MEDICAL.

DR. GEOGHEGAN'S HYDROPIPER, THE GREAT CURE FOR [illegible] AND ALL DISEASES OF THE STOMACH, LIVER AND BOWELS.

THIS is a great assistant of Digestion, and a perfect substitute for Mercury in Liver Complaint, and [illegible] Purgative Pills in Costiveness. It also cures Chills and Fever, especially where Quinine has been used and failed. It is a fine Stimulant and Tonic for torpid and [illegible], and its [illegible] mild and harmless in its action, [illegible] equal to the most potent drug.

More for Scrofula!

Then read the following paragraph of a letter from a highly respectable lawyer of New Madrid, Mo.:

"P. S. You wish to know the cure of your Hydropiper. Mr. Presly Phillips informs me that he had a negro who was literally covered with sores, and states that he used Geoghegan's Hydropiper and [illegible] the negro in light diet, and in six weeks he was sound and well. Yours respectfully, F. W. ARMSTRONG."

Further Testimony of the Beneficial Effects of Dr. Geoghegan's Hydropiper.

Dr. A. E. GEOGHEGAN—My wife was afflicted with Scrofula for a long time, and had been attended by all the best physicians in the country; but without any good effect. She had been unable to walk for more than a year, and part of the time was totally helpless, when I procured some of your Hydropiper. She is now entirely restored to health and can walk about as well as ever. I have been induced to communicate the above facts purely out of a desire that others might know of its excellent qualities and profit thereby. With respect, I am yours, truly, F. G. GAMBLE.

SANDS' SARSAPARILLA, IN QUART BOTTLES, For Purifying the Blood, and for the Cure of *Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c.*

THE value of this Medicine is now widely known, and every day the field of its usefulness is extending. It is approved, and highly recommended by Physicians, and admitted to be the most powerful and searching preparation from the root, that has ever been employed in medical practice. Its operation extends to the remotest parts of the system, and [illegible] in removing disease [illegible] in the absorbing and secretory organs. [illegible] Nature seldom effects, unassisted, the cure of any virulent disease, but requires the aid of a stimulant, alterative, or antiseptic medicine. In diseases of the skin and flesh, a combination of these three classes of medicinal agents is highly desirable.— All these properties are combined in this preparation; and instead of operating successively upon the system, as they must necessarily do when taken separately, they operate simultaneously, and in proper proportion to strengthen the digestion, and improve the appetite.— Its alterative tendency carries off the accumulations of morbid matter, and its antiseptic influence neutralizes the virus, by which the disease is fostered. Its uniform success in curing and relieving the various diseases for which it is recommended, is established by a multitude of attested facts.

Astonishing Cure.

New Orleans, La., Sept. 3[illegible], 1852.

Messrs. A. B. & D. SANDS: Gentlemen—Having received so much benefit from the use of your Sarsaparilla, I cannot refrain from adding my testimonial to those you have already received. For about six years I suffered much from Disease of the Lungs, which at times was so severe that it was with difficulty that I could cough or expectorate. I was attended by one of the most celebrated physicians in New Orleans, who finally declared my case hopeless, and that I had only to wait for death. After this, one of my friends, who had used your invaluable Sarsaparilla, advised me to try it. I procured six bottles from your agents in this city, which I took with decided benefit, and after using it for three months I was radically cured. I remain yours, very truly, EUGENE LEMOME.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton st., corner of William, New York. Sold also by Druggists generally throughout the United States and Canadas.— Price $1 per bottle; six bottles for $5. For sale by Sickles & Co.; J. Wright & Co.; F. P. Dacongé; H. Kennedy; Jarvis & Woodman; and A. Schwab, New Orleans; P. H. McGraw, Natchez; and J. Tucker, Mobile. ian18-lm

PURE VEGETABLE EXTRACT.

DR. MORSE'S INVIGORATING CORDIAL.

A PHENOMENON IN MEDICINE! Health Restored and Life Lengthened —BY— Dr. Morse's Invigorating Elixir or Cordial.

AT FIRST the properties attributed to Professor Morse's Invigorating Elixir or Cordial were deemed fabulous. The public so often deceived could not believe the simple and sublime truths announced by the discoverer. But facts, undeniable facts, attested by witnesses of the highest class and character, are now triumphing over all doubts. Incredulity is overthrown by a mass of testimony which is perfectly irresistible.

The Elixir remedies, in all cases, the deplorable evils arising from a misuse or abuse of the various organs, which make up the wonderful machine called man. It restores to full vigor every delicate function connected with that mysterious compound agency of matter and mind, necessary to the re-production of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will find immediate and permanent relief from the use of this incomparable renovator. To those who have a predisposition to paralysis, it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with the disease as it exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION.

The derangements of the system, leading to nervous diseases, and the forms of nervous disease itself, are so numerous, that it would require a column to enumerate the maladies for which this preparation is a specific. A few, however, may be enumerated, viz:—neuralgia, tic doloreux, headache, incipient paralysis, hysteria, palpitation of the heart, spinal affections, muscular debility, tremors, flatulence, a pricking sensation in the flesh, numbness, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep and terrifying dreams, inability to remain in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes, beyond the reach of medicine.

