New Orleans, March 4th, 1846.

Signed, M T LABARRE, Secretary.

Mr Marks presented an account for expenses incurred for the Inauguration of the Governor and Lieutenant Governor, which was on motion referred to the Committee on Claims.

Mr Parham obtained leave to introduce the following resolution, which was read for the first time:

Be it resolved by the Senate and House of Representatives, in General Assembly convened; That the State Engineer is hereby required to execute so much of a Joint Resolution approved March 1st, 1843, as required him to remove all obstructions in Tensas river and Bayou Macon."

On motion the rules were suspended, said resolution underwent its second reading and was, on motion of Mr Adams, referred to the Committee on Internal Improvement.

Mr Durant presented a memorial from Auguste Piauche and Pierre Luc, praying that certain taxes paid by them, be refunded.

Said memorial was on motion referred to the Committee on Claims.

Mr Taylor obtained leave to introduce the following resolution which was read for the first time:

Resolved, That the Committee on the Judiciary be instructed to enquire into the expediency of so altering the existing laws, as to give greater security to creditors from the tacit liens of married women.

Mr Taylor moved that the Senate suspend its rules and that said resolution be read for the second time.

His motion was lost.

Mr Parham presented a memorial from the Trustees of the School in Ward No 4 in the parish of Madison praying that an appropriation be made by the Legislature for paying the Teacher of said School.

Said memorial was, on motion referred to the Committee on Public Education.

Mr Bell, of the Committee on Contingent Expenses, reported.

"An act for the relief of the persons therein named."

Said bill was read for the first time.

On motion, the rules were suspended, it underwent its second and third readings, and was passed.

On motion, the rules were suspended, and the Assistant Secretary requested the concurrence of the House in said bill.

The Assistant Secretary also requested the signature of the Speaker of the House to the following enrolled resolutions.

"Resolution instructing our Senators and requesting our Representatives in Congress to call the immediate attention of the General Government, and to recommend the erection of such fortifications as will secure the city of New Orleans from invasion;" and

"Resolution requiring the State Treasurer to demand of the Commissioners of the Clinton and Port Hudson Railroad Company, appointed under an act approved March 2d, 1842, entitled: "An act to preserve the credit of the State," a full and explicit statement of the affairs of said company."

On motion of Mr Brashear, "An act to provide for the disposal of the Internal Improvement Lands, to which the State of Louisiana is entitled by virtue of an act of Congress, approved on the 4th day of September, 1841," was referred to a Select Committee of five members.

The President appointed Messrs Brashear, Mayo, Parham, Nicholas and Durant, of said Committee.

Mr Marks obtained leave to introduce the following resolutions, which were read for the first time:

RESOLUTIONS submitting to the people amendments to articles of the Constitution.

Resolved by the Senate and House of Representatives of the State of Louisiana in General Assembly convened; That the following alterations and amendments to the present Constitution, be submitted to the people of this State for their acceptance or rejection.

Sec. 2. Be it further resolved; That article 29th of title 2d, which says, "that no person while he continues to exercise the functions of a Clergyman, Priest or Teacher, of any religious persuasion, Society or Sect, shall be eligible to the General Assembly," be abolished.

Sec. 3. Be it further resolved; That article 36, of title 2d, which says, "a Treasurer of the State shall be elected biennially by Joint Ballot of the two Houses of the General Assembly. The Governor shall have power to fill any vacancy that may happen in the office during the recess of the Legislature," shall be amended by striking out the words, "by Joint Ballot of the two Houses of the General Assembly," and inserting in lieu thereof, the words; "the qualified voters thereof." That the article when amended shall read as follows: "A Treasurer of the State shall be elected biennially by the qualified voters thereof, at the same time the members of the General Assembly are elected. The Governor shall have power to fill any vacancy, that may happen in this office, which appointee shall continue in office until the next general election for Representatives to the State Legislature."

