ROB LAFFECTEUR,

The only one authorized in France and Russia

THE original Rob of Dr. ROYAVEAU-LAFFECTEUR, the only one authorized and warranted genuine by the signature of Dr. GIRAUDEAU de SAINT-GERVAIS, cures rapidly all cutaneous diseases, rheumatism, nervous affections incident to the dotti, obstructions and accidents consequent on parturition, of climacteric age and all inveterate humors. This syrup is agreeable to the taste, can be kept for any length of time, and be used in all seasons—it is specially prescribed for the cure of all syphilitic diseases, recent or inveterate, and which could be cured by neither iodine, mercury or solution of potassium.

The Rob Laffecteur has been approved by the old Royal Society of Medicine, by a decree of Anno XIII, and supplied to the Royal Navy of France since 1188; it has been approved in Belgium by the Secretary of the War Department, for the use of the Belgian army hospitals; and lately it has been authorized for the whole empire of Russia.

The general office for the sale of the genuine Rob Royaveau Laffecteur is at the GRAND DEPOT DE SANTE, rue Vieille du Temple, No. 12 Richer street, Paris.

DAY AND BOARDING SCHOOL.

UNDER THE DIRECTION OF

MADAME PARENT,

Corner of Remapart and De Ulonia streets.

THIS Institution occupies one of the best locations in the city with respect to health and many other important advantages. The building is commodious, the apartments are neat and well ventilated, and are furnished with every necessary comfort.

There are four fine dormatories with dressing cabinets; also spacious galleries all through the house, a splendid room for recreation and a most beautiful yard of the city as far as the lake.

Orphans of slaves are offered to parents, as to the moral and intellectual cultivation of the minds of their daughters.

Madame Parent is always present with her pupils; she teaches during the hours of class, and superintends the different divisions. There is an ample number of the best professors employed in the various branches.

Every branch of a solid and refined education is taught in both languages; all accomplishments, such as Drawing, Painting, Dancing, and Embroidery, Music, *Musical Composition* (a branch of music, *instrumental*) is *conducted by four of the most competent and acknowledged talents in the city.*

It would be superfluous to say anything respecting the special attention that is paid to the English, a long Madame Parent's native language. The best guarantee that she can give to the public is that the French young ladies who have been educated by her speak it as fluently as their mother tongue.

For terms, apply at the Institution, where prospectuses may be obtained.

YOUNG LADIES residing at a distance in the different Districts, will be conveyed gratis to and from their institution. o28
