Extensive [illegible] French, German [illegible] Looking Glasses.

Ornamental Frames, Paper Hanging, Red Top Chimney Fronts, &c., sold at the store of the undersigned, Royal street, No. 165, between Conti and St. Louis.

[illegible] of improved gilt French, capable of resisting the dampness and climate of this country, all styles, square, oval, Pompadour, Louis XV, Renaissance, &c., manufactured under [illegible] by the most competent artists.

Every article from his store will be guarantied and also the Ornaments by his process which he particularly recommends to the public. A few explanations will suffice to do away with certain reports to the effect that wood is better adapted to ornaments than his composition.

Frame ornaments for looking glasses are defective in this respect, that the threads of the wood, in detached portions, cannot resist the slightest shock. This is incontrovertible.

The ornaments, according to my process, are supported by iron threads and can bear not only dampness, but whatever shock and never yield.

Besides the finest assortment of French Looking Glasses in store, the undersigned has just unpacked the freshest and choicest assortment of Paper Hanging, received from Havre, comprising bed tops, chimney fronts, &c., offered at the lowest market prices, and selected by a competent artist, whose services have been secured.

The patronage of upholsterers and furniture dealers is respectfully solicited. They will constantly find in his establishment toilet Looking Glasses, Armoirs, Washstands, &c., which will be disposed of cheaper than in any other store.

New and ornamented Looking Glasses bargained for old ones, provided they are French Glasses.

Expected by the next arrivals from Havre—an immense assortment of beand, hand, traveling and psyché Mirrors, toilet Looking Glasses, &c., for sale below market prices.

MEDICAL.

SANDS' SARSAPARILLA, IN QUART BOTTLES.

For Purifying the Blood, and for the cure of Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c.

IN this preparation all the restorative properties of the root are concentrated in their utmost strength and efficacy; but while Sarsaparilla Root forms an important part of its combination, it is, at the same time, compounded with other vegetable remedies of great power, and it is in the peculiar combination and scientific manner of its preparation that its remarkable success in the cure of disease depends. It acts simultaneously upon the stomach, the circulation and the bowels; and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time, through the instrumentality of this one remedial agent, which purifies and renovates while it disinfects and expels from the stomach and bowels all that is irritating, and at the same time restores their vigor and tone. Many other preparations imitate it in bearing the name of Sarsaparilla, and in that their resemblance ends, being often prepared from worthless and inert roots, and of course possess no healing or curative properties, and patients in making choice of which they will use should take no other, but that one entitled to their confidence, from the long list of cures it has effected on living witnesses, whose testimonials and residence have been published, and who are still bearing daily testimony to its worth.

Astonishing Cure.

Paterson, New York, 20th, 1851.

Messrs. A. B. & D. SANDS: Gentlemen—Having witnessed the most beneficial effects from the use of your Sarsaparilla, it gives me pleasure to send you the following statement in regard to my son. In the spring of 1848, he took a severe cold, and after eight weeks of severe suffering the disease settled in his left leg and foot, which soon swelled to the utmost. The swelling was lanced by his physician, and discharged most profusely; after that no less than eleven ulcers formed on the leg and foot at one time. We had five different physicians, but none relieved him much; and the last winter he was considered and low that he was unable to leave his bed, suffering the most excruciating pain. During this time the bone had become so much affected that piece after piece came out, of which he has now more than twenty-five preserved in a bottle, varying from one-half to one and a half inches in length.—We had given up all hopes of his recovery, but at this time we were induced to try your Sarsaparilla, and with its use his health and appetite began immediately to improve, and so rapid was the change that less than a dozen bottles effected a perfect cure.

With gratitude, I remain truly yours,
DARIUS BALLARD.

We the undersigned, neighbors of Mr. Ballard, cheerfully subscribe to the facts of the above statement:

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton st., corner of William, New York. DR. GEOGHEGAN'S HYDROPIPER,
THE GREAT CURE FOR

Liver Complaint, Billious Disorder, Chills and Fever, Costiveness, Indigestion, Dyspepsia.