Whenever the organs to be acted upon are free from malformation or stricture diseases, it is averred that

MORSE'S INVIGORATING ELIXIR

will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard or reaction, but with a happy effect on the general organization. Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralization of the nerves of motion and sensation is physical death. Bear in mind, also, that for every kind of nervous disease the Elixir Cordial is the only reliable preparation known.

CURE OF NERVOUS DISEASES.

No language can convey an adequate idea of the immediate, and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system, whether broken down by excess, weak by nature, or impaired by sickness—the unstrung and relaxed organization is at once braced, re-vivified and built up. The mental and physical symptoms of nervous disease vanish together under its influence. Nor is the effect temporary, on the contrary the relief is permanent—for the Cordial properties of the medicine reach the constitution itself, and restore it to its normal condition.

LOSS OF MEMORY.

Confusion, giddiness, rush of blood to the head melancholy, debility, hysteria, wretched [illegible] thoughts of self-destruction, fear of insanity, dyspepsia, general prostration, irritability, nervousness, inability to sleep, diseases incident to females, decay of the propagating functions, hysteria, monomania, vague terrors, palpitation of the heart, impotency, constipation, &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.

A GREAT MEDICINE FOR FEMALES.

The unparalleled effects of this great restorative, in all complaints incident to females, mark a new era in the annals of medicine. Thousands of stimulants have been invented—thousand of invigorants concocted—all purporting to be specifics in the various diseases and derangements, to which the delicate formation of woman render her liable.

EVERY WOMAN OF SENSE

who suffers from weakness, derangement, nervousness, tremors, pains in the back, or any other disorder, whether peculiar to her sex, or common to both sexes, to give the Invigorating Cordial a trial.

MARRIED PERSONS

or others, will find this Cordial, after they have used a bottle or two, a thorough regenerator of the system. In all directions are to be found the happy parents of healthy offspring, who would not have been so but for this extraordinary preparation. And it is equally potent for the many diseases for which it is recommended. Thousands of young men have been restored by using it, and not in a single instance has it failed to benefit them.

PERSONS OF PALE COMPLEXION,

of consumptive habits, are restored by the use of a bottle or two to bloom and vigor, changing the skin from a pale, yellow, sickly color, to a beautiful florid complexion.

TO THE MISGUIDED.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of the sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

Mentally, the fearful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self-distrust, love of solitude, timidity, &c., are some of the evils produced. All thus afflicted

BEFORE CONTEMPLATING MARRIAGE

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness, indeed, without these, the journey through life becomes a weary pilgrimage—the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with melancholy reflection that the happiness of another becomes blighted with your own.

CAUTION

Dr. Morse's Invigorating Cordial has been counterfeited by some unprincipled persons.

In future all the genuine Cordial will have the proprietor's fac-simile pasted over the cork of each bottle, and the following words blown in the glass:

DR MORSE'S INVIGORATING CORDIAL,
C. H. RING, Proprietor, New York.

The Cordial is put up, highly concentrated, in pint bottles. Price $3 per bottle, two $5, six for $12. C. H. RING, Proprietor, 192 Broadway, New York.

"To Professor Holloway,— Sir,—I was troubled, for some months with rheumatic pains in all my limbs, and tried everything I could hear or think of without any good effect; at last I was recommended to try your Pills, a few doses of which relieved me, and before I had finished the second box I was quite well, and am still in the enjoyment of sound health. Mr. Whimber, druggist, of this place, will verify this statement." 5

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

OF all the numerous medicines extant, (and some of them valuable) for the cure of pulmonary complaints, nothing has ever been found which could compare in its effects with this Preparation. Others cure sometimes, but at all times and in all diseases of the lungs and throat where medicine can give relief, this will do it. It is pleasant to take, and perfectly safe in accordance with the directions. We do not advertise for the information of those who have tried it, but those who have not. Families that have known its value will not be without it and by its timely use, they are secure from the dangerous consequences of Coughs and Colds which neglected ripen into fatal consumption.

The Diploma of the Massachusetts Institute was awarded to this preparation by the Board of Judges in September, 1847; also, the Medals of the three great Institutes of Art, in this country; also the Diploma of the Ohio Institute at Cincinnati, has been given to the CHERRY PECTORAL, by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.

Read the following opinion:

WASHINGTON, PA., April 12, 1848.

Dr. J. C. Ayer,—
Dear Sir: Feeling that I have been spared from a premature grave, through your instrumentality by the providence of God, I will take the liberty to express to you my gratitude.

A Cough and the alarming symptoms of Consumption had reduced me too low to leave me anything like hope, when my physician brought me a bottle of your "PECTORAL." It seemed to afford immediate relief, and now in a few weeks time has restored me to sound health. If it will do for others what it has done for me, you are certainly one of the benefactors of mankind.

Sincerely wishing you every blessing, I am
Very respectfully yours,
JOHN J. CLARKE,
Rector of St. Peter's Church.

With such assurance and from such a man, no stronger proof can be adduced unless it be from its effects upon trial.
