GRECIAN FANCHERONIAN DROPS

ΣΦ

A SURE AND SAFE REMEDY FOR SICK HEADACHE, CHILLS AND FEVER, JAUNDICE, Dyspepsia, Chronic Diarrhœa, Sea Sickness, Cholera, and Cholera Infantum, and restore a healthy action to the Liver, without a particle of Calomel, Mercury, Quinine or Morphine entering into their composition. They do not pretend to be a remedy for all manner of diseases that flesh is heir to, but experience warrants us in saying the above they will positively cure. They will also correct all deranged peculiarities of the Stomach, and relieve from those aches and pains throughout the system commonly called Rheumatic. It is an excellent remedy for the GRAVEL, and as a VERMIFUGE or WORM Medicine there is none better.

Prepared only by Dr J S Fancher, 140 Fulton street, New York, a few doors from Broadway.

For sale wholesale and retail, by
E H BEACH, 132 Canal street,

RUSHTON, CLARK & CO.'S CELEBRATED GENUINE MEDICINAL COD LIVER OIL,

For Consumption, Scrofulous Affections, Rheumatism, Gout, &c.

DR. WILLIAMS, a celebrated Physician in London, states that having treated with success 204 cases of Consumption which he had treated with Cod Liver Oil, 200 of them were followed by an unquestionable improvement varying in degree from the mitigation of distressing symptoms to an apparently complete restoration to health and strength. Others that purchased Cod Liver Oil in more beneficial proportion any remedy that has yet been employed in that disease, and in the English Journal it was stated that since the introduction and extensive use of Pure Cod Liver Oil in England, the number of deaths from Consumption had decreased about forty per cent.

As this remedy when pure, in cases where it is required, is the most valuable ever discovered, so on the contrary, when impure it is not only valueless, but positively injurious, as it disorders the digestive organs, and deranges the whole system.

We are happy to say, many persons who had been using other oils, and failing to derive any benefit from them, were absolutely giving the use up in disappointment, but being prevailed on to use the oil of our manufacture, in a short time experienced the most favorable results.

As all the tests yet discovered are inadequate to prove the purity of the Cod Liver Oil, in order to guarantee our customers against spurious oils, we have been obliged to put it up with our signature over the cork of each bottle, and the oil put up by us and signed, we will warrant in every particular.

Prepared and sold, wholesale and retail, by RUSHTON, CLARK & CO., wholesale and retail Chemists and Druggists, and manufacturers of pure Medicinal Cod Liver Oil, 110 Broadway, 10 Astor House, and 273 Broadway, Irving House, New York, and by all the principal Druggists in the United States and Canada.

For sale in New Orleans by N JARVIS & CO., J. WRIGHT & CO., SICKLES & CO., RADOLPH & POPE, and by the wholesale and retail Druggists generally.

CAUTION.—See that our signature is over the cork of each bottle, as without it it is not genuine.

MEDICAL.

BULL'S SARSAPARILLA.

put up in full quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any similar preparation made in America.

Price $1 per bottle, or six bottles for $5.

IT HAS been a well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true specific for the obstinate originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that has prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla combines in the virtues of several other valuable medical roots, together forming the best compound and producing the *greatest curative agent in the known world.*

THIS MEDICINE,

WHEN USED ACCORDING TO DIRECTIONS

Will Cure Without Fail

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetter, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Nervous Affections arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Nightsweats, Exposures or Imprudences in life, Constitutional Diseases, &c.

and is a Spring and Summer drinks and general Tonic for the system, and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Saltz, or Sedlitz Powders.

GOOD TESTIMONY.

The Ohio Medical Journal, (Cincinnati, Ohio Ohio,) speaks of Bull's Sarsaparilla:

IT HAS NO EQUAL.—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrants the assertion that as a purifier of the blood IT HAS NO EQUAL. This is a bold assertion, but it can be substantiated by calling on the agent in this city.

Bear that it cures, and that it cures, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!

And that it will cure, no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1848.

MR. JOHN BULL—Dear Sir: I have been for a number of years afflicted with a Mercurial Headache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with your, three bottles of which gave me more relief than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,

J. R. OWEN.

RHEUMATISM

Let all those who are suffering under the agonizing torture of Rheumatism, read the following, and see what may also be done for them, if they will use the infallible remedy.

Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every known remedy, but for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.

I have been free from the disease for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for rheumatism.

Yours, &c., JOHN BRIGGS,
Caloutown, Union Co., Ky. May 17, 1848.

From Dr. Wm. T. Prentiss:

MR. BULL—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing, such as Tetter, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change and purification of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.

Respectfully yours, W. T. PRENTISS, M. D.
Lewisport, Ky. Dec 4, 1847.

It is perhaps needless to produce any further testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let all who are suffering under the dires and numerous diseases for which it is recommended, put up
