ARE YOU IN AGONY?

A well spring of hope for all can be found in

HOLLOWAY'S PILLS.

Be of good cheer! The Sinking may be saved! By the use of

HOLLOWAY'S OINTMENT

The history of these great Remedies is the most wonderful medical revelation that the world has ever known. It establishes the sublime truth that WHEREVER, and to WHATEVER EXTENT disease exists, the diuretic, febrifuge, cleansing and healing properties of the Pills are fully equal to the [illegible] and that with the Ointment, they are

The Great Ambassadors of Health to all Mankind.

This is not a history written by one man, or even derived from the experiences of one nation. It consists of a compilation of testimonials from the sick of every country—an unimpeachable record, the like of which has never been adduced in favor of any discovery or invention since time began.

Three Mighty Healers, World-known and World-tried, are a Boon to the Sick.

The want of a sterling medicine to meet the ills and necessities of the suffering portion of humanity, and one entirely free from minerals and other deleterious particles was severely felt till this all-powerful medicine was ushered into the world. HOLLOWAY'S INVALUABLE PILLS have become the HOUSEHOLD REMEDY of all nations. Their attributes are PREVENTIVE as well as CURATIVE; they attack the ROOTS of ALL the complaints and thus by removing the hidden cause of disease reinvigorate and restore the drooping energies of the system, assisting nature in her task of vital and FUNCTIONARY REFORMATION.

Disorders of the Stomach

Are the source of the deadliest maladies. Their effect is to vitiate all the fluids of the body, and to send a poisonous stream through all the channels of life. Now, what is the operation of the Pills? They cleanse the bowels, regulate the liver, bring the relaxed or irritated stomach into a natural condition, and, acting through the secretive organs upon THE BLOOD ITSELF, change the state of the system from disease to health by exercising a simultaneous [illegible] upon all its parts and functions.

Woman in all her Difficulties

Is invited to test the regulating and restorative properties of the harmless but effective preparation. At the critical periods in which the female system is [illegible] the great importance of these [illegible] the Pills a [illegible] safeguard against [illegible]. They are a sovereign remedy in every disorder to which females are exclusively liable.

Be it Understood,

That the above statements can at all times be verified by written testimony tenfold the [illegible] a quarter of a century of trial of the medicines, are incontrovertible witnesses.

Bilious Maladies, &c., &c.

In whatever form disease attacks the liver, it is repelled and exterminated by these searching particles and irresistible curative. Bilious remittents, bilious purging and all the ordinary disorders of the organ, indicated by pain in the right side and between the shoulders, sallowness of the whites of the eyes, weakness and debility, etc., are relieved and removed by the remedy, with a celerity which astonishes the sufferers and their friends. Reflect the sick, whom the faculty have abandoned, resort with confidence to this powerful antidote to agony, and a restoration to health and activity will be the unvarying result.

Dyspepsia, Diarrhea, Weakness, &c.

The terrible bodily and mental pangs which characterize dyspepsia are at once mitigated by the Pills. Diarrhea, constipation, headache, physical prostration, nervous tremors, hot flushes, spasms, affections of the kidneys, hemorrhoids or piles, and, in fact, all internal complaints, from whatever cause arising, give way before the salutary influence of this extraordinary remedy. As a specific for dyspepsia and the disorders connected with it, or growing out of it, the Pills are always to be relied on when every other medicine and mode of treatment has utterly failed.

Holloway's Pills are the best remedy known in the world for the following diseases:

Asthma,	Headaches,
Bowel Complaints,	Influenza,
Coughs,	Indigestion,
Colds,	Inflammation
Costiveness	Inward Weakness
Chest Diseases,	Lowness of Spirits,
Dyspepsia,	Liver Complaints,
Diarrhea,	Piles,
Dropsy,	Stone and Gravel,
Debility,	Secondary Symptoms
Fever and Ague,	Venereal Affections,
Female Complaints,	Worms of All Kinds

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

** Sold at the manufactory of Professor HOLLOWAY 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world. Holloway's PILLS and OINTMENT are now retailed, owing to the high price of drugs, &c. at 30 cents, 70 cents, and $1 10 per box or pot.

There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

Druggists and Merchants, and all Dealers in any of the articles contained in the above, will find it to their advantage by calling or sending their orders where will be found the most extensive assortment of genuine Patent Medicines in the United States, and at the lowest prices. Please address
