beautiful Horse Washington. A still dance by six of the company. The performance to conclude with GRAND TRAMPOLINE by

Mr. Lowis and Master Scargeant, Mr. Lewis will turn a someractt through a Balloon on fire. Mr. Baily will introduce the Horse Rob-Roypaign of the Russian army. Large hats, handkerchiefs, &c. will pick up and take quantities of wheat had been purchased to his master two or more articles together, which he may drop; will walk backwards across the ring for any article; will mount a table and clean his feet at command; will mount a tower for a

Morses, who will introduce feats never performed by any other.

Still vaulting by the Company, Viz:—Myres, Sergant, Johnston, Burns, Birdsell Horsemanship by master Birdsall, without saddle or bridle.

(C) Seats can be secured at the Cinsus, between the hours of 10 and 12.—Admittance one dellar. is also reserved for coloured people. Entrance to the Boxes in Orleans street, to the Parquet in Royal street. April 30.

-PANORAMA EXHIBITION.

THE great Panoramic picture of the zette, be referred to a person he City of Paris, the Capital of the one for sale. Kingdom of France is now exhibiting in the building on the public square of

the south end of the palace of the Tuil- and plainer of rulles; and is equal leries; the spectator must therefore immagine himself pleaced on this elevated situation which commands an ex tensive prospect over the whole city.

Immediately under the eye of the spectator in a northern direction, is the roof of the King's appartments, and on the right that of the long picture gallery stresching eastward as far as the Louvre; -This gallery bounds the place de Caroused on the south side and the new gallery on the north, in the centre of this square is seen the triumphal arch. On this square Beneparte was wont to review his betallions previous to their departure for their respective destinations, and here oft the walls resounded with the clang of martial music. On the west side of the palage, the spectator looks down on the Garden of the Tueleries, and beyond that in the distance is seen the palace of the Garde de Meubles, and the woods of the Champ Elysees in the distance.

When we consider that Paris has been the theatre of so many great political events which have convulsed Eucould be offered to the public.

Admittance-50 cents. New-Orleans, April 30, 1828.
