DYEING AND SCOURING IN GENERAL. NOTICE—Messrs MONDELET & Co., have the honor to inform the public, that on the 1st June next, they will open, at No 140 Chartres street, opposite the Orleans Hotel, A DYEING AND SCOURING Establishment.

The knowledge they have acquired of this art, by many years labor in the first houses in Paris, and by a diligent study of chemistry applied to dying, induce them to hope that no hesitation will be felt in entrusting to them the most valuable articles either for dying or scouring, convinced as they are that such articles will be as carefully and properly attended to as at Paris. Those who may honor them with their confidence will be convinced of their skill, by the care and elegance of their work, and by the finish imparted to it.

They dye and scour all kinds of articles, such as silk, merinos, mousseline laines, cashmeres, crapes, tulles, velvet plain or figured, straw hats, furniture covers, carpets, church ornaments, ball and theatrical costumes, silk and thread gloves, silk stockings; they clean silk dresses without changing the colors. By new chemical processes they bleach muslins, jaconets and print dresses, giving them the appearance of new materials. They clean and dye kid gloves, all kinds of feathers, gentlemen's clothing without injuring them, and giving them all the neatness of new articles. They dye clothing black for mourning in twenty-four hours, and warrant the durability of the colors.—They likewise re-dye black stuffs, giving them various colors.

Terms moderate.

MANDEVILLE COLLEGE. THE attention of Parents and Guardians is respectfully solicited to this Institution, lately established in the town of Mandeville, on Lake Pontchartrain.

MANDEVILLE is situated in the Parish of St Tammany, within 2 hours ride from New Orleans. Free from all epidemic diseases; bordered by a Lake which waft over the place an uninterrupted breeze, and which will carry the people as a salutary bath, far from the bustle of a large city and its concomitant pernicious effects; provided with those elegantly constructed edifices, 500 feet in length, and surrounded by delightful gardens and orchards—it combines all the requisites for the promotion of that physical development and bodily health, without which the best talent would lie dormant, and become a burden to its possessor.—With us the physical education of young men has hitherto been too much neglected. It is the object of this Institution to combine physical and intellectual education. Such being the plan of the College, it is believed, that the State of Louisiana does not offer a more suitable spot for its location than Mandeville.

The instructing Body of the College is composed as follows—

LEWIS ELKIN, (late Principal of the Orleans High School and formerly of Jefferson College,) Principal and Professor of Mathematics

Dr. DUNCAN MACAULY, Professor of Latin, Greek and English.

J. C. POIRIER, (late from Lyons and Juilly Colleges,) Professor of Latin, Greek and French.

FELIX PERRIN, (late from Paris,) Professor of French and History.

FRANCIS GONZALES, Professor of Spanish.

H. W. HEGELUND, Professor of Vocal and Instrumental Music.

ZENON GORA, Teacher of Drawing.

The Boarding Establishment is under the charge of Mrs MACAULEY.

The Clothes room is under the charge of Mrs. POIRIER.

F. COQUILLON is the Steward of the College.

A. BAUDOUIN, Esq, 234 Bourbon street, is the Agent of the College. All desired information may be obtained from him.

BATHS, BATHS.

FIRST MUNICIPALITY STEAM FERRY FLOATING BATHS!

THE public is informed that this establishment will be opened for the season on Sunday, May 19th, 1844, on the other side of the river, within a few yards of the landing of the Ferry of the First Municipality. The accommodations offered to the bathing community are such as have never been equalled by any similar establishment in this city.

The dimensions of the bathing room, or basin, are: 140 feet in length by 40 feet in breadth, with a depth of water of from 2 to 12 feet; 120 feet of this basin is of a sufficient depth for almost any number of swimmers—each bather will be furnished with a separate dressing room, &c &c.

There are two spacious promenade decks extending over the whole bath, covered in with awning, which will afford an agreeable resort to the bathers and public at large, they being supplied with a Bar and all kinds of refreshments—It is scarcely necessary to observe that the site chosen for the Ferry Baths, secures the double advantage of a rapid current of water, so little by any contact with the impurities of the city and of the shipping.

The Steam Ferry boats will run from day light until 9 o'clock at night, and as long after as there are bather, making a trip every ten minutes during the day.

Tickets will be sold at the Bathing Establishment for the sum of 15cts—so as the ferry over and back with the bath will cost but 25cts. Boys' tickets 10 cts. The promenade decks are open to the public free of charge.

EXECUTIVE OFFICE, New Orleans, April 3rd, 1844. NOTICE IS HEREBY GIVEN, that in conformity to an act entitled: "An act to provide for the better administration of the Louisiana Penitentiary," approved March 25th, 1844, proposals will be received for three months from this date, at this office, for the lease of the Penitentiary for the term of five years. The terms and conditions prescribed by said act, on which the lease may be made, are as follows:—

1st—Approved security in the sum of twenty five thousand dollars for the faithful performance of the contract.

2nd—Lessee to conduct the Penitentiary at his own expense, and to make no change in the present treatment of the prisoners, not authorized by law.

3d—The labor of the convicts to be chiefly confined to cotton and woolen manufactures, negro shoes, and cotton bagging and bale rope; no business or mechanical work to be pursued for profit, which may come in competition with the mechanics of Baton Rouge.

4th—Lessee to bind himself to put up, without delay, the necessary machinery for the making of bagging and rope; to complete the present preparations for the manufactory of cotton and woolen goods, for which purpose the Governor is authorized to loan him fifteen thousand dollars, to be repaid at the end of the lease, the lessee paying on the amount, semi-annually, interest at the rate of six per centum per annum.

5th—All manufactured articles and materials on hand to be received by the lessee at an appraised value; for the amount of which he is to give his bond payable at the end of the contract, bearing six per centum, to be paid semi-annually; and when the contract shall be renewed, the State to be bound to receive in like manner all similar articles as may then be on hand, all machinery, tools to be appraised and receipted for,—the lessee binding himself to return the same in like condition, or others of equal value, at the expiration of his term.

6th—The profits of the Penitentiary, for the first two years of the lease, to be for the exclusive benefit of the lessee; what may be made during the remaining period of his term, to be divided between him and the State, in such proportions as may be stipulated for in the contract.

7th—That for any violation of his contract, the Governor may, with the consent of the Directors, put an end to the lease, or suspend the lessee.

Persons disposed to propose for the lease, are invited to do so as early as possible, as the interest of the State, as well as that of the State, will be promoted by the contract being closed at an early date, which may become absolutely necessary under the provisions of the law. A MOUTON, Governor of the State of Louisiana.

N. B.—The Editors of the Globe, at Washington city, and of the Louisville Advertiser, will please publish this notice during three months, if not otherwise directed, and forward their accounts to the Governor for payment.
