Council of Municipality No. One.
Sitting of Tuesday, 27th May, 1851.

WHEREAS the Council of Municipality No One in adopting the resolution of the 7th January, 1850, relative to the revenues to be paid by the farmer of the Vegetable Market, by all persons vending vegetables or game, on the Levee in Perogues, or other crafts, has omitted to fix the amount of said revenues; and whereas, for the protection of the rights acquired by said farmer, and for the better understanding of the aforesaid resolution, it now becomes necessary to fix and determine the amount of said revenues as well as the limits in which said farmer is to exercise the right to collect said revenues.

Be it therefore Ordained that the aforesaid resolution of the 7th of May, 1850, be amended so as to authorize the farmer of the Vegetable Market to demand and receive the sum of one dollar ($1 00) from all persons selling or causing to be sold, in perogues or in every description of water crafts, any or all the articles enumerated in the 10 h section of the Ordinance of 1845, regulating the police of the Vegetable Market: Provided, however, that the present resolution shall not be so construed as to include perogues or water crafts commonly known as "caboteurs," hawkers, who are by existing laws, liable to wharfage duties; and, Provided also that nothing herein contained shall be so construed as authorizing the sale of the above mentioned articles during market hours, as they are defined in section 10th of the Ordinance of 1845. Be it further

Resolved, That the farmer of the Vegetable Market shall exercise the right granted to him in the aforegoing resolution or ordinance only within that portion of the port comprised between the lower line of St Ann street and the upper line of Esplanade street.

MEDICAL.

DR. S. P. TOWNSEND'S SARSAPARILLA.
WONDER AND BLESSING OF THE AGE
THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

THIS extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other medicine, is, whilst it eradicates disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES.

ever known; it not only purifies the whole system—it strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past five years more than 100,000 cures of severe cases of diseases; at least 15,000 of these were considered incurable. It has saved the lives of more than 5000 children during the two past seasons.

TEN THOUSAND CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

INVIGORATING CORDIAL,

as it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen—Consumption can be cured—Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness of the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Spitting Blood.

New York, April 28, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change wrought in me. I am now able to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM. RUSSELL, 65 Catharine st.

Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.

Blackwell's Island, Sept. 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep, or walk. I had the most distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject. It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, increases and enriches the food, those who have used it think it indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth—in costiveness, piles, cramps, swelling of the feet, despondency, heartburn, vomiting, pain in the back and loins, false pains, hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great virtue of this medicine is, it is always safe, and the most delicate and most successful, very few cases require any other medicine; in some a little castor oil or magnesia is useful. Exercise in the open air and light food, with this medicine, will always insure a safe and sure confinement.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, etc. They generally put it up in the same shaped bottles, and some of them have stolen and copied our advertisements, they are only worthless imitations, and should be avoided.

TRICKS OF QUACKS.
Let Everybody Read This Carefully.

THERE is a Sarsaparilla for sale in the different towns called old Dr. Jacob Townsend's Sarsaparilla. It is advertised as the or good, &c. This is a notorious falsehood. While we consider ourselves the respected ... of the ... miserable compound, throughout the country, from any participation in the fraud, we feel it our duty to caution the public against the tricks of the manufacturers, who unblushingly put forth to the world such notorious falsehoods.

Dr. Townsend has expended over $200,000 the last eight years in advertising his Sarsaparilla, which has obtained a character and reputation throughout the United States, and a greater part of the world, the sale being enormous.

This excited the cupidity of certain unprincipled ... and ... who has been engaged in peddling cheap publications for a number of years. This man's name is Jacob Townsend. He applied to a number of men to get employment, or to sell the use of his name to put up Dr. Townsend's Sarsaparilla, stating the large sales and sums we had expended in advertising, as an inducement to embark in the business. Among others was, ... Charles Glatrous, Esq., editor of the Jamaica Farmer, who scorned such a proposition. Mr. H. G. Andrews, formerly one of the proprietors of McAlister's Ointment; Ralph Pomeroy, formerly cashier and financier of the broken shinplaster bank at Belleville, New Jersey; John Skillman and Wm. Thompson, under the name of Skillman, Thompson & Co., have employed this old man, and agreed, as we understand, to pay him seven dollars per week for the use of his name.

Another Trick.

We went to an expense of five hundred dollars to get up a splendid steel engraving for our Label, and had the portrait of Dr Townsend on it to distinguish it from all others and prevent mistakes. These men are now getting up a label on steel, with a portrait of old Jacob Townsend—let the public decide upon such transactions, and let them remember that none is genuine and original, unless signed with the name of S. P. Townsend. The plate is engraved on steel and contains the portrait of Dr. Townsend, three female figures and a view of our factory. The spurious has no factory or female figures.

