FRANKLIN HIGH SCHOOL.
Corner of Royal and Hospital streets, New Orleans.

PARENTS and Guardians are respectfully informed that the classes are now fully organized in the new building at the corner of Royal and Hospital streets. It is hoped, with some confidence, that the commodious and extensive arrangements for the better accommodation of the pupils, will meet with the approbation of the patrons of the Institution, and of others who may have youths under their charge.

The great object to be attained in the school education is the acquiring of habits of untiring industry and indomitable perseverance, the course of exercises, through which a young man must pass in order to reach this goal, if judiciously directed, leaving him of necessity in possession of every other desired attainment.

The principle here laid down forms the basis of the mode of instruction, pursued in the Franklin High School.

The course of studies comprises the English, French, Spanish, Latin and Greek languages; Arithmetic, Algebra, Geometry, Trigonometry, Surveying, Application of Algebra to Geometry and Differential and Integral calculus; Astronomy and Chemistry; History and Geography, Book keeping; Drawing and painting; Vocal and Instrumental Music.

There are seven Professors attached to the School, who give daily lessons in their respective departments.

Parents and Guardians are respectfully informed that no interference whatsoever in the Regulations and internal discipline will be suffered.

The Institution receives boarders, half-boarders and day scholars. The boarding pupils reside in the family of Mr. Elkin, and will be under the immediate care of himself and the ladies attached to the household.

G. BOYER'S
CLASSICAL AND COMMERCIAL INSTITUTION
No. 148 Conti Street,
(between Dauphine and Burgundy streets.)

THIS Institution, the oldest scholastic establishment in New Orleans, is well known and highly distinguished for the success which has accompanied it ever since its foundation; a considerable number of pupils who have quitted it to enter on the great scene of life, having already acquired some distinction in the various avocations to which they have devoted themselves.

Boyer's Institution is conducted in one of the largest Mansions in the city, occupying a fine central position, being well ventilated and in other respects perfectly salubrious.

The range of studies which engage the attention of the pupils extends over all the branches of Learning which are necessary to a useful, polite and finished education; from primary instruction to the more abstruse subjects which are specially the province of a collegiate course. Discipline so necessary to quicken in the youthful mind a due perception of the duties incumbent on it in its future relations with society, is a conspicuous feature of this establishment, being at the same time severe and considerate, whilst the solicitude of the Principal regarding the moral training of the youths committed to his charge, is, though strict, yet paternal.

The English language, daily becoming more and more evident, as of the greatest possible importance to all living in this community, is, in Boyer's Institution, attended to with more than ordinary care, the Professors engaged in this branch being gentlemen of undoubted attainments and long accustomed to tuition.

BRANCHES OF TUITION.

The English, French, Spanish and Latin languages, History, Geography, Mathematics, Elements of Natural Philosophy, Astronomy, &c. &c.

Galvanic Rings and Magnetic Fluid.

THIS remarkable discovery which has attracted so much attention in Europe and recently in the Northern States, is now introduced for the first time to the citizens of New Orleans. It comprises an entirely safe and simple application of the Mysterious Power of Galvanism as a remedial agent. The GALVANIC RINGS in connection with the MAGNETIC FLUID have been used with the most perfect success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs; *Gout, Tic Doloreux, Toothache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pains in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy*, and all *Nervous Disorders*. In cases of *Dyspepsia* which is simply a nervous derangement of the digestive organs, they have been found equally successful. The RINGS are of different prices, being made of all sizes, and of various ornamental patterns and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets,

Are modifications of the invention, and are recommended in more chronic cases of disease, where the Rings do not possess sufficient intensity or power. They are adapted to the waist, arms, wrists, ancles, chest, or any part of the body with perfect ease. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanism can effect, will fail to permanently relieved.

Christie's Magnetic Fluid

Is used in connection with the Rings and their modifications. This composition has been pronounced by the French Chemists to be one of the most valuable discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to Galvanic action*, by this means causing a concentration of the influence at the seat of disease, and thus giving rapid and permanent relief.

Christie's Galvanic Strengthening Plaster

These articles form an important addition to the Galvanic Rings, acting upon the same principle, but having the advantage of more local application. *As an effectual means for Strengthening the system when debilitated by disease or other causes, as a certain aid in constitutional weakness, as a preventive for colds, and in all affections of the chest generally, the* GALVANIC STRENGTHENING PLASTER will be found of great and permanent advantage.

☞ Numerous certificates and testimonials from many distinguished physicians and others of the North have been received by the Proprietor. These are all open to persons of the highest respectability and may be seen on application to the Agent.

The public are respectfully warned against SPURIOUS IMITATIONS of these articles. Dr. CHRISTIE has but one authorized Agent in each city of the Union. GUTON & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. m1—1m

SANDS' SARSAPARILLA.
FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM.

This valuable Medicine is now used and universally approved by the most distinguished of the Medical Profession throughout our country, and, by its intrinsic medicinal value, the public generally (but the afflicted particularly) have been made acquainted with its usefulness, in the removal and cure of diseases having their origin in an impure state of the blood. The Sarsaparilla is combined with other ingredients, all of which are held in the highest estimation by the most distinguished physicians.

As a mild aperient, antiseptic and tonic, it contains the three most useful properties of medicine. It purges, purifies and restores. Scrofula, Cancer, Leprosy, all Ulcers and Scrofulous Sores, all Diseases of the Skin, and all internal disorders not organic, but springing from a diseased circulation, give way before its hygeian influence.

The following interesting case is presented, and the reader invited to its careful perusal. Comment on such evidence is unnecessary.

MADISONVILLE, Ky., February 21, 1845.