Sec. 4. Be it further resolved; That article 62 of title 4, which now reads as follows: "The Judicial power shall be vested in a Supreme Court, in District Courts, and in Justices of the Peace," be amended by inserting after the words "Justices of the Peace," the words: "and such other Courts as the Legislature may from time to time deem necessary and proper to create;" so that when amended, said article will read thus: "The Judicial power shall be vested in a Supreme Court, in District Courts, in Justices of the Peace, and such other Courts as the Legislature may from time to time, deem necessary and proper to create."

Sec. 5. Be it further resolved; That article 64 of title 4, which now reads as follows: "The Supreme Court shall be composed of one Chief Justice and three Associate Justices, a majority of whom shall constitute a quorum; the Chief Justice shall receive a salary of six thousand dollars, and each of the Associate Judges, a salary of five thousand five hundred dollars annually; the Court shall appoint its own Clerk; the Judges shall be appointed for the term of eight years," be amended by striking out the words "appointed" in the eighth line, and substitute in lieu thereof the words: "elected by the qualified voters of this State," so that when amendent said article will read thus: "The Supreme Court shall be composed of one Chief Justice and of three Associate Justices, a majority of whom shall constitute a quorum; the Chief Justice shall receive a salary of six thousand dollars, and each of the Associate Justices, a salary of five thousand five hundred dollars, annually; the Court shall appoint its own Clerk; the Judges shall be elected by the qualified voters of this State for the term of eight years."

Sec. 6. Be it further resolved; That article 65 of title 4, which now reads thus: "When the first appointments are made under this Constitution, the Chief Justice shall be appointed for eight years, one of the Associate Judges for six years, one for four years, and one for two years; and in the event of the death, resignation, or removal of any of said Judges before the expiration of the period for which he was appointed, his successor shall be appointed only for the remainder of this term; so that the term of service of no two of said Judges shall expire at the same time," be amended by striking out the words, "appointed and "appointments," in the second, fourth and ninth lines, and the word "elections," inserted in lieu thereof, in the second line, and "elected," in the fourth and ninth, so that said article when amended, will read as follows: "When the first elections are made under the Constitution, the Chief Justice shall be elected for eight years, one of the Associate Judges for six years, one for four years, and one for two years; and in the event of the death, resignation or removal of any of said Judges, before the expiration of the period for which he was elected, his successor shall be elected only for the remainder of this term; so that the term of service of no two of said Judges shall expire at the same time."

Sec. 7. Be it further resolved, That the third clause of article 75, title 4, which reads thus: "For each District one Judge learned in the law, shall be appointed, except in the Districts in which the Cities of New Orleans and Lafayette are situated, in which the Legislature may establish as many District Courts as the public interest may require," be amended by striking out the word "appointed" and inserting in lieu thereof, the following words, "elected by the qualified voters thereof," so that when amended, said clause shall read thus: "For each District one Judge, learned in the law, shall be elected by the qualified voters thereof, except in the Districts in which the Cities of New Orleans and Lafayette are situated, in which the Legislature may establish as many District Courts as the public interest may require; Provided that each Judge shall be elected by the qualified voters of his district.

Sec. 8. Be it further resolved, That article 74, title 4, which reads thus: "There shall be an Attorney General for the State, and as many District Attorneys as may be hereafter found necessary, they shall hold their offices for two years; their duties shall be determined by law," be so amended as to read thus: "There shall be an Attorney General for the State elected by the qualified voters thereof, at the same time and in the same manner, provided by this Constitution for the election of Governor and Lieutenant Governor; his term of service shall be the same as that of the Governor; there shall also be elected by the qualified voters of each District, a District Attorney, whose term of service shall continue two years; the duties of the Attorney General and District Attorneys, shall be determined by law. All elections for District Judges and District Attorneys, shall be held, conducted, and returns thereof made in the same manner and at the same time, as is provided for elections of Representatives to the State Legislature, by this Constitution or laws made in pursuance thereof.

