ARE YOU IN AGONY?

A well spring of hope for all can be found in

HOLLOWAY'S PILLS.

Be of good cheer! The Sinking may be saved! By the use of

HOLLOWAY'S OINTMENT

The history of these great Remedies is the most wonderful medical revelation that the world has ever known. It establishes the all important fact that WHEREVER, and in WHATEVER SHAPE internal disease exists, the disinfecting, searching and healing properties of the Pills are fully equal to its subjection and cure, and that, with the Ointment, they are

The Great Ambassadors of Health to all Mankind.

This is not a history written by one man or even derived from the experiences of one nation. It consists of a compilation of testimonials from the sick of every country—an unimpeachable record, the like of which has never been adduced in favor of any discovery or invention since time began.

These Mighty Healers, World-known and World-tried, are a Boon to the Sick.

The want of a sterling medicinal to meet the ills and necessities of the suffering portion of humanity, and one entirely free from minerals and other deleterious particles, was severely felt till this all-powerful medicine was ushered into the world. HOLLOWAY'S INVALUABLE PILLS have become the HOUSEHOLD REMEDY of all nations. Their attribute is to PREVENT as well as to CURE, they attack the ROOTS or ABOUT of the complaint, and thus, by removing the hidden cause of disease, reinvigorate and restore the drooping energies of the system, assisting nature in her task of VITAL and FUNCTIONARY REFORMATION.

Disorders of the Stomach

Are the source of the deadliest maladies. Their effect is to vitiate all the fluids of the body, and to send a poisonous stream through all the channels of circulation. Now, what is the operation of the Pills? They cleanse the bowels, regulate the liver, bring the relaxed or irritated stomach into a natural condition, and, acting through the secretive organs upon THE BLOOD ITSELF, change the state of the system from sickness to health, by exercising a simultaneous and wholesome effect upon all its parts and functions.

Woman in all her Difficulties

Is invited to test the regulating and restorative powers of this harmless but effective preparation. At the two epochs of life in which the female system undergoes the most important and critical changes, the Pills will prove a positive safeguard against evil consequences. They are also confidently recommended as a specific in every disorder to which females are exclusively subject.

Be it Understood,

That the above statements are at all times be verified by written testimony extending through a quarter of a century of tens of thousands of unimpeachable witnesses.

Bilious Maladies, &c., &c.

In whatever form disease attacks the liver, it is repelled and exterminated by this searching painless and irresistible curative. Biliousremittents, bilious purging, and all the ordinary disorders of the organ, indicated by pain in the right side and between the shoulders, yellowness of the whites of the eyes, weakness and debility, etc., are relieved and removed by the remedy, with a celerity which astonishes the sufferers and their friends. Let the sick, whom the faculty have abandoned, resort with confidence to this powerful anti-bilious agent, and a restoration to health and activity will be the unvarying result.

Dyspepsia, Diarrhœa, Weakness, &c.

The terrible bodily and mental pangs which characterize dyspepsia are at once mitigated by the Pills. Diarrhœa, constipation, headache, physical prostration, nervous tremors, hot flushes, spasms, affections of the kidneys, hemorrhoids or piles, and, in fact, all internal complaints, from whatever cause arising, give way before the salutary influence of this extraordinary remedy. As a specific for dyspepsia and the disorders connected with it, or growing out of it, the Pills are always to be relied on when every other medicine and mode of treatment has utterly failed.

Holloway's Pills are the best remedy known in the world for the following diseases:

Asthma,	Headaches,
Bowel Complaints,	Influenza,
Coughs,	Indigestion,
Colds,	Inflammation,
Costiveness,	Inward Weakness,
Chest Diseases,	Lowness of Spirits,
Dyspepsia,	Liver Complaints,
Diarrhœa,	Piles,
Dropsy,	Stone and Gravel,
Debility,	Secondary Symptoms,
Fever and Ague,	Venereal Affections,
Female Complaints,	Worms of All Kinds.

CAUTION.—None are genuine unless the words "Holloway, New York and London" are discernible as a Water-mark in every leaf of the book of directions around each pot or box, the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

** Sold at the manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 62 cents, and $1 each.

There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

Druggists and Merchants, and all Dealers in any of the articles contained in the above, will find it to their advantage by calling or sending their orders where will be found the most extensive assortment of genuine Patent Medicines in the United States, and at the lowest prices.