Dr. Townsend No Physician.

These men also publish that Dr. Townsend is no Physician. This, like all other statements, is false. Dr. Townsend attended two of the best medical schools in the country, has studied the different theories of medicine, and practised for thirty fifteen years; has experimented several years and expended large sums of money in bringing his medicine to perfection.

Among other recommendations of this article is warranted to keep sweet in all climates.

Prepared and sold by S. P. TOWNSEND, M. D., 126 Fulton street, New York. All persons who want the Original and Genuine S. P. Townsend's Sarsaparilla, which has given such universal satisfaction in this city during the last three years, can procure the same of the *Only Agents* for New Orleans.

DR. EDOUARD MARTIN'S
HYGIENIC ELIXIR,
AGAINST SEA-SICKNESS.

FOR a long time past the scientific world, medical men especially, appear to have been struck with the remarkable fact, that among the innumerable collection of curative agents discovered, not one had been found to counteract or even mitigate the dreadful effects of sea-sickness. Several means have been tried to attain this end. These remedies, whether simple or compound, after many trials, have hitherto proved signal failures. An idea may be formed thereof by the perusal of the annals of Pharmacy, Chemistry and Medicine of all countries, published within the last ten years.

The inventor of the "Hygienic Elixir," has at length made this invaluable discovery. After numerous trials, changes and alterations in the proportions of the substances composing this Elixir, he is enabled to offer it to travelers in the shape of a palatable draught, not decomposed or altered either by climate or age.

The Elixir checks sea sickness immediately, and restores the stomach to its healthy state. However delicate be the constitution of the person using it, it is equally infallible, and procures a genial feeling of ease and comfort. The nausea ceases as if by magic, calm and sleep are restored, the appetite awakened, and the digestion effected promptly under the influence of this tonic.

The inventor having had an opportunity during a recent sea voyage, to make personally a final trial of his Elixir, has made up his mind to offer it to the public. He could corroborate the above statements by testimonials from several sea captains, but will appeal only to the opinion of one of the most intelligent and distinguished commanders of the French Commercial Navy. Capt. Labory, having had opportunities of testing, under his own immediate supervision, the efficacy of this remedy, (then in the shape of pills) during several voyages, gives thus the result:

Dear Doctor—During my last voyage to France, I have had opportunities of testing on divers persons your remedy against sea-sickness; I am happy to be enabled to report to you that I have obtained the best results, and if it were possible to alter this remedy into a palatable draught, such as a lemonade or some kind, (which could be more easily taken than in its present shape, especially when the sea-sickness has already commenced,) nothing more would be required, and you would be entitled to the everlasting gratitude of all those who are obliged to travel by sea, without being accustomed thereto.

I am yours, truly,
Signed, A. LABORY, Com'r Ship l'Oscar.

The improvement suggested by Capt. Labory has been effected. The Tonic and Hygienic Elixir against sea-sickness, is sold in four ounce bottles, with glass stoppers. Care must be taken to keep the bottles corked to prevent evaporation.

Dr. Ed. Martin's Vermifuge Syrup.
Without any disagreeable Taste or Smell.

THE MALIA AZEDARACH, (*Follia Bipinnati, Linnæus' Class X Decand: Monogyn:—Jussieu, Class XIII, order II, Meliaceæ;—Tournefort, Class XXI, Arbres rosacés,*) one of the most beautiful ornaments of our forests, the root of which, for some time past has been, by a few persons, justly reputed the best vermifuge known, supplies us with the principal agent in the above named remedy.

Having sought with the greatest care in the bark of the root of this tree, the active principle which produces such excellent results in verminous affections of children, we have succeeded in extracting it in its purest state and by combining it with other tonic plants which are nearly all indigenous to Louisiana, have arrived at composing the above VERMIFUGE SYRUP, the efficacy of which is now beyond the shadow of a doubt.

This Syrup, of an agreeable flavor, can be administered without the slightest apprehension to the most delicate children. Its use continued during three days, the doses being given at shorter intervals as the child may be older and stronger, will infallibly expel all those intestinal worms which are the source of so many diseases, dangerous and often fatal to children.

Some mothers, rendered timorous by the frightful results of the various *vermifuges* hitherto employed, have given it to their children, but in doses extremely small; this has, in such cases, rendered the effect incomplete, and might have injured the standing of this remedy, had not several of our most experienced practitioners, by judiciously prescribing it and regulating the doses adapted to the different ages tested and established its excellent virtues.