AND ALL DISEASES OF THE STOMACH, LIVER AND BOWELS.

Also, Scrofula and all Impurities of the Blood.

THIS is a grand assistant of Digestion, and a perfect substitute for Mercury in Liver Complaint, and for Purgative Pills in Costiveness. It also cures Chills and Fever, especially where Quinine has been used and failed.

It is a fine Stimulant and Tonic for torpid and debilitated constitutions.

Though pleasant to the taste, mild and harmless in its action, its power is equal to the most potent drug.

Have you Scrofula?

Then read the annexed postscript of a letter from a highly respectable lawyer of New Madrid, Mo.:

"P. S. You wish to know the success of your Hydropiper. Mr. Presly Phillips informs me that he had a negro who was literally covered with sores, and states that he used Geoghegan's Hydropiper and placed the negro on light diet, and in six weeks he was sound and well. Yours respectfully
F. W. ARMSTRONG."

Further Testimony of the Beneficial Effects of Dr. Geoghegan's Hydropiper.

DR. A. E. GEOGHEGAN—My wife was afflicted with Scrofula for a long time, and had been attended by all the best physicians in the country; but without any good effect. She had been unable to walk for more than a year, and part of the time was totally helpless, when I procured some of your Hydropiper. She is now entirely restored to health and can walk about as well as ever.

I have been induced to communicate the above facts purely out of a desire that others might know of its excellent qualities and profit thereby.

With respect, I am yours, truly,
F. G. GAMBLE.

PURE VEGETABLE EXTRACT
DR. MORSE'S INVIGORATING CORDIAL.

A PHENOMENON IN MEDICINE! Health Restored and Life Lengthened —BY—

Dr. Morse's Invigorating Elixir or Cordial.

AT FIRST the properties attributed to Professor Morse's Invigorating Elixir or Cordial were deemed fabulous. The public could not believe that so simple and so blime truths announced by the discoverer. But facts, undeniable facts, attested by witnesses of the highest character, and corroborated by the testimony of all who used it, soon overturned disbelief. It is now incredulity is overthrown by a mass of testimony which is perfectly irresistible.

The Elixir remedies, in all cases, the deplorable evils arising from a misuse or abuse of the various organs, which make up the wonderful machine called man. It restores to full vigor every delicate function. It connected with that mysterious compound agency of matter and mind, necessary to the re-production of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will find immediate and permanent relief from the use of this incomparable renovator. To those who have predisposition to paralysis, it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with disease as it exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION.

The derangement of the system, leading to nervous diseases, and the forms of nervous disease itself, are so numerous, that it would require a column to enumerate the maladies for which this preparation is a specific. A few, however, may be enumerated, viz:—neuralgia, tic doloreaux, headache, incipient paralysis, hysteria, palpitation of the heart, spinal affections, muscular debility, tremors, flatulency, a pricking sensation in the flesh, numbness, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep and terrifying dreams, inability to remain in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from malformation or organic causes, beyond the reach of medicine.

Whenever the organs to be acted upon are free from malformation or structural diseases, it is averred that

MORSE'S INVIGORATING ELIXIR

will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard or reaction, but with a happy effect on the general organization. Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralysis of the nerves of motion and sensation is physical death. Bear in mind, also, that for every kind of nervous disease the Elixir Cordial is the only reliable preparation known.

CURE OF NERVOUS DISEASES.

No language can convey an adequate idea of the immediate, and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system, whether broken down by excess, weak by nature, or impaired by sickness—the unstrung and relaxed organization is at once braced, revivified and built up. The mental and physical symptoms of nervous disease vanish together under its influence. Nor is the effect temporary, on the contrary the relief is permanent—for the Cordial properties of the medicine reach the constitution itself, and restore it to its normal condition.

LOSS OF MEMORY.