Sec. 9. Be it further resolved, That article 58, of title 3, which now reads thus: "There shall be a Secretary of State, who shall hold his office during the time for which the Governor shall have been elected; the records of the State shall be kept and preserved in the office of the Secretary; he shall keep a fair register of the official acts and proceedings of the Governor, and when necessary shall attest them; he shall when required, lay the said register, and all papers, minutes and vouchers, relative to his office, before either House of the General Assembly, and shall perform such other duties as may be enjoined on him by law," be amended by adding after the words "Secretary of State," in the third line, the words "elected by the qualified voters of the State," and striking out the words, "shall have been," in the fourth line of said article, and inserting in lieu thereof, the words "shall be," making the article to read when amended thus: "There shall be a Secretary of State elected by the qualified voters of this State, who shall hold his office during the time for which the Governor shall have been elected; the records of the State shall be kept and preserved in the office of the Secretary; he shall keep a fair register of the official acts and proceedings of the Governor, and when necessary shall attest them; he shall when required, lay the said register, and all papers, minutes and vouchers relative to his office, before either House of the General Assembly, and shall perform such other duties as may be enjoined on him by law."

Mr Taylor moved that said resolutions be printed.

Mr Brashear moved that Mr Taylor's motion be laid over indefinitely.

Mr Marks called for the yeas and nays, on Mr Brashear's motion.

Messrs Adams, Allen, Brashear, Dial, Kenner, Martin, Nicholas, Prescott and Scott, voted in favor of said motion—9 yeas; and

Messrs Bell, Briant, Durant, Farmer, Garcia of St Charles; Garcia of Jefferson; Mayo, Marks, McWhorter, Parham, Porche, Porter, Richardson, Scranton, Strickland, Taylor and Maunsel White, voted against it—17 nays.

Mr Brashear's motion was consequently lost; and Mr Taylor's motion prevailed.

On motion of Mr Marks, the Senate resumed the second reading of the bill entitled: "An act in relation to the Public Printing."

On motion of Mr Scott, the 4th item of the second section of the said bill was laid over subject to call.

The 5th, 6th, 7th and 8th items were read and adopted.

The following which is the 9th item of said bill was read:

"Item 9th.—For all blank reports or work of an extraordinary character, the State Printer shall be paid a price to be specially agreed upon between him and the State Treasurer."

Mr Kenner introduced the following, as a substitute for said 9th item:

"For all printing not particularly enumerated in the foregoing items of this bill, the Treasurer shall let it out to the lowest bidder."

Said substitute was rejected.

Mr Kenner moved to amend said 9th item, by striking out therefrom the words: "*Or work of an extraordinary character.*"

Said amendment was also rejected.

Mr Marks moved that the said item be adopted.

Mr Kenner called for the yeas and nays on said motion.

Messrs Bell, Durant, Farmer, Marks, Nicholas, Porter, Prescott, Richardson, Scott, Scranton, Strickland, Taylor, and Maunsel White, voted for its adoption—13 yeas.

Messrs Adams, Brashear, Briant, Garcia of St. Charles; Garcia of Jefferson; Kenner, Martin, McWhorter, and Parham, voted against it—9 nays.

Said 9th item was consequently adopted.

The 10th and 11th items were read and adopted.

The 12th and last item was read and amended, and adopted as amended.

On motion of Mr Marks, the 4th item, which is as follows, was taken up.

"Item 4th. These publications are to be in French and English, as has been done heretofore."

Mr Scott had introduced the following as a substitute to said item:

Item 4th. All publications not otherwise directed shall be in French and English, and the Public Printer shall publish his paper in both languages as has been done heretofore.

Mr Soulé had presented the following as an amendment to Mr Scott's substitute:

"And none but a paper habitually published in the two languages, shall be chosen as the State paper."

On motion of Mr. Marks, Mr Soulé's amendment was laid over indefinitely.

On motion, Mr Scott's substitute was adopted, and the second section was adopted as amended.

