DAYTON'S
Prospectus of the Republic.

THE undersigned will on the 15th day of June next, begin the publication in the city of Washington, of a daily Whig Administration paper, to be called *The Republic*, the editorial supervision and management of which will be committed to the exclusive care of ALEXANDER C. The Republic will acknowledge no allegiance or fealty to any party. It will aim to merit the confidence and support of the American people. It will be organ of no person, or party, or faction, but will act from speaking bold and candidly to the people in behalf of what it conceives to be right.
