MEDICAL.

HIGHLY IMPORTANT DISCOVERY!
Infallible Preservative against
YELLOW FEVER.
Prophilatic Vaccination.

WM. HUMBOLT, Medical Doctor and Surgeon of the Universities of Vienna, Berlin, Heidelberg, Montpellier and City of Mexico, Member of various scientific societies of Europe and America, offers his important discovery to the unacclimated, and begs to remind them that they are actually threatened by that terrible malady.

An arduous and profound study of this disease in different parts of America, and especially in Vera Cruz suggested to me the idea of an attempt toward the discovery of a preservative. Under the impression of this idea I have made numerous experiments, during seven years, on more than two thousand persons; and I have found at last the means of preventing this terrible disease.

It has been unanimously agreed by learned Doctors, that yellow fever is an endemic sickness occasioned during a certain season of the year, by the best combined with the putrefaction of vegetable and animal substances, whose miasms cause on all unacclimated persons a poisoning that manifests itself by the characteristic symptoms of yellow fever, i. e. that such a disease is the effect of miasmatical intoxication, which produces a peculiar alteration in the blood, and that hence follows a state of organism, susceptible of receiving with impunity the miasms, a pathologic-phisiologic operation similar to that of the contagious virus of the small pox whose preservative was discovered by Dr. Jenner.

I have found a matter or substance, which, introduced into the circulation by some endermic method (as used in vaccination) and followed by the antiseptic syrup of my prescription, for the period of nine days, brings the organism to such a state, that the producing miasms of that disease must be excreted without causing any toxical effects.

This vaccination (to adopt the term), being made with a very simple substance, will occasion no pain whatever, or cause any notable alteration. It will permit all persons to follow their usual occupations, and only requires abstinence from irritating food and liquids during the nine days prescribed for the antiseptic syrup. After the lapse of said time, the vaccinated will be free from the risk of being attacked by yellow fever.

Persons wishing to make use of this Prophilactic Remedy or feeling inclined to obtain some further information on the subject, will please call on me from 10 to 12 A. M. at the Drug Store of Espinola & Co., Conde street, Nos. 52 & 54, between St. Philip and Dumaine streets, and from 1 to 6 P. M. at my lodging, Cincinnati Hotel, Chartres street, corner of St. Louis.

New Orleans, Aug. 18, 1854.
Dr. HUMBOLDT.

N.B.—Persons desiring to be vaccinated at their lodgings will please send their address to the Drug Store of Espinola & Co. aug 21—30t

COPAL PECTORAL SYRUP.

PRICE, $1 PER BOTTLE. | PRICE, $1 PER BOTTLE.

L. GAMOTIS,

New Orleans, corner Bayou and Rampart sts.

THIS Syrup which is the particular study of its author, and in the preparation whereof he devoted all his time, is an indigenous Balm.

Repeated experiments have already demonstrated that its medicinal powers are inferior to none of the compounds of this kind heretofore known and recommended with success in the affections of the lungs. It eases cough, expels readily asthmatic oppression, relieves suppression of respiration, produced by the strangulation of the bronchial vessels in case of acute or chronic catarrhs. Colds which have resisted the action of numerous remedies, have yielded in its application. It is most beneficial in cases of hooping cough, retarding and preventing the fits of cough. It has the advantage of being pleasant to the taste, and it can be given to children without fear of danger, while a [illegible] use of this Syrup is absolutely useful to the agreeable.

The dose for grown persons must not exceed 4 large spoonfuls in 24 hours, and for children 3 to 4 teaspoonfuls in 24 hours. For children under 18 months, one half tea spoon full is sufficient 3 or 4 times a day. It may be taken without mixture or in an infusion of pectoral flowers. mr27

MR. ACHILLE BROUSSARD, druggist, informs the public that he has lately bought Mr. Rouquette's drug store, on Chartres street, No. 85, between Conti and Bienville, and will do his endeavor to deserve the confidence so justly extended to his predecessor.

