REMOVAL.
SULPHUROUS BATHS.
DOCTOR RENO, has the honor of informing his colleagues and the inhabitants of New-Orleans and of Louisiana, that he has removed his establishment of Sulphurous Baths from St. Ann Street, No. 123 to Barraks Street No. 156, at the corner of Burgundy in the house lately occupied by Dr. Formento. It is generally known, how much benefit is obtained by sulphurous bath in cutaneous diseases, rheumatic complaints, psoriasis and other serious complaints, it is needless to quote here the numerous instances of immediate cure and relief afforded by the application of that remedy. Mr. Renou has availed himself of his removal in consequence of not receiving any kind of reproach that could have been made to the former one. The room for the reception of white people is totally separate from the one fixed for negroes. His new lodgings afford him the means of receiving certain number of sick persons wishing to board at his house. He has provided a spacious hospital, and his house being situated in a retired part of the town less crowded with houses than others, makes the situation perfectly wholesome.
Prices for 12 Baths, \$ 16

For treatment of negroes per day, 1
Doctor Renou will however take with the persons who will apply to him all possible arrangements.

During the last year of his practice in Paris, Doctor Renou has been intimate with the celebrated Dr. Ducaup inventor of the most efficient method of curing ischuria (retention of urine,) and he had especially addicted himself to the treatment of that disease; he has now in his possession a complete collection of all the instruments necessary thereto. He may ensure to those persons affected with the above complaint, who will apply to him, a prompt and safe cure from his method of treatment.
