MEDICAL.

BULL'S SARSAPARILLA.

is put up in full quart bottles, and contains the strength of 8 TO 12 LB of the crude root. Our Sarsaparilla is any similar preparation made in America.

Price $1 per bottle. Half bottles for 50 c.

IT HAS been well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true panacea for sickness arising from an impure state of the blood, the unskillfulness, improvidence, intemperance, drinking, insecurity, intoxicating drinks, evil habits in youth, barrenness, &c. We hereby assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every product, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medicinal roots, together forming the best compound and produce of the greatest curative agent in the known world.

THIS MEDICINE,

WHEN USED ACCORDING TO DIRECTIONS,

Will Cure Without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Joints, Dropsy, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Bad and Nervous Headaches, Night sweats, Expectoration, Inpridence in life, Chronic Constitutional Diseases, and is a Boring and Summer Blood and general Tonic for the system and a reliable and pleasant purgative. It is superior to Blue Lick of Congress Water, Salts, or Sedlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, Ohio,) thus speaks of Bull's Sarsaparilla:

"It is not to be the unprecedented sale of Bull's compound fluid Extract of sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying results produced upon all who have tried it warrant the assertion that as a purifier of the blood IT HAS NO EQUAL. This is a bold assertion, but it can be substantiated by calling on the agent in this city."

☞ Bear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!

And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1848.

MR. JOHN BULL—Dear Sir: I have been for a number of years afflicted with a Mercurial Headache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully, J. H. OWEN.

RHEUMATISM

☞ Let all those who are suffering under the agonizing tortures of Rhumatism, read the following, and see what may also be done for them, if they will use the infallible remedy.

Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rhumatism of the severest character, and at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to try your preparation of Sarsaparilla, which has entirely cured me of Rhumatism, and greatly improved my general health, more than any medicine I have ever tried.

I have been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for rhumatism. ISHAM BRIGGS.

Uniontown, Union Co., Ky. May 12, 1848.

From Dr. Wm. T. Prentiss

Mr. Bull:—In regard to your sarsaparilla I will say that I have used it in some cases of Cutaneous Affections of long standing, as Tinea Capetis, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or in alteration of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer to have purchased your Sarsaparilla in one, and any physician will admit its value upon learning the substances that enter into the composition.

Respectfully yours, W. T. PRENTISS, M. D.

Lewisport, Ky. Dec. 4, 1848.

It is perhaps needless to produce any further testimony in favor of Bull's Sarsaparilla. It has stood to be tried and proved to convince the public of a superior efficacy. Let all who are labouring under chronic diseases, great debility, nervous debility, weakness, the effects of mercury, or any thing of the kind give this a fair trial. There are thousands throughout the Union who stand in need of it. Let them try it and we assure them that they will not regret it.

NOTE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest female medicines now in existence. In those numerous cases where the Constitution is debilitated, the menses are irregular or suppressed, when the efforts of nature are weak and feeble, and no are produced, and wrought, when the face is pale and colorless, the strength feeble and yielding, the spirit thoughtful and depressed, the hopes broken, and shaken, and confirmed, the health gone, destroyed—then Bull's Sarsaparilla is a sovereign remedy. It acts as a tonic, in the performance of her duty, braces the whole system, renews, permanently, the natural energy, removes obstructions, removes all causes giving pain and debility, and completely restores the natural harmony. Were ladies generally to adopt the use of this medicine, we would see far less suffering, disease and distress, and instead of the thin, pale, nervous, fretful, would take the place of disease, the rosy cheek would succeed the pallid, and we should have instead of sickness, and suffering, a healthy, blooming life. Instead of one out of ten of disease or made miserable from continued suffering and affliction. All that can be, is produced by the Fluid Extract of Life which is of no attendant with so much danger. Bull's Sarsaparilla is free from every ill consequent effect. All ladies approaching the time when they are supposed to be, fact, and avoid themselves of this valuable medicine.

A BEAUTIFUL CHEAP SKIN

How we all admire a clear, healthy white skin, and a rose covered cheek. How often do we see persons not possessing these. Mercurial ointments should be washed, or used as a cosmetic. Poisons, washes, paints, and exploding materials to restore to them a semblance of that which Nature has deprived them of, and that too, even times, with immediate injury to the skin. The fact is Bull's Sarsaparilla is the best, cheapest, safest, and most effectual cosmetic. It feet and only true cosmetic, not to contract the surface with poisonous or deleterious matter which never to close the pores, but to open and cleanse, by removing every particle of bilious, morbid and diseased matter from the blood, making the system free, free from and expelling, by a healthy transmute sweat, and changing the yellow dark and sallow complexion to the fresh and healthy glow of youth. In the ladies it works, could be seen and convinced of its effect, they would stand in the use of all paints, washes and cosmetics, and use the only efficient remedy. A trial will show to be in such and a high enough for the ladies.

BETTER TO THEMSELVES

Texas and Mississippi.

From Dr. James M. Moore.

Mr. John Bull—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the purest scrofula, syphilis and other chronic affections. Constant affections having used it with entire satisfaction in a number of the above cases. JAS. M. MOORE.

Louisville, Dec. 25, 1847.

Mr. John Bull—I am using your Sarsaparilla in several cases of Scrofula, which is fast yielding to it. I am now confident of success in this malady, convinced upon that point, to speak for that disease.

Yours, &c. JAS. M. MOORE, M. D.

Westchester, Ky. February 8, 1848.

Testimony like the following is the strongest in all further testimony of the efficacy of Bull's Sarsaparilla.

From Dr. L. P. Yandell, Professor of Chemistry to the Louisville Medical College.

Louisville, June 6, 1848.

Mr. Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla.

Louisville, March 20, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce the effect I have witnessed on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D.

Resident Physician, Louisville Marine Hospital.

[From the People's Journal, Quincy, Ill.]

BULL'S SARSAPARILLA.—We have used one bottle of this sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used it in time gone by two bottles of it. P Town send a Sarsaparilla, for which we paid $2 50, and believe we received nearly instead of benefit for its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor the sick and afflicted—may, those that are grievously tormented. Certificates are teeming in all directions, from men of truth and high moral standing, placing it, from the entire worth, the very best of all remedies before the public.

Sold wholesale and retail by JOHN BULL, at his principal office, 21 Fourth street, Louisville, Ky., and by the Druggists generally in the city and country.