He also announces to his customers that the management of his drug store where he will reside, will in no way be affected by his recent purchase. Prescriptions will be attended to at any hour of the day or night. aug 10

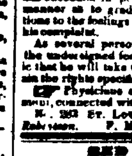
STEAM AND SULPHUREOUS BATHS.
Both of Vapor and Fumigations.



Since many are compelled to resort to Vapor Baths and aromatic Fumigations for the cure of cutaneous affections, rheumatism, palsies, neuralgias, chronic catarrhs, paralysis, scrofulous complaints, engorgement of the glands, etc., it is highly important that a convenient and appropriate apparatus should be used for the application of these special remedies.

The undersigned, after twenty years' experience, has succeeded in perfecting his apparatus in such a manner as to graduate the strength of the fumigations to the feelings of the patient and the gravity of his complaint.

As several persons are now selling rice powder, the undersigned feels it his duty to inform the public that he will take the necessary measures to maintain the rights specified in the patent.

Physicians are invited to visit the establishment, connected with the Manufactory of Perfumery, No. 282 St. Louis street, between Villere and Robertson. F. MAURBERRY. m22 3m

Few short Extracts from Letters, Testimonials, &c.

"I have used Jacob's Cordial in my family, and have found it most efficient, and in my judgment, a valuable remedy." Hon. HIRAM WARNER, Judge of Supreme Court, Ga.

"I gives me pleasure in being able to recommend Jacob's Cordial—my own personal experience, and the experience of my neighbors and friends around me, is a sufficient guarantee for me to believe it to be all that it purports to be, viz.: a Sovereign Remedy." WM. H. UNDERWOOD, Formerly Judge of Superior Court, Cherokee Circ't.

"I take great pleasure in recommending this invaluable medicine to all afflicted with bowel diseases, for which I believe it to be a sovereign remedy—decidedly superior to anything else ever tried by me." A. A. GAULDING, Deputy G. M. of the Grand Lodge of Georgia.

I have used 'Jacob's Cordial' in my family, and this, with all I hear about it as a remedy by those who have tried it, induces me to believe that it stands at the head of every preparation of the kind, and I would recommend its use in the diseases for which it is compounded." MILES G. DOBBINS, Cashier of the Bank of the State of Georgia, Griffin.

"If there is any credibility in human testimony 'Jacob's Cordial' must stand pre-eminent above all other preparations for the cure of Bowel Diseases. From the mass of testimony in its favor coming in from all quarters, it must be very far in advance, as a curative agent, of most if not all other 'patent' preparations." A. FLEMING, Cashier Marine and Fire Insurance Bank, Griffin.

"This efficient remedy is travelling into celebrity as fast as Bonaparte pushed his columns into Russia, and gaining commendation wherever used."—*Georgia Jeffersonian, May 19th, 1853.*

CHERRY PECTORAL,
For the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Among the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following:—and refer further enquiry to my American Almanac, which the agent below named, will always be pleased to furnish free, wherein are full particulars, and indisputable proof of these statements.

Rock Hill, (Somerset Co.) N. J., July 21, 1852.

Dr. J. C. AYER—Since your medicine has become known here, it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they could say of it, is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving to my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me Yours, with respect, JOHN C. WHITLOCK.

P. S.—Almost any number of certificates can be sent you, if you wish it.

Windsor, C. W., June 26, 1852.

J. C. AYER—Sir: This may certify that I have used your CHERRY PECTORAL for upwards of one year and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours, very respectfully,
D. A. McCULLIN, Attorney at Law.

Wilkesbarre, Pa., September 28, 1850.

PURE VEGETABLE EXTRACT
DR. MORSE'S
INVIGORATING CORDIAL.
A PHENOMENON IN MEDICINE!
—BY—
Health Restored and Life Lengthened
Dr. Morse's Invigorating Elixir or Cordial.

AT FIRST the properties attributed to Professor Morse's Invigorating Elixir or Cordial were deemed fabulous. The public were slow to believe what the discoverer claimed for it; but facts, undeniable facts, attested by witnesses of the highest class and character, are now triumphing over all doubts. Incredulity is overthrown by a mass of testimony which is perfectly irresistible.

