DYEING AND SCOURING IN GENERAL.

NOTICE—Messrs MONDELET & Co., have the honor to inform the public, that on the 1st June next, they will open, at No 146 Chartres street, opposite the Orleans Hotel, a DYEING AND SCOURING Establishment.

The knowledge they have acquired of this art, by many years labor in the first houses in Paris, and by a diligent study of chemistry applied to dying, induce them to hope that no hesitation will be felt in entrusting to them the most valuable articles either for dying or scouring, convinced as they are that such articles will be as carefully and properly attended to as at Paris. Those who may honor them with their confidence will be convinced of their skill, by the care and elegance of their work, and by the finish imparted to it.

They dye and scour all kinds of articles, such as silk, merinos, mousseline laines, cashmeres, crapes, tulle, velvet plain or figured, straw hats, furniture covers, carpets, church ornaments, ball and theatrical costumes silk and thread gloves, silk stockings; they clean silk dresses without changing the colors. By new chemical processes they bleach muslins, jaconets and print dresses, giving them the appearance of new materials. They clean and dye kid gloves, all kinds of feathers, gentlemen's clothing without injuring them, and giving them all the neatness of new articles. They dye clothing black for mourning in twenty-four hours, and warrant the durability of the colors.—They likewise re-dye black stuffs, giving them various colors.

Terms moderate. m21—6m

BATHS, BATHS.

FIRST MUNICIPALITY STEAM FERRY FLOATING BATHS!

THE public is informed that this establishment will be opened for the season on Sunday, May 19th, 1844, on the other side of the river, within a few yards of the landing of the Ferry of the First Municipality. The accommodations offered to the bathing community are such as have never been equalled by any similar establishment in this city.

The dimensions of the bathing room, or basin, are: 140 feet in length by 40 feet in breadth, with a depth of water of from 3 to 12 feet; 120 feet of this basin is of a sufficient depth for almost any number of swimmers—each bather will be furnished with a separate dressing room, &c. &c.

There are two spacious promenade decks extending over the whole bath, covered in with awnings, which will afford an agreeable resort to the bathers and public at large, they being supplied with a Bar and all kinds of refreshments.—It is scarcely necessary to observe that the site chosen for the Ferry Baths, secures the double advantage of a rapid current of water, unsoiled by any contact with the impurities of the city and of the shipping.

The Steam Ferry boats will run from day light until 9 o'clock at night, and as long after as there are bathers, making a trip every ten minutes during the day.

Tickets will be sold at the Bathing Establishment for the sum of 15cts—so as the ferry over and back with the bath will cost but 25cts. Boy's tickets 10 cts. The promenade decks are open to the public free of charge.

Union Bank of Louisiana, New Orleans, 17th February, 1844.

THE following resolution was adopted by the Board of Directors of this institution, viz:

Resolved, That the Cashier give notice that the Union Bank of Louisiana will, from this day, discontinue receiving deposites, and that all depositors be requested to withdraw their funds from this institution; also that all foreign institutions or individuals for which this Bank may have had collection accounts, be notified forthwith that the Union Bank will decline any further business of that nature, and as soon as it is practicable to transfer them to some other institution.

By order of the Board.

OFFICE WESTERN MARINE & FIRE INS. CO.
New Orleans, December 27, 1843.

IT having been determined to close the business of this Company on the Mutual Insurance Principle, to commence on the first day of next month, (January 1st, 1844.) All persons holding open policies, are respectfully requested to make returns of all the property which has been at risk, prior to that day, and those indebted are earnestly requested to make immediate payment.

d27 L MATTHEWS, President

FORMERLY THE BELLANGER INSTITUTION, DIRECTED BY L. SIRET.

No. 120 Barracks street, on a spacious and airy piece of ground.

MR. LOUIS SIRET, for the last three months Director of this institution, deems it now proper to make known the plan of studies he has adopted in his Seminary.

He is disposed to preserve, as far as practicable, a juste milieu between the hot house system of instruction which, by its ephemeral results, too frequently evinced in a loss rather than an economy of time, and the mode adopted in Europe which are sometimes too rigidly absolute and carried out without due regard to the diversity of vocations and capacities.

In the course of studies already begun or about to be begun—a course which each family may pursue just as far as it may suit them, pupils will find, as well in English as in French, lessons graduated upon all subjects pertaining to a primary or secondary course of Elementary instruction:

Grammar; Mathematics;
Geography; Greek and Latin;
History; Literature, &c.

In the space of six or seven years, the entire circle of studies may be requisite to ensure the degree of Bachelor of Arts, which constitutes the natural and necessary term of a thorough education. Mr. Louis Siret hopes that he may thus be enabled, in some degree, to diminish the exile of a number of young men destined for the study of medicine and law, by preparing them in advance, according to the programme published by the University of France, for the examinations which must precede their admission to the superior schools.

TERMS:

Elementary Studies, 1 year	$6
Primary do 2 do	8
Secondary do 2 do	10