On motion of Mr Durant, the Senate took up the following substitute to said bill introduced by Mr Durant:

Be it enacted by the Senate and House of Representatives of the State of Louisiana in general assembly convened, That all laws fixing the compensation of the State Printer be and are hereby repealed.

Be it also enacted, That the State Treasurer be and is hereby authorized to fix with the State Printer such a tariff of prices for the State printing, as shall be for the best interests of the State.

Mr Durant moved that the consideration of said substitute be deferred for a few moments.

His motion was lost.

On motion of Mr Kenner, said substitute was then laid on the table indefinitely.

On motion, the original bill was adopted as amended.

ORDER OF THE DAY.

First Reading.

'An act for the removal of the seat of Government,' was read for the first time.

Mr Marks moved to suspend the rules, and that said bill will be read for the second time.

Said motion was lost.

Mr Durant moved that the Senate adjourn till to-morrow at 11 o'clock, A. M.

Mr Mayo called for the yeas and nays on said motion.

Messrs Adams, Briant, Durant, Kenner, Nicholas, Porche, Taylor, and Maunsel White, in favor of the motion—8 yeas.

Messrs Bell, Brashear, Dial, Farmer, Garcia of Jefferson; Mayo, Marks, Martin, McWhorter, Parham, Porter, Prescott, Richardson, Scott, Scranton and Strickland, voted against it—16 nays.

The motion was lost.

On motion of Mr Scott, the Senate took up "An act to repeal an act entitled, an act providing for the recording of births and deaths," approved 10th April, 1811, and other acts therein named."

The second reading of said bill was commenced, and,

Mr Durant moved that it be referred to the committee on the Judiciary.

Mr Maunsel White called for the yeas and nays, on Mr Durant's motion:

Messrs Adams, Bell, Brashear, Briant, Durant, Garcia of Jefferson; Mayo, Marks, Martin, McWhorter, Nicholas, Parham, Porche, Prescott, Scott, Scranton and Strickland, voted in favor of the motion—17 yeas.

Messrs Dial, Farmer, Kenner, Richardson and Maunsel White, voted against it—5 nays.

The motion consequently prevailed, and the bill was referred.

On motion of Mr Marks, "An act for the removal of the Seat of Government," was made the special order of the day for to-morrow, immediately after the reading of the Journal.

On motion, the Senate adjourned till to-morrow, at 11 o'clock, A. M.

The following figure is given to represent the Insensible Perspiration.—It is the great EVACUATION for the impurities of the body. It will be noticed that a thick cloudy mist issues from all points of the surface, which indicates that this perspiration flows uninterruptedly when we are in health, but ceases when we are sick. Life cannot be sustained without it. It is thrown off from the blood and other juices of the body, and disposes by this means, of nearly all the impurities within us.—The language of Scripture is, "in the BLOOD is the Life." If it ever becomes impure it may be traced directly to the stoppage of the INSENSIBLE PERSPIRATION. Thus we see, all that is necessary when the blood is stagnant, or infected, is to open the pores, and it relieves it from all impurity INSTANTLY. Its own heat and vitality are sufficient, without one particle of medicine, except to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All practitioners, however, direct their efforts to restore the Insensible Perspiration. The Thomsonian, for instance, STEAMS, the Hydropathist shrouds us in wet blankets, the Homopathist deals out infinitissimals, the Allopathist bleeds and doses us with mercury, and the blustering Quack gorges us with pills, pills.

To give some idea of the amount of the Insensible Perspiration, we will state that the learned Dr Lewenbeck, ascertained that five-eighths of all we receive into the stomach, passed off by this means. In other words, if we eat and drink eight pounds per day, we evacuate five pounds of it by Insensible Perspiration.

This is none other than the used up particles of the blood, and other juices giving place to the new and fresh ones. To check this, therefore, is to retain in the system five-eighths of all the virulent matter that nature demands should leave the body.

By a sudden transition from heat to cold, the pores are stopped, the perspiration ceases, and disease begins at once to develope itself. Hence, a stoppage of this flow of the juices, originates so many complaints.