The Elixir remedies, in all cases, the deplorable evils arising from a misuse or abuse of the various organs, which make up the wonderful machine called man. It restores to full vigor every delicate function connected with that mysterious compound agency of matter and mind, necessary to the reproduction of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will all find immediate and permanent relief from the use of this incomparable renovator. To those who have predisposition to paralysis, it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even those despair. The Elixir deals with disease as it exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION.

The derangement of the system, leading to nervous diseases, and the forms of nervous disease itself, are so numerous, that it would require a column to enumerate the maladies for which this preparation is a specific. A few, however, may be enumerated, viz:—neuralgia, tic doloreaux, headache, incipient paralysis, hysteria, palpitation of the heart, spinal affections, muscular debility, tremors, flatulency, a pricking sensation in the flesh, numbness, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep and terrifying dreams, inability to remain in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes, beyond the reach of medicine.

Whenever the organs to be acted upon are free from malformation or stricture diseases, it is averred that

MORSE'S
INVIGORATING ELIXIR

will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard or reaction, but with a happy effect on the general organization. Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralization of the nerve of motion and sensation is physical death. Bear in mind, also, that for every kind of nervous disease the Elixir Cordial is the only reliable preparation known.

CURE OF NERVOUS DISEASES.

No language can convey an adequate idea of the immediate, and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system, whether broken down by excess, weak by nature, or impaired by sickness—the unstrung and relaxed organization is at once braced, re-visited and built up. The mental and physical symptoms of nervous disease vanish together under its influence. Nor is the effect temporary, on the contrary the relief is permanent—for the Cordial properties of the medicine reach the constitution itself, and restore it to its normal condition.

LOSS OF MEMORY.

Confusion, giddiness, rush of blood to the head, melancholy, debility, histeria, wretchedness, thoughts of self-destruction, fear of insanity, dyspepsia, general prostration, irritability, nervousness, inability to sleep, diseases incident to females, decay of the propagating functions, hysteria, monomania, vague terrors, palpitation of the heart, impotency, constipation, &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.

A GREAT MEDICINE FOR FEMALES.

The unparalleled effects of this great restorative, in all complaints incident to females, mark a new era in the annals of medicine. Thousands of stimulants have been invented—thousands of invigorants concocted—all purporting to be specific in the various diseases and derangements, to which the delicate formation of woman render her liable.

EVERY WOMAN OF SENSE

who suffers from weakness, derangement, nervousness, tremors, pains in the back, or any other disorder, whether peculiar to her sex, or common to both sexes, to give the Invigorating Cordial a trial.

MARRIED PERSONS

or others, will find this Cordial, after they have used a bottle or two, a thorough regenerator of the system. In all directions are to be found the happy parents of healthy offspring, who would not have been so but for this extraordinary preparation. And it is equally potent for the many diseases for which it is recommended. Thousands of young men have been restored by using it, and not in a single instance has it failed to benefit them.

PERSONS OF PALE COMPLEXION,

or consumptive habits, are restored by the use of a bottle or two to bloom and vigor, changing the skin from a pale, yellow, sickly color, to a beautiful florid complexion.

TO THE MISGUIDED.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of the sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

Mentally, the fearful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self-distrust, love of solitude, timidity, &c., are some of the evils produced. All thus afflicted

BEFORE CONTEMPLATING MARRIAGE

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness, indeed, without them, the journey through life becomes a weary pilgrimage—the prospect hourly darkens the view; the mind becomes shadowed with despair, and filled with melancholy reflection that the happiness of another becomes blighted with your own.

CAUTION.

Dr. Morse's Invigorating Cordial has been counterfeited by some unprincipled persons.

In future all the genuine Cordial will have the proprietor's fac-simile pasted over the cork of each bottle, and the following words blown in the glass:

The Cordial is put up, highly concentrated, in pint bottles—price $3 per bottle, two for $5, six for $12. C. H. RING, Proprietor, 192 Broadway, New York.

BLADON SPRINGS, ALABAMA.

