RADICAL.

DR. F. TOWNSEND'S SARSAPARILLA, TOMATO AND TOWNSEND'S SARSAPARILLA, PILLS, OR THE ONE HUNDRED DAYS CURE, BY THE ONE EXTRAORDINARY BOTTLE OF TOWNSEND'S SARSAPARILLA.

THIS medicine is put up in quart bottles; it is six times stronger, pleasanter, and warranted superior to any and all other Sarsaparillas for purifying, purging, sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other medicines, is, whilst it eradicates disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES

ever known; it not only purifies the whole system—it strengthens the person, but it creates new pure and rich blood; a discovery possessed by no other medicine! And in this lies the great secret of its wonderful success. It has performed within the past five years more than 20,000 cures of severe cases of diseases at least 18,000 of these were considered incurable, as it has passed the lines of more than 5000 children during the two past seasons.

TEN THOUSAND CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their nervous energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, languid, want of ambition, lasting impotence, premature decay and decline, hastening toward that fatal disease, Consumption can be entirely restored by the use of this remedy. This Sarsaparilla is far superior to any

INVIGORATING CORDIAL,

as it purifies and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Diseases and Strengthen—Consumption cases cured—Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Asthma, Spitting of Blood, Hoarseness of the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side &c., have been cured.

Spitting Blood.

NEW YORK, April 28, 1847.

Dr. Townsend—I really believe that your remedy has been the means, through Providence, of saving my life. I have for several years had a bad cough, it became worse and worse. At last I had a large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I then only used your Sarsaparilla a short time, and there has been a wonderful change for the better. I can now walk all over the city, I spit no blood and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant, WM. RUSSELL, 65 Catharine st.

Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are speedily eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.

Blackwell's Island, Sept. 14, 1847.

Dr. Townsend—I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep, or walk. I had the greatest difficulty in turning the joints even of my body stiffen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars in good. I can now walk, sleep, eat—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject. It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines. It will not fail to cure female disease. By using a few bottles of this medicine many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens the child in the mother's womb, lessens pain and disease, increases and enriches the food, those who have used it think it indispensable. It is highly valued both by mothers and nurses, and prevents diseases attendant upon childbirth; in costiveness, pains, cramps, swelling of the feet, dropsicalness, fevers, inflammations, pain in the back and joints, false pains, hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The following descriptions, in its always safe, and the most delicate and most successful; very few cases require any other medicine in addition to the castoid toilet aperient, as mild. Exercise in the open air and light food, with this medicine, will always insure a safe and sure confinement.

Owing to the great success an immense sale of Dr. Townsend's Sarsaparilla, Pills and Tomato, has been the means, through Providence, of saving my life. I have for several years had a bad cough, it became worse and worse. At last I had large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I then only used your Sarsaparilla a short time, and there has been a wonderful change greatly for the better. I can now walk all over the city, I spit no blood and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant, WM. RUSSELL, 65 Catharine st.

Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are speedily eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.

Blackwell's Island, Sept. 14, 1847.

Dr. Townsend—I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep, or walk. I had the greatest difficulty in turning the joints even of my body stiffen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars in good. I can now walk, sleep, eat—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject. It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines. It will not fail to cure female disease. By using a few bottles of this medicine many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens the child in the mother's womb, lessens pain and disease, increases and enriches the food, those who have used it think it indispensable. It is highly valued both by mothers and nurses, and prevents diseases attendant upon childbirth; in costiveness, pains, cramps, swelling of the feet, dropsicalness, fevers, inflammations, pain in the back and joints, false pains, hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The following descriptions, in its always safe, and the most delicate and most successful; very few cases require any other medicine in addition to the castoid toilet aperient, as mild. Exercise in the open air and light food, with this medicine, will always insure a safe and sure confinement.

130 ly

JEFFERSON ACADEMY,

53 Bourbon street, New Orleans.

CONDUCTED BY J. G. LORD.

THE plan of this Institution comprises a general and extensive system of education. Pupils are admitted at six or seven years of age, and can continue till their education is complete, or till they are prepared for their future pursuits in life.

They are distributed into classes according to their talents and advancement.

The premises are perhaps the best to be found in the city, with ample space for exercise and recreation, every necessary convenience is combined for an institution of its kind on a large scale.

The Professors are gentlemen of talents, shown with care. Good order reigns in the establishment, and strict attention is paid to the moral conduct and improvement of the pupils.