It is by stopping the pores, that overwhelms mankind with coughs, colds and consumption. Nine tenths of the world die from diseases induced by a stoppage of the Insensible perspiration.

Let me ask now, every candid mind, what course seems the most reasonable to pursue, to unstop the pores, after they are closed. Would you give physic to UNSTOP the pores? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any external application to effect it. Under these circumstances, I present to the physicians, and to all others, Mr Allister's ALL-HEALING OINTMENT, or the WORLD'S SALVE. It has POWER to restore perspiration on the feet, on the head, around old sores, upon the chest, in short, upon any part of the body, whether diseased slightly or severely.

It has power to cause all external sores, scrofulous humors, skin diseases, poisonous wounds, to discharge their putrid matter, and then heals them.

It is a REMEDY that sweeps off the whole catalogue of cutaneous disorders, and restores the entire cuticle to its healthy functions.

It is a REMEDY that forbids the necessity of so many and deleterious drugs into the stomach.

It is a REMEDY that neither sickens, gives inconvenience, or is dangerous to the intestines.

It preserves and defends the surface from all derangement of its functions. The surface is the outlet of five-eighths of the bile and used up matter within. It is pierced with millions of openings to relieve the intestines.—Stop up these pores, and DEATH knocks at your door.—It is rightly termed All Healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger and responsibility, and I declare by Heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal means.

I have had physicians, learned in the profession; I have had Ministers of the Gospel, Judges on the bench, Aldermen and Lawyers, gentlemen of the highest erudition and MULTITUDES of the POOR, use it in every variety of way, and there has been but one voice—one united, universal voice—saying, "McAllister, your Ointment is GOOD."

CONSUMPTION.

It can hardly be credited that a salve can have any effect upon the lungs, seated as they are, within the system. But if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them, and expels them from the system.

I need not say that it is curing persons of Consumption continually, although we are told it is foolishness. I care not what is said, so long as I can cure several thousand persons yearly.

HEADACHE.

The Salve has cured persons of the Headache of twelve years standing, and who had it regularly every week, so that vomiting often took place.

Deafness and Ear Ache are helped with like success.

COLD FEET.

Consumption, Liver Complaint, pains in the chest or side, falling off of the hair, one or the other, always accompanies cold feet. It is a sure sign of disease to have cold feet.

The Salve will cure in every case.

In SCROFULA, ERYSIPELAS, SALT RHEUM, SORE THROAT, BRONCHITIS, BROKEN OR SORE BREAST, PILES, ALL CHEST DISEASES, such as ASTHMA, OPPRESSION, PAINS, also, SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, and of the SPINE there is probably no medicine now known so good—and as for BURNS it has no equal in the world!

PIMPLES ON THE FACE, MASCULINE SKIN, GROSS SURFACE.

Its first action is to expel all humor. It will not cease drawing till the face is free from any matter that may be lodged under the skin, and frequently breaking out to the surface. It then heals. When there is nothing but grossness, or dull repulsive surface, it begins to soften and soften until the skin becomes as smooth and delicate as a child's.

WORMS.

If parents knew how fatal most medicines were to children taken inwardly, they would be slow to resort to them. Especially "mercurial lozenges," called "medicated lozenges," "vermifuges," pills, &c. The truth is, no one can tell, invariably, when worms are present. Now let me say to parents, that this Salve will always tell if a child has worms. It will DRIVE every vestige of them away.

There is probably no medicine on the face of the earth at once so sure and so safe in the expulsion of worms.

TOILET.

Although I have said little about it as a hair restorative, yet I will stake it against the world! They may bring their far and near, and mine will restore the hair two cases to their one.

OLD SORES.

That some sores are an outlet to the impurities of the system, is, because they cannot pass off through the natural channels of the Insensible perspiration. If such sores are healed up, the impurities must have some other outlet, or it will endanger life. This Salve will always provide for such emergencies.