THE Proprietors of these delightful Mineral Springs, situated in a healthy region of Pine-woods, four miles west of the Tombigbee river, and sixty miles north of Mobile, now beg to call the attention of those leaving this city for health or pleasure during the warm season, and to state that they have completed the additional improvements and accommodations contemplated, and are now prepared to receive visitors in a style of superior comfort. They pledge themselves that nothing shall be wanting on their part to make a summer residence at these Springs the most agreeable.

They beg to state the test of these waters duly analysed by Professor Bramby, of the Alabama University, and found to contain—

IN A WINE PINT—

Carbonic Acid Gas	4.075 cubic in
Sulphuretted Hydrogen (trace)	
Chloride of Sodium	0.9623
Carbonate of Soda	6.1112
do of Lime	0.3437
do of Magnesia	0.1706
Oxide of Iron	0.0500
Sulphate of Lime	0.0019
Silica of Alumina	0.2631
Crenic Acid	0.0912
Apocrenic Acid	0.0750
Loss	0.0460

"Hence, says Professor Bramby, this mineral water is very similar in composition to some of the best Springs of Europe, such as "Seltzer," "Ems," "Pougues" and "Aix-La-Chapelle;" it must therefore in many diseases have effects similarly [illegible] which this opinion is confirmed by the extraordinary cures effected during the last season, by the use of those invaluable waters.

Carriages and horses are in attendance at all times to convey passengers to and from the river, and for the use of visitors during their stay.
CONNOR & WOOTEN, Proprietors.

N. B. The Proprietors beg to append the following recommendations of these waters that the public may judge for themselves of their value.

We, the undersigned, from personal experience with the use of the waters known as the "Bladon Springs," Alabama, cheerfully unite in giving our favorable testimony to the great value of the [illegible] waters therein contained, and the beneficial effects resulting from the use of said waters, especially in Chronic inflammation of the digestive organs, in cases of the liver and other chronic disease [illegible] and in certain forms of disease of the urinary organs; and in neuralgia dependent on rheumatic affections.

SUNDRIES.

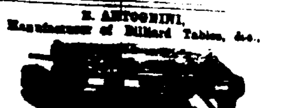
B. ANTOGNINI,
Manufacturer of Billiard Tables, &c.,



No. 12 and 14 Conti Street, Between Chartres and Levee Streets,

BEGS leave to inform amateurs and proprietors of Billiards, that he is now ready to furnish them with Billiard Tables of a new kind, and superior to all those which have heretofore been in use, whether manufactured in France or the North or West of the United States.

The repairs which he is every day called upon to make to Billiard Tables coming from those countries have enabled him to ascertain the kind of construction which is best suited to resist the temperature of damp climates.

The table and bands of a Billiard being generally the parts which are most liable to deterioration, particular attention has been paid to the construction of these parts.

Every Billiard built by him has a Mahogany table, combined with Oak, Cherry and Hickory, thus warranting them from warping in any direction.

The bands are made of Patent India Rubber, invented by him, and far superior to the French rubber chosen and used in different manufactories; these India Rubber bands have always been used by him since 1842, with general satisfaction.

Gentlemen may satisfy themselves by visiting his establishment, where they will always find mounted Billiard Tables, ready for playing, and they will be convinced that the balls do not jump.

EVERY BILLIARD TABLE BOUGHT FROM HIM IS WARRANTED FOR A NUMBER OF YEARS LIMITED BY THE PURCHASER.

He has constantly on hand a great variety of New and Second-Hand Billiard Tables.

Also—BALLS and Pins, for Ten pin Alleys, and plate Loto Sets, &c. &c. Also—

EIGHT LEG BILLIARDS.

Persons unable to come to New Orleans, and who may desire to procure any of the above named articles, have only to communicate their orders to B. ANTOGNINI, who will execute them satisfactorily.

B. Antognini has also the honor to inform his friends and the public in general, that in consequence of an arrangement with one of the largest manufacturers of Billiard Cloth, he has on hand a large quantity of cloth for Billiard Tables, which he is prepared to sell at an exceedingly low price.

The extension of his house, and the relations which he has established, and continues to maintain with the best manufactories of France and the U. States, enable him to sell all articles in his line at prices below the current rates. mr12