Confusion, giddiness, rush of blood to the head melancholy, debility, histeria, wretched nep thoughts of self-destruction, fear of insanity, dispepsia, general prostration, irritability, nervousness, inability to sleep, diseases incident to females, decay of the propagating functions, hysteria, monomania, vague terrors, palpitation of the heart, impotency, constipation, &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.

A GREAT MEDICINE FOR FEMALES.

The unparalleled effects of this great restorative, in all complaints incident to females, mark a new era in the annals of medicine. Thousands of stimulants have been invented—thousand of invigorants concocted—all purporting to be specific in the various diseases and derangements, to which the delicate formation of woman render her liable.

EVERY WOMAN OF SENSE

who suffers from weakness, derangement, nervousness, tremors, pains in the back, or any other disorder, whether peculiar to her sex, or common to both sexes, to give the Invigorating Cordial a trial.

MARRIED PERSONS

or others, will find this Cordial, after they have used a bottle or two, a thorough regenerator of the system. In all directions are to be found the happy parents of healthy offspring, who would not have been so but for this extraordinary preparation. And it is equally potent for the many diseases for which it is recommended. Thousands of young men have been restored by using it, and not in a single instance has it failed to benefit them.

PERSONS OF PALE COMPLEXION,

of consumptive habits, are restored by the use of a bottle or two to bloom and vigor, changing the skin from a pale, yellow, sickly color, to a beautiful florid complexion.

TO THE MISGUIDED.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of the sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

Mentally, the fearful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas depression of spirits, evil forebodings, aversion to society, self-distrust, love of solitude, timidity, &c. are some of the evils produced. All thus afflicted

BEFORE CONTEMPLATING MARRIAGE

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness, indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens the view; the mind becomes shadowed with despair, and filled with melancholy reflection that the happiness of another becomes blighted with your own.

CAUTION

Dr. Morse's Invigorating Cordial has been counterfeited by some unprincipled persons.

In future all the genuine Cordial will have the proprietor's fac-simile pasted over the cork of each bottle, and the following words blown in the glass:

The Cordial is put up, highly concentrated, in pint bottles. Price $3 per bottle, two $5, six for $12.

CHERRY PECTORAL,

For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

OF all the numerous medicines extant, (and some of them valuable) for the cure of pulmonary complaints, nothing has ever been found which could compare in its effects with this Preparation. Others cure sometimes, but at all times and in all diseases of the lungs and throat where medicine can give relief, this will do it. It is pleasant to take, and perfectly safe in accordance with the directions. We do not advertise for the information of those who have tried it, but those who have not. Families that have known its value will not be without it and by its timely use, they are secure from the dangerous consequences of Coughs and Colds which neglected ripen into fatal consumption.

The Diploma of the Massachusetts Institute was awarded to this preparation by the Board of Judges in September, 1847; also, the Medals of the three great Institutes of Art, in this country; also the Diploma of the Ohio Institute at Cincinnati, has been given to the CHERRY PECTORAL, by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.

Read the following opinion:

WASHINGTON, PA., April 12, 1848.

Dr. J. C. Ayer.—Dear Sir: Feeling that I have been spared from a premature grave, through your instrumentality by the providence of God, I will take the liberty to express to you my gratitude.

A Cough and the alarming symptoms of Consumption had reduced me too low to leave me anything like hope, when my physician brought me a bottle of your "PECTORAL." It seemed to afford immediate relief, and now in a few weeks time has restored me to sound health. If it will do for others what it has done for me, you are certainly one of the benefactors of mankind.

Sincerely wishing you every blessing, I am
Very respectfully yours,
JOHN J. CLARKE,
Rector of St. Peter's Church.

With such assurance and from such a man, no stronger proof can be adduced unless it be from its effects upon trial.

Holloway's Ointment and Pills, the most Effectual Remedies ever known for Gout and Rheumatism.—Extract of a letter from Mr. Thomas Wyborn, Druggist, Eton, dated April 26, 1853. "To Professor Holloway: Sir—A case lately came under my notice, which I think should be publicly known. It is that of a poor man who suffered so dreadfully from chronic rheumatism that he lost the use of one side of his body, and endured incessant pain. He was under different medical treatment, and at Westminster Hospital the Faculty pronounced him incurable; however, by the use of your Ointment and Pills, he has been restored to health and strength."

