TARRANT'S EFFERVESCENT SELTZER APERIENT.—The unrivalled reputation which this agreeable preparation enjoys, sanctioned by the most distinguished of the medical faculty, is the surest guarantee of its efficacy, and of conclusive evidence that it will prove one of the most deserving medicines ever introduced, and eminently worthy the patronage of our citizens.

This preparation possesses all the active medicinal properties of the famed "Seltzer Spring" of Germany, with such additions and improvements, greatly increasing its beneficial effects—retains all the sparkling effervescence of a glass of soda water—exerts over the system a healthy action, and this invariably prove its great efficacy and success. A teaspoonful of this Aperient, in a tumbler of water before breakfast, will generally be found sufficient in all cases of pains in the head, excess of bile and acidity of the stomach. Taken in this manner it never interferes with the avocations of the day, and invariably creates an elasticity of mind and flow of spirits which gives a zest to every enjoyment. In dyspepsia or indigestion, acidity of the stomach or occasional flatulency, a speedy removal of the unpleasant symptoms being requisite, the use of this preparation, in a sufficient quantity, is recommended, to induce a full evacuation of the bowels, thereby affording immediate relief, the unpleasant feeling is removed, the irritability of the stomach soothed, whilst the appetite again resumes its former healthy state.

The energies of that important organ, the liver, may be effectually restored when in a torpid state, or when there is not a due secretion of bile, by the use, for a short period, of a tea spoonful of this Aperient, taken in the morning [illegible].

All bilious symptoms will be allayed by taking a tea spoonful occasionally during the day, and being peculiarly grateful to the stomach, forms a delightful effervescent draught.

Captains of vessels would find this preparation a very desirable medicine for family use at home or when travelling. Its agreeable flavor, its life, its medicinal virtues and portability, economy of preparation and simplicity in using, [illegible] it far superior to any other ever offered to the public.

TESTIMONIALS.

FROM M. PRICE MOORE, M. D.

I have used your Effervescent Seltzer Aperient in several cases, with very happy results. As a mild Aperient, it has advantage over all other Aperients, particularly in cases of great debility where it is important to save the strength of the patient. It can be made a pleasant drink, and given in such doses as to obtain the object in view. As a family medicine, I think very highly of it; and as such, can be freely used during the summer months.

(Signed) M. PRICE MOORE, M. D.

To Mr James Tarrant. No 60 Hudson st.

FROM JAMES TRUDEAU, M. D.

I have often prescribed your Effervescent Seltzer Aperient in this city, and have always been pleased with its operation. It is, in my opinion, a pleasant, safe and mild laxative, calculated to please the most fastidious. To persons residing in warm climates, where a congested state of the liver is a frequent cause of disease, it is a most valuable medicine.

SANDS' SARSAPARILLA.

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM.

This valuable Medicine is now used and universally approved by the most distinguished of the Medical Profession throughout our country, and, by its intrinsic medicinal value, the public generally, but the afflicted particularly have become acquainted with its usefulness, in the removal and cure of those diseases having their origin in an impure state of the blood. The Sarsaparilla is compounded with other ingredients, all of which are held in the highest estimation by the most distinguished physicians.

[illegible] the most useful proprietary medicine. It purges, purifies and restores. Scrofula, Cancer, Leprosy, all Ulcers and Scrofulous Sores, all Diseases of the Skin, and all in their complications arising from, or being connected with a diseased circulation, give way before its healing influence.

The following interesting case is presented, and the reader invited to its careful perusal. Comment on such evidence is unnecessary:

MADISONVILLE, Ky., February 22, 1845.

Messrs. A. B. & D. Sands—Having used your Sarsaparilla in my family, and witnessed its beneficial effects on one my children, I feel it to be a duty I owe the community to make the case public. About two years ago my little son was attacked with Scrofula or King's Evil, which broke in eight or nine places round the neck and face, and which finally affected his eyes, rendering him entirely blind. During the first year from the time he was taken, he was attended by several physicians, but continued to get worse and I despaired of his ever recovering, when I saw your Sarsaparilla advertised with certificates of cures, I concluded I would give it a trial, and accordingly sent to Cincinnati and procured a few bottles, and before he had taken it all, his eyes were entirely restored, and he is now a hearty child. [illegible] I have no hesitation in saying that he was entirely cured by the use of your Sarsaparilla.

Yours, truly, E. BASSETT.

New York, April 22, 1845.

Messrs. A. B. & D. Sands. Gentlemen.—I was troubled with a severe ulcer on my knee, which extended half way up to the knee, discharging very offensive matter, itching, torturing, and depriving me of my rest at night, and very painful.

I was recommended to use your Sarsaparilla by Mr. James McConnell, who had been cured by it, and after using five bottles I was completely cured.

I have delayed sending you this certificate for one year since the cure was effected, in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have neither seen nor felt the slightest return of it, and that I am entirely well.

Yours, very truly, SARAH M'INTYRE,
240 Delancy street, New York.

Mobile, Ala., Nov. 28, 1845.

Messrs. Sands.—I deem it an act of justice to myself and the community at large, to relate the following facts which occurred in our neighborhood in the latter part of July last. Jane C——, a young girl aged fourteen years, was afflicted with an immense sore on the middle of her back, which defied all the treatment of medical skill. At last some person mentioned to me your Sarsaparilla, and I immediately procured two bottles of Messrs. Mosely & Tucker, your Agents in this city, which I gave to her. I called to see her the next day, and she told me she had taken two doses and felt very much relieved. I laughed immoderately at this, but she said it was really so, and, gentlemen, in a word, in two weeks from the time she commenced using it, there was neither sign nor appearance of what the sore had been.

Yours, respectfully, J. G. HOFFMAN, 93 Dauphin st.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets which may be obtained of Agents gratis.

Galvanic Rings and Magnetic Fluid.

THIS [illegible] discovery which is [illegible] attracting so much attention in Europe and recently in the Northern States, is now offered for the first time to the citizens of New Orleans. It comprises an entirely safe and simple application of the Mysterious Power of Galvanism as a remedial agent. The GALVANIC RINGS in connection with the MAGNETIC FLUID have been used with the most perfect success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs; *Gout, Tic Doloreux, Toothache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pains in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all Nervous Disorders.* In cases of *Dyspepsia* which is simply a nervous derangement of the digestive organs, they have been found equally successful. The RINGS are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets,

Are modifications of the invention, and are recommended in more chronic cases of disease, where the Rings do not possess sufficient intensity of power. They are adapted to the waist, arms, wrists, ancles, chest, or any part of the body with perfect ease. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanism can effect, will fail to be permanently relieved.

Christie's Magnetic Fluid

Is used in connection with the Rings and their modifications. This composition has been pronounced by the French Chemists, to be one of the most valuable discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to Galvanic action*, by this means causing a concentration of the influence at the seat of disease, and thus giving rapid and permanent relief.

Christie's Galvanic Strengthening Plaster.

These articles form an important addition to the Galvanic Rings, acting upon the same principle, but having the advantage of more local application. [illegible] an *effectual means for Strengthening the system when debilitated by disease or other causes; as a certain aid in constitutional weakness; as a preventive for colds and in all affections of the chest generally*, the GALVANIC STRENGTHENING PLASTER will be found of great and permanent advantage.

☞ Numerous certificates and testimonials from many distinguished physicians and others of the North have been received by the Proprietor. These are all from persons of the highest respectability and may be seen on application to the Agent.

The public are respectfully warned against SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but one authorized Agent in each city of the Union, GUION & Co, corner of St Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained.
