion of the said sum of $50,000 as the portion removed shall bear to the entire raft, provided no partial payment shall be made for less than one-tenth part of the whole work. The remaining $50,000 will be paid in equal annual instalments corresponding in number with the number of years during which the contractor shall bind himself to keep the navigation open, of which fact the Department is to be the sole judge.

Each bid must be for the whole work—that is, for the removal of the raft, and for keeping the river open for a specified period. No separate proposals for portions of it will be considered.

The proposals will be addressed to the undersigned, marked on the envelope, "Proposals for removing Red River Raft."

The War Department reserves to itself the right of awarding the contract according to its own judgment of the most favorable bid and the most responsible bidder.

MEDICAL.

SANDS' SARSAPARILLA,
In Quart Bottles,

For Purifying the Blood, and for the Cure of *Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c.*

IN this preparation we have all the restorative properties of the root, concentrated in their utmost strength and efficacy; but while Sarsaparilla Root forms an important part of its combination, it is, at the same time, compounded with other vegetable remedies of great power, and it is in the peculiar combination and scientific manner of its preparation, that its remarkable success in the cure of disease depends. It acts simultaneously upon the stomach, the circulation and the bowels; and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time, through the instrumentality of this one remedial agent, which gently stimulates while it disinfects and expels from the stomach and bowels all that is irritating, and at the same time restores their vigor and tone. Its great merit is, that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear; and we have only to point to the accumulated testimony of multitudes who have experienced its effects to convince incredulity itself of its real value.

Important Testimony.

OXFORD, N. C., June 9th, 1852.

Messrs. A. B. & D. Sands: Gentlemen,—We have been agents for the sale of your Sarsaparilla for the last fifteen years, and have sold large quantities of it during the time to hundreds of different persons, who have always been pleased with it, and expressed themselves perfectly satisfied as to its effect in curing the various diseases for which it was used. If more proof were necessary to satisfy those who still disbelieve, we could obtain almost any number of certificates in this country and vicinity; but the best proof is, that we sell it to the same families who have used it for the last ten years.

Yours respectfully, R. J. MITCHELL & CO.