To avoid debilitating the little patients by too severe a diet, we have modified the doses originally prescribed, in the following manner:

Children 2 to 5 years old, three tea spoonfulls a day, at an interval of from 1 to 2 hours. Above five years old, three table spoonfulls at the same intervals. No nourishment to be given between the first and third dose, nor within an hour after the third.

The Syrup must be administered during three consecutive days. Composed entirely of vegetable extracts, this Vermifuge does not produce any of the pernicious effects which have often followed the use of those hitherto in use.

RUSHTON, CLARK & CO.'S
CELEBRATED GENUINE MEDICINAL
COD LIVER OIL,
For Consumption, Scrofulous Affections, Rheumatism, Gout, &c.

DR. WILLIAMS, a celebrated Physician in London, states that having preserved notes of 234 cases of Consumption which he had treated with Cod Liver Oil, 206 of them were followed by an unequivocal improvement, varying in degree from the mitigation of distressing symptoms to an apparently complete restoration to health, and he considers that pure, fresh, properly prepared Cod Liver Oil is more beneficial than any remedy that has yet been employed in that disease, and in a late English Journal it was stated that since the introduction and extensive use of Pure Cod Liver Oil in England, the number of deaths from Consumption had decreased about forty per cent.

As this remedy when pure, in cases where it is required, is the most valuable ever discovered, so on the contrary, when impure it is not only valueless, but positively injurious, as it disorders the digestive organs, and deranges the whole system.

We are happy to say, many persons who had been using other oils, and failing to derive any benefit from them, were about giving up the use of it in disappointment, but being prevailed on to use the oil of our manufacture, in a short time experienced the most favorable results.

As all the tests yet discovered are inadequate to prove the purity of the Cod Liver Oil, in order to guarantee our customers a genuine article, we have been obliged to put it up with our signature over the cork of each bottle, and the oil put up by us and signed, we will warrant in every particular.

Prepared and sold, wholesale and retail, by RUSHTON, CLARK & CO., wholesale and retail Chemists and Druggists, and manufacturers of pure Medicinal Cod Liver Oil, 110 Broadway, 10 Astor House, and 273 Broadway Irving House, New York, and by all the principal Druggists in the United States and Canada.

For sale in New Orleans by N. JARVIS & CO., J. WRIGHT & CO., SICKLES & CO., RANDOLPH & POPE, and by the wholesale and retail Druggists generally.

CAUTION:—See that our signature is over the cork of each bottle, as without it, it is not genuine.

ST. LOUIS' INSTITUTION.
DIRECTED BY MADAME DERON.
BOARDING AND DAY SCHOOL FOR YOUNG LADIES.
(Years 1850—'51.)
No 145 St. Louis st., between Dauphin & Burgundy.

THIS Institution, founded nearly twelve years ago, combines every material, moral, and intellectual advantage. Madame Deron, formerly a pupil and governess in the "Institut de la Legion d'Honneur," (Maison St. Denis,) has founded her Seminary, as much as possible, on the model of that great establishment, as well as on the plan of the first Northern Academies.

The situation of St. Louis' Institution is one of the most agreeable and salubrious in town. The whole locality, including dormitories, class and study rooms, and play grounds, being very spacious and airy, and overlooking several gardens, is in so healthy a position, that not a single pupil has experienced the least serious illness.

The plan of instruction both in French and English embraces all the literary and scientific branches of a finished education.

The study of English is the object of particular attention. Madame Deron is scrupulously careful that the creole Young Ladies should devote more time to the study of the English language and literature than to any other branch. Mr. Orton; a professor well known in New Orleans, continues his course of lessons every day. Two English governesses residing in the establishment, preside over the elementary classes, and contribute to the progress of the pupils by the continual use of that language in all the relations of ordinary life.

With respect to the study of French, besides the lessons of able professors and governesses, M. and Madame Deron themselves instruct in the different branches, and are thus enabled by their personal efforts to insure the solidity and rapidity of the progress of their pupils.

The department of Music, including the piano, harp and singing, is under the direction of Madame Lavillebeuvre, an excellent music mistress, who formerly gave lessons in St. Louis' Institution, and who is now especially attached to the establishment. This young and talented lady, so justly classed at the head of the artistic celebrities of Louisiana, secures to the study of Music in Madame Deron's Academy a marked superiority. No mistress can better join example to precept, and this is often the secret of the scholar's advancement. A musical examination taking place every month is intended to prove the rapid and brilliant progress of Madame Lavillebeuvre's pupils.

