CONSUMPTION.—RUSHTON, CLARK & CO'S CELEBRATED GENUINE MEDICINAL COD LIVER OIL.
This valuable remedy, introduced by the medical Profession but little more than two years since, has, during that short period, advanced more rapidly in the public est mation than any remedy yet discovered for the dread disease of the human race. It has been used with the most signal and gratifying success, even in cases considered hopeless, and in the late reports of the New York and Pennsylvania Hospitals, on the use of cod liver oil, it is spoken of as being more valuable than any remedy yet discovered for Consumption and Pulmonary Affections, and it has the great advantage over all other remedies that, instead of reducing, it increases the strength and flesh of the patient, thus proving that it does not operate with the remedy and overcome the disease.
Owing to the purity and superior quality of the Oil of our manufacture having given it a preeminence over all others, several persons have copied the wrapper and style of our bottle in order to palm off inferior quality and adulterated Oil, and as the article, unless pure, is, in most cases, worse than useless, we would call particular attention to our wrapper, which is wound the reverse of each bottle, without which it is not genuine. Be particular and enquire for Rushton, Clark & Co's Cod Liver Oil, and see that the signature is over the cork.
For sale by N Jarvis & Co J Wright & Co, Sickles & Co Randolph & Pope, and by Druggists generally, where pamphlets may be had gratis, giving the history and use of the oil. o26 3m