RHEUMATISM.

It removes almost immediately the inflammation and swelling, when the pain of course ceases.

FEVERS.

In all cases of fever, the difficulty lies in the pores being locked up, so that the heat and perspiration cannot pass off. If the least moisture could be started, the crisis has passed and the danger over. The All-Healing Ointment will in all cases of fevers almost instantly unlock the skin and bring forth the perspiration.

SCALD-HEAD.

We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent $500 on his children without any benefit, when a few boxes of the Ointment cured them.

CORNS.

Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they will use it.

AS A FAMILY MEDICINE.

No man can measure its value. So long as the stars roll over the Heavens—so long as man treads the earth, subject to all infirmities of the flesh—so long as disease and sickness is known—just so long will this good Ointment be used and esteemed. When man ceases from off the earth, then the demand will cease, and not till then.

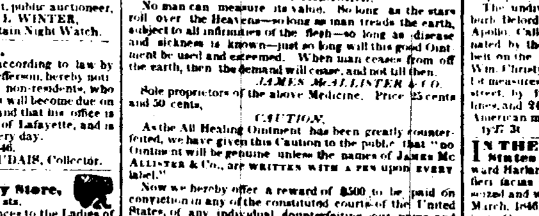
JAMES McALLISTER & CO.

Sole proprietors of the above Medicine. Price 25 cents and 50 cents.

CAUTION.

As the All Healing Ointment has been greatly counterfeited, we have given this Caution to the public that "no Ointment will be genuine unless the names of JAMES MCALLISTER & Co., ARE WRITTEN WITH A PEN UPON EVERY label."

Now we hereby offer a reward of $500 to be paid on conviction in any of the constituted courts of the United States, of any individual counterfeiting our name and Ointment. — f16



Galvanic Rings and Magnetic Fluid.

THIS remarkable discovery which has attracted so much attention in Europe and recently in the Northern States, is now introduced for the first time to the citizens of New Orleans. It comprises an entirely safe and simple application of the Mysterious Power of Galvanism as a remedial agent. The GALVANIC RINGS in connection with the MAGNETIC FLUID have been used with the most perfect success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs. *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pains in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all Nervous Disorders.* In cases of *Dyspepsia* which is simply a nervous derangement of the digestive organs, they have been found equally successful. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets,

Are modifications of the invention, and are recommended in more chronic cases of disease, where the Rings do not possess sufficient intensity or power. They are adapted to the waist, arms, wrists, ancles, chest, or any part of the body with perfect ease. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanism can effect, will fail to be permanently relieved.

Christie's Magnetic Fluid.

Is used in connection with the Rings and their modifications. This composition has been pronounced by the French Chemists, to be one of the most valuable discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to Galvanic action*, by this means causing a concentration of the influence at the seat of disease, and thus giving rapid and permanent relief.

Christie's Galvanic Strengthening Plaster.

These articles form an important addition to the Galvanic Rings, acting upon the same principle, but having the advantage of more local application. *As an effectual means for Strengthening the system when debilitated by disease or other causes; as a certain aid in constitutional weakness; as a preventive for colds, and in all affections of the chest generally*, the GALVANIC STRENGTHENING PLASTER will be found of great and permanent advantage.

☞ Numerous certificates and testimonials from many distinguished physicians and others of the North have been received by the Proprietor. These are all from persons of the highest respectability and may be seen on application to the Agent.

The public are respectfully warned against Spurious IMITATIONS of these articles. Dr. CHRISTIE has but one authorized Agent in each city of the Union. GUION & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. — j20—lm

NEW ORLEANS & CARROLLTON R. R. Co.,
New Orleans, 4th March, 1846.

AT a meeting of the Board of Directors of this Company, held on the 23d January, 1846, it was resolved to distribute the Cash Assets on hand amongst the Stockholders and the following Dividend was declared and ordered to be paid to the Stockholders or their legal representatives on MONDAY NEXT, the 9th instant, viz:—

$5 per share on each share on which $50 have been paid in.