Religious and moral instruction, which is the basis of every really good education, has received greater developments than in any other Boarding School in the city. Madame Deron herself superintends the religious exercises of the Catholic pupils, and M. l'Abbe Tholomier prepares them for their first communion, and for confirmation by giving religious instruction several times every week in the Chapel of St. Louis' Institution. o4

Southern Mutual Life Insurance Company of Louisiana.

Life Insurance Exclusively.

EXTRA GUARANTEE FUND $50,000.
ACCUMULATIVE CAPITAL $500,000.

PARENT OFFICE, NO. 43 CAMP ST.,
New Orleans.

THIS COMPANY is now ready to make Insurance on White Persons and Slaves, at their established rates of premium. This being the only company incorporated in the State confined exclusively to Life Insurance, with an extra Guarantee Fund, the Directors feel confident that it affords unusual and much greater inducements to those desirous of effecting an insurance on their lives than any other.

It is also upon the Mutual principle; each person assured becoming a member thereof and enjoying a portion of its profits, being entirely exempt from any liability beyond the amount of premium accrued.

Insurance companies organized upon the mutual principle are generally successful, more especially those exclusively confined to Life, as they are based upon calculations warranted correct by long experience and close scrutiny, but the stability and success of this Company is secured beyond a contingency, by the advantageous arrangement she has made for an undoubted guarantee fund of 50,000 dollars, not to be used or loaned, as subscriptions to mutual insurance companies most always are, by insurance.

This extra guarantee fund of 50,000 dollars remains permanent until the Company has accumulated a similar amount to take its place.

California permits granted, and extensive traveling privileges allowed.

Rights and title to the Batture—Succession of the late Manette St Amand.
BY N. VIGNIE, Auctioneer.

BY virtue of an order from the honorable the Second District Court of the State of Louisiana, in and for the Parish of Orleans, will be sold at public auction on SATURDAY, 26th July, 1851, at 12 o'clock, M., at the City Exchange, St. Louis street, between Royal and Chartres streets, for account of said succession—

All the rights, title and interest of said late Manette St. Amand, in and to the batture in front of a lot of ground designated as No. 12, situated and lying and being in this city, and bounded by Tchoupitoulas, Levee, Poydras and Notre Dame streets, in as (per) a plan annexed to an act passed before Jean Baptiste Levergne, late notary in this city, on 30th day of September, 1820, containing a donation by the owners of the batture in front of the suburb St. Mary, to the Corporation of the city of New Orleans, which batture ground measures 31 feet front on Levee street, which rights of batture are such as they result from an act of the Legislature of this State, dated 31st of the 21st day of March, 1850, entitled "An act concerning a portion of the batture in front of Municipality No. 2, of the city of New Orleans"—said late Manette St. Amand having been heretofore ... to said act of the ... day of September, 1820.

The said lot No. 12, formerly belonged to the estate of Pierre Lafitte; it was adjudicated to Alexander Duputel, St. Amand, at a public sale of the property belonging to said succession, made by the Register of Wills, on and for the parish of Orleans, on the 24th of April, 1832, and the heirs of the late Pierre Lafitte pretend that they alone are entitled to said rights of batture as they result from said act of the Legislature of this State, dated 21st March, 1850, on the ground that said sale transferred only the lot fronting Levee street, and not the rights of batture.

... credit of one and two years, in notes of the purchaser endorsed to satisfaction, and secured by mortgage on the lot of ground to which said claim applies, and 8 per cent interest per annum from maturity if not punctually paid. je14

GOURAUD'S
ITALIAN MEDICATED SOAP.

LANGUAGE is powerless to set forth one tithe of the wonderful properties, but the high meed of public approbation has so decidedly and unchangeably stamped the superiority of this remarkable soap, that to doubt its efficacy in the curation of tan, freckles, sunburn, salt rheum, pimples, ringworm, chaps and cracks of the skin, and other cutaneous disfigurements, is only to exhibit a ... of the existence of truth itself. It is also a ... compound, for the skin, and the very best shaving compound ever used.

Equally famous is Gouraud's Poudre Subtile, for eradicating superfluous hair from any part of the body.

Gouraud's Hair Restorative, or Circassian Gloss, is a beautiful preparation for the hair, preventing its falling out, producing its growth, and making wiry, harsh hair, soft, silky and glossy. Trial bottles, 25 cents each.

Gouraud's Liquid Hair Dye will instantly change red or gray hair to a beautiful brown or black.

Gouraud's Liquid Rouge is a superb article for giving a rose stain to pale lips and cheeks, defying detection by rubbing.

Gouraud's Lily White is an unrivaled production for rough, flushed, sluggish complexions.

Dr. Felix Gouraud's preparations can only be had genuine at his sole agent,