*SOLD AT THE ESTABLISHMENT OF PROFESSOR HOLLOWAY, 244 STRAND, (near TEMPLE BAR) LONDON, and also at his HOUSE IN NEW YORK. ORDERS for medicines in the States, addressed "T. HOLLOWAY, NEW YORK," will receive due attention. COPAL PECTORAL SYRUP.

PRICE, $1 PER BOTTLE. | PRICE, $1 PER BOTTLE
L. GAMOTIS,
New Orleans, corner Bayou and Rampart sts.

THIS Syrup which is the particular study of its author, and in the preparation whereof he devoted all his time, is an indigenous Balm.

Repeated experiments have already demonstrated that its medicinal powers are inferior to none of the compounds of this kind heretofore known and recommended with success in the affections of the lungs. It eases cough, expels readily asthmatic oppressions, oppression arising from the strangulation of the bronchial vessels in case of acute or chronic catarrhs. Colds which have resisted the action of numberless remedies have yielded to its application. It is most beneficial in cases of hooping-cough, retarding and lessening the fits of cough. It has the advantage of being pleasant to the taste and scent and of thus uniting the useful to the agreeable.

The dose for grown persons must not exceed 8 large spoonfull in 24 hours, and for children 3 to 4 tea spoon full a day at most. For children under 12 months, one-half tea spoon full is sufficient 3 or 4 times a day. It may be taken without mixture or in an infusion of pectoral flowers. mr 29

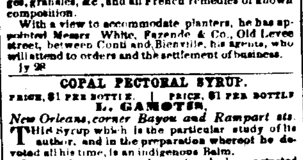
B. ANTOGNINI,
Manufacturer of Billiard Tables, &c



No. 12 and 14 Conti Street, Between Chartres and Levee Streets,

BEGS leave to inform amateurs and proprietors of Billiards, that he is now ready to furnish them with Billiard Tables of a new kind, and superior to all those which have heretofore been in use, whether manufactured in France or the North or West of the United States.

The repairs which he is every day called upon to make to Billiard Tables coming from those countries have enabled him to ascertain the kind of construction which is best suited to resist the temperature of damp climates.

The table and bands of a Billiard being generally the parts which are most liable to deterioration, particular attention has been paid to the construction of these parts.

Every Billiard built by him has a Mahogany table, combined with Oak, Cherry and Hickory, thus warranting them from warping in any direction.

The bands are made of Patent India Rubber, invented by him, and far superior to the French caoutchouc used in different manufactories: these India Rubber sides have been used by him since 1849, and have always given great satisfaction.

Gentlemen may satisfy themselves thereof by visiting his establishment, where they will always find mounted Billiard Tables, ready for playing and they will be convinced that the balls do not jump.

EVERY BILLIARD TABLE BOUGHT FROM HIM IS WARRANTED FOR A NUMBER OF YEARS LIMITED BY THE PURCHASER.

He has constantly on hand a great variety of New and Second-Hand Billiard Tables.

Also—BALLS and PINS, for Ten-pin Alleys, plate Loto Setts, &c., &c. Also—
EIGHT LEG BILLIARDS

Persons unable to come to New Orleans, and who may desire to procure any of the above named articles, have only to communicate their orders to B. ANTOGNINI, who will execute them satisfactorily.

B. Antognini has also the honor to inform his friends and the public in general, that in consequence of an arrangement with one of the largest manufacturers of d'Elbœuf Cloth, he has on hand a large quantity of that cloth for Billiard Tables, which he is prepared to sell at an exceedingly low price.

The extension of his house, and the relations which he has established, and continues to establish, with the best manufactories of France and the U. States, enable him to sell all articles in his line at prices below the current rates. my12