$10 per share on each share on which $100 have been paid in.

$10 per share on each share on which $100 have been paid in, and of which the first $50 per share paid thereon, have been transferred to the Company for the purchase of Real Estate, reserving their rights and claims to the reimbursement of the last $50 paid.

It was further Resolved, That the dividend due to the Stockholders who have obtained Loans on Full paid Stock ($100) be appropriated as follows, viz: The Dividend accruing on the first Fifty Dollars paid $5 be paid to such Stockholders, and the Dividend accruing on the second Fifty Dollars ($10) be applied pro tanto to the extinguishment of said Stock Loans.

By order of the Board.

SANDS'S SARSAPARILLA.

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM.

Scrofula, or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement of and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica, or Lumbago, and Diseases arising from an injudicious use of Mercury, Ascites, or Dropsy, Exposure or Imprudence in Life.—Also, Chronic Constitutional Disorders, &c.

The searching influence of this preparation reaches the blood, and its antiseptic preparations other discharge or render harmless the virus of disease in that fluid, while its tonic qualities strengthen the stomach, and the slight laxative power with which, however singular the combination may seem, it is imbued, acts gently upon the excretory organs. To those afflicted with pustulous or other eruptions, arrosious ulcers, superficial or deep-seated sores, inflammatory or chronic rheumatism, general prostration, hepatic diseases, &c. &c. it will be found to produce most beneficial, and so to speak, re-vitalizing effect.

Still further proof of the value and efficacy of this medicine! Another link added to the chain of their testimony.

WEST POULTNEY, Vt, Dec. 4th, 1845.

Messrs A. B. & SANDS—*Gen. tlem*—About the middle of January, 1832, I was attacked with a disease which my Physician called *Rheumatism*, and I used such remedies as were prescribed, and in about three weeks it left, but nearly the same time the next year it appeared again in the same place, the right hip joint, from which it increased, moving on from limb to limb and joint to joint until it had gradually taken possession of my whole system. I tried every remedy prescribed by the various Physicians, but was doomed year after year to see my disease completely baffle the combined skill of the Medical Profession. I continued thus until September 1838, when I took a sudden and violent cold, and immediately my disease raged with increased fury throughout my whole system.—My body was racked with convulsions and twisted with cramp until every joint was dislocated, and every limb painfully distorted. My limbs and body were drawn together, nearly into a sitting posture, in which every joint became so perfectly set that it was impossible to move, hand or foot or any of my limbs.

I was confined in this condition about one year from the above date to a common bed, next to a hydrostatic bed for one year; from which I was taken in February 1841, and placed in a large easy chair, made so as to conform to the angle of my stiff body and limbs. I had not been long in this chair, before my feet began to swell and continued to increase until the skin literally burst at every pore, discharging such a quantity of fluid that large folds of cloth placed under and around them would be completely drenched in a few hours. Although my feet were so exceedingly tender that I could scarcely endure the weight of cloth upon them, yet at times they would burn and itch so intolerably that my nurse would be obliged to take a rough cloth and rub them until it was sometimes saturated with blood. All the nails on my fingers and toes died and came off. I had a distressing pain in my left side, a distracting headache almost continually, and besides, my bowels were so torpid that they did not move unless by the aid of Pills, oftener than once in several days. This, Sir, is but a faint description of my actual state when your Sarsaparilla, like an Angel of Mercy, found me and administered to my relief. While removing the wrapper from the first bottle, my wife said, my dear husband, you must not allow yourself even to hope for relief, for if you do, it will only add another to your already many grievous disappointments. I very sensibly felt the effects of the first dose, and when I had taken one-half of the first bottle the discharge from my feet entirely stopped, and the swelling began to abate, and before I had finished taking the second, the burning and itching was gone, the loathsome stench disappeared, the pain in my head, side and back disappeared, while my bowels for the first time in four years moved naturally and have continued to do so since, and my health is rapidly improving.
