G. BOYER'S INSTITUTION, No. 146 Conti Street, between Dauphine and Burgundy.

MR. G. BOYER, founder of this establishment, the oldest in New Orleans, avails himself of this opportunity to make a new appeal to the confidence of parents. This institution is conducted in a large mansion, occupying the central position, being well ventilated, and in other respects perfectly salubrious. The range of studies which engage the attention of the pupils, extend over all the branches of learning, which are necessary to a useful, polite and finished education; from primary instruction, to the more abstruse subjects which are reserved to the province of a collegiate course. The elementary studies are attended to with more than ordinary care, considering the decisive influence which they exercise over the subsequent course of study. Discipline, which must not be separated from assiduous study, no: a good education, is conducted with authority. It is calculated according to the age and character of the students, and intended to give them an accurate idea of duty and good behavior.

YOUNG LADIES' ACADEMY.

MADAME PARENT has removed her institution to Customhouse st., between Royal and Bourbon, No. 86, the house heretofore occupied by M'me. Granet, and is ready to receive boarders, half boarders, and day scholars. There is a very large yard, together with a garden for the young ladies to amuse themselves. The apartments are vast and well aired. There is every advantage and inducement offered to parents, as to the moral and intellectual cultivation of the minds of their daughters. The best Professors are employed. Every branch of a solid and refined education is taught, in both languages; also, accomplishments such as drawing, Painting, Embroidery, &c.
MADAME PARENT would inform the public that she has made permanent engagements with Professors Le Besque and Auchaouty, late (principals of the Franklin High School.) It would be superfluous to add anything respecting the very distinguished talents of these gentlemen who are already so long known to the community at large. The former has charge of the French language and French literature; the latter, the supervision of the higher English classes and natural sciences.
The Musical department is under the direction of three of the most competent and acknowledged talents in the city.
Professor Alleton has the special charge of the Mathematical branches.
Mr. Genibral has been engaged as a Teacher of Vocal Music.
For terms apply at the institution. Parents are permitted to visit this institution on Sundays.
Once a week, (Saturday,) between 12 and 1 o'clock, the young ladies assemble in the parlor, in order to acquire those polite and graceful manners so necessary to young persons when they enter society.

A. W. Faber's Polygrades Lead Pencils.

BEWARE OF COUNTERFEITS!

THE well established reputation of these Pencils, which have obtained the Prize Medal at the World's Fair, of 1851, in London, as well as in Prussia, Bavaria and Saxony being also strongly recommended by the royal Academies of Paris, Berlin, Munich, and Rome, has induced some unprincipled persons to imitate them, and to sell these imitations, sometimes of a very inferior quality, to the public as genuine. Several parties in this country have already been brought to justice for selling counterfeits. There are others, who in order to avoid the law have the stamp on the Pencils slightly changed from A. W. Faber, into W. A. Faber, A. G. Fabor, A. W. Fabre, A. K. Favre, A. W. Favre, &c., therefore, careful to examine the stamp. Look for the facsimile of the signature of A. W. Faber on the labels round the dozens.

MEDICAL.

BULL'S SARSAPARILLA,

Is put up in large quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any other [illegible].

Price $1 per bottle, or six bottles for $5.

IT HAS been [illegible] that Sarsaparilla [illegible] was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without any regard to price, and every pound before being used, is subject to the strictest chemical test, and its genuineness ascertained before being used.
Bull's Sarsaparilla also contains the virtues of several other valuable medicinal roots, together forming the best compound and producing the greatest curative agent in the known world.

This medicine when used according to directions **Will cure without Fail!!!**

Scrofula or King's Evil, Cancers, Tumors, Eruptions of the skin, Erysipelas, Chronic Sore Eyes, Ringworm or Tetters, Rheumatism, Scald head, Pains in the bones or joints, Old Sores or Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of appetite, Pain in the side and shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness in the Chest, Pulmonary affections and all other Diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposures or imprudence in life, Chronic constitutional Diseases and is a spring and summer drink and general Tonic for the system, and a gentle and pleasant purgative; superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

Good Testimony.

The Ohio State Journal, (Columbus, O.,) thus speaks of Bull's Sarsaparilla:
IT HAS NO EQUAL.—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood it has no equal. This a bold assertion, but it can be substantiated by calling on the agent in this city.
Bear with me reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD.
And that it will cure you no matter how long you have been suffering.
What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA. Louisville, May 31, 1848.
Mr. John Bull—Dear Sir: For a number of years I have been afflicted with a severe nervous headache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief than all the others combined.
I therefore take pleasure in recommending your Sarsaparilla to the afflicted community as a superior article. Very respectfully, J. H. OWEN.

RHEUMATISM.

Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, and see what may also be done for them, if they will use the infallible remedy:
Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.
I have been free from pain for several months, and I have no doubt the cure is permanent, and I confidently recommend it as being the best medicine for Rheumatism. ISHAM BRIGGS, Uniontown, Union co. Ky., May 12, 1848.

From Dr. Wm. T. Prentiss:
Mr. Bull—In regard to your Sarsaparilla, I will say, that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the fluids of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substance that enter into its composition.
Respectfully yours, W. T. PRENTISS, M. D. Lewisport, Ky. Dec. 4, 1847.
It is perhaps needless to procure any further testimony in favor of this great remedy. It has only to be tried and proved to convince the public of its superior efficacy. Let all who are laboring under chronic diseases, general derangement, nervous debility, weakness, the effects of mercury, or anything of the kind give it a fair trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse and overwrought, when the face is pale and colorless, the strength feeble and yielding, the spirits troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. [illegible]

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful white skin, and a rosy colored cheek. [illegible]

THE TESTIMONY.

Mr. John Bull—I have no hesitation in saying that I believe your Sarsaparilla to be the best medicine manufactured for the cure of Scrofula, Syphilis, and many other Cutaneous and Glandular Affections, having used it with entire success in a number of the above cases. JAS. M. MOORE. Louisville, Dec. 26, 1847.

More Testimony from Dr. Moore.

Mr. John Bull—I am using your Sarsaparilla in several new cases of Scrofula, and it seems, as I am more confident, it is one of the most efficacious medicines that can be made for that disease. Yours, JAS. M. MOORE, M. D.
Winchester, Ky., Feb. 1, 1848.
Testimony like the following renders superfluous all further statements on the efficacy of Bull's Sarsaparilla.
From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.
"I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases to which it is applicable. L. P. YANDELL, M. D. Louisville, June 6, 1848.
What Dr. Pyles, Physician, by appointment to the Louisville Marine Hospital, says of Bull's Sarsaparilla. Louisville, March 30, 1849.
I have examined the prescription for the preparation of John Bull's Sarsaparilla and believe the combination to be an excellent one and well calculated to produce an alterative impression on the system. I have used it both in hospital and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D., Resident Physician, Louisville Marine Hospital.
From the People's Journal, Quincy, Ill.
BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in those poor by two bottles of Dr. Townsend's Sarsaparilla [illegible].
This medicine is daily grappling with disease, through the western country, restoring to blooming health the youthful vigor, the sick and afflicted—nay, those that are grievously tormented. Certificates are received from all directions, from men of truth and high moral standing, placing it, from its virtues, at the head of all the medicines before the public.
Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth st., Louisville, Ky., and by the Druggists generally in the city and country. J. WRIGHT & CO, 151 Chartres st.