Messrs. A. B. & D. SANDS—Having used your Sarsaparilla in my family, and witnessed its beneficial effects on one my children, I feel it to be a duty I owe the community to make the case public. About two years ago my little son was attacked with Scrofula or King's Evil, which broke in eight or nine places round the neck or jaw, and which finally affected his eyes, rendering him entirely blind. During the first year from the time he was taken, he was attended by several physicians, but continued to get worse until I despaired of his ever getting well. Having seen your Sarsaparilla advertised with certificates of its cures, I concluded I would give it a trial, and accordingly sent to Cincinnati and procured a few bottles, and now, after having used in all nine bottles, I have the gratification of saying he is well. The sores are all entirely healed, and his sight nearly as good as ever it was, and I have no hesitation in saying that he was entirely cured by the use of your Sarsaparilla.

Yours, truly, E. BASSETT.

NEW YORK, April 22, 1845.

Messrs. A. B. & D. SANDS—Gentlemen,—I was troubled with a severe ulcer on my ancle, which extended half way up to the knee, discharging very offensive matter, itching, burning, and depriving me of my rest at night, and very painful.

I was recommended to use your Sarsaparilla by Mr. James McConnell, who had been cured by it, and after using five bottles I was completely cured.

I have delayed sending you this certificate for one year since the cure was effected, in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have neither seen nor felt the slightest reappearance of it, and that I am entirely well.

Yours, very truly, SARAH M'INTYRE.

240 Delancy street, New York.

MOBILE, Ala., Nov. 28, 1845.

MESSRS. SANDS—I deem it an act of justice to myself and the community at large, to relate the following facts which occurred in our neighborhood in the latter part of July last. Jane C——, a young girl aged fourteen years, was afflicted with an immense sore on the middle of her back, which defied all the treatment of medical skill. At last some person mentioned to the your Sarsaparilla, and I immediately procured two bottles of Messrs. Moseley & Tucker, your Agents in this city, which I gave to her. I called to see her the next day, and she told me had taken two doses and felt very much relieved. I laughed immoderately at this, but she said it was really so, and, gentlemen, in a word, in two weeks from the time she commenced using it, there was neither sign nor appearance of where the sore had been.

Yours, respectfully,

J. G. HOUSEMAN, 93 Dauphin st.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets which may be obtained of Agents gratis.

TARRANT'S EFFERVESCENT SELTZER APERIENT.

TARRANT'S EFFERVESCENT SELTZER APERIENT.—The unrivalled reputation which this agreeable preparation enjoys, sanctioned by the most distinguished of the medical faculty, is the surest guarantee of its efficacy, and a certain evidence that it will prove one of the most deserving medicines ever introduced, and eminently worthy the patronage of our citizens.

This preparation possesses all the active medicinal properties of the famed "Seltzer Spring" of Germany with such additions and improvements, greatly increasing its beneficial effects—retains all the sparkling effervescence of a glass of soda water—resorts over the system a healthy action, and thus invariably proves its great efficacy and success. A teaspoon full of this Aperient, in a tumbler of water, before breakfast, will generally be found sufficient in all cases of pains in the head, excess of bile and acidity of the stomach. Taken in this manner it never interferes with the avocations of the day, and invariably creates an elasticity of mind and flow of spirits which gives a zest to every enjoyment. In dyspepsia or indigestion, irritability of the stomach or occasional disorders, a speedy removal of the unpleasant symptoms being requisite, the use of this preparation, in a sufficient quantity, is recommended, to induce a full evacuation of the bowels, thereby affording immediate relief. The unpleasant feeling is removed, the irritability of the stomach soothed, whilst the appetite again resumes its former healthy state.

The energies of that important organ, the liver, may be effectually restored when in a torpid state, or when there is not a due secretion of bile, by the use, for a short period, of a tea spoonful of this Aperient, taken in the morning on rising.

All febrile symptoms will be allayed by taking a tea spoonful, occasionally during the day, and being peculiarly grateful to the stomach, forms a delightful effervescent draught.

Captains of vessels would find this preparation a very desirable medicine for family use at home or when travelling. Its agreeable flavor, its life, its medicinal virtues and portability, neatness of preparation and simplicity in using, renders it far superior to any other ever offered to the public.

TESTIMONIALS.

FROM M. PRICE MOORE, M. D.

"I have used your Effervescent Seltzer Aperient in several cases, with very happy results. As a mild Aperient, it has advantage over all other Aperients, particularly in cases of great debility where it is important to save the strength of the patient. It can be made a pleasant drink, and given in such doses as to obtain the object in view. As a family medicine, I think very highly of it; and as such, can be freely used during the summer months."

"I have often prescribed your Effervescent Seltzer Aperient in this city, and have always been pleased with its operation. It is, in my opinion, a pleasant, safe and mild laxative, calculated to please the most fastidious. To persons residing in warm climates, where a congested state of the liver is a frequent cause of disease, it is a most valuable medicine."

THE undersigned has the honor to inform the Planters and Merchants of Louisiana and neighboring states, that in consequence of the death of Mr Jean Mager, he has chosen as his sole agents and representatives at New Orleans, and for all the Southern States, Messrs Hte. de Goer and Elliard, who are and will be in future, the ONLY SUCCESSORS of Mr Mager. His depot which is definitively established in this house, will be constantly supplied with FRESH GOODS of the first quality, and he trusts that by their cheapness, durability, and the care taken in their fabrication, to justify and extend the patronage with which he has so long been honored in the United States.

Having learned that some merchants and manufacturers have imitated his mark, and are selling inferior blankets under his name; he embraces this opportunity to inform the public, that HIS ONLY DEPOT is at Mssrs. de Goer & Elliard, No 21 Magazine street, and that he will pursue before the Courts of Justice all persons who counterfeit his goods or who sell such counterfeits.

The undersigned once more thanks the public for the confidence heretofore reposed in him, and will endeavor to continue meriting it.
