MEDICAL.

Blood Purifier and Blood Pills.

DISEASE VANQUISHED

By Dr. Roback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIMENT, Dr. Roback, the eminent Swedish Physician, succeeded in producing a medicine from the mountain herbs of his native land, which acts directly upon the causes of disease in the blood, and by restoring the corrupted fluids of the body to a condition of health it may be located, or whatever may be its character. Indigestion, nervous complaints, epilepsy and other fits, coughs, consumption in its early stages, sore throat, bronchitis, fever and ague, asthma, low spirits, sexual incapacity, feminine weakness, [illegible] of the skin, symptomatic of paralytic rheumatism, neuralgia, tumors, cancer, diabetes, [illegible] and debility, diarrhea and all disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscular fibre, are unerringly cured by this preparation. It is to the vermin venom, or seeds of disease, what an alkali is to an acid; it neutralizes them with absolute certainty, while, at the same time, it regulates the secretions, removes obstructions from the bowels, creates appetite, renews bodily vigor, and regenerates every animal function. Such is the nature, such are the effects of Dr. Roback's famous Scandinavian Blood Purifier, which, if taken in conjunction with his Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen the period of ordinary span.

Read the following certificate of a cure of Rheumatism of seven years' standing, of a lady of 73 years, which evidences strong as proof of Holy Writ, the evidence which follows, and must forever banish all doubts respecting the virtue of Dr. Roback's Scandinavian Blood Purifier and Blood Pills.

CINCINNATI, O., Sept. 27th, 1856.

Dr. C. W. ROBACK—Dear Sir:—I feel it my duty to acknowledge publicly the wonderful cure made in the case of my wife, who has been afflicted with the Rheumatism in one of her knees for seven or eight years. We tried all kinds of medicine, but to little or no effect. At last, it struck all through her system, so that she could not rest day or night; her pain was so severe at times that she had hard work to breathe; at last became entirely helpless, so that we had to dress and feed her like a child. We had one of our best physicians, who thought it of no use to make a bill when there was no hope. It now was my earnest prayer that God in his wisdom would direct us to some means that would restore her to health again. When it appeared, like an act of Providence in answer to my prayer, that a man, passing by, handed me one of your medical almanacs; and, on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine that would cure my wife. So I sent by Mr. Thacker, our superintendent, the bearer of this, and got a bottle of Blood Purifier and one box of Pills; and, to our great joy, before she had taken it all, she was able to get up, and is now able to attend to her little affairs about the house, for which I feel thankful to God. She is now 73 years old, and has the bloom of health on her cheek, all the effects of your medicine. May God grant you long life and success. Yours truly, JEREMIAH ROWAN.

Make sure of the genuine article by purchasing one of respectable dealers and regular agents, or of Roback himself, No. 6 East Fourth Street, Cincinnati, where he may be consulted, by letter as well as personally, in all complicated and difficult cases.

Price of the Scandinavian Blood Purifier $1 per bottle, or $6 per half dozen. Pills 25c. per box, or five boxes for $1.

Wholesale and retail depot, No. 6 East Fourth street, Cincinnati, Ohio, and for sale by dealers in medicine generally.

For sale in New Orleans, wholesale and retail, by J. WRIGHT & CO., 21 and 151 Chartres street.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in its favor, given by the most prominent and well known Physicians and individuals, in all parts of the country, is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

MAGNETISM.

M'ME ALLUARD,

FRENCH SOMNAMBULIST,

No. 331, Bourbon Street, Between Ursulines and Hospital.

TREATMENT of all kinds of chronic diseases which ordinary remedies have failed to cure, and especially of desperate cases of nervous affections.

M'me Alluard, for many years under the direction of Dr. Poupard, in France, may be consulted at her residence and calls on patients wherever her services are required.

The direct application of magnetism by Mr. Alluard, assisted by M'me Alluard, has been followed by numerous cures; the fact is unquestionable. Out of a thousand cases of nervous diseases, eight hundred at least are almost instantly cured by this extraordinary SOMNAMBULIST; sufferers should hasten therefore to avail themselves of M'me Alluard's services.

The New Orleans Press have often recorded the cases of persons of seventeen years' standing. The "Louisiana Courier," the "Daily Crescent," the "Delta," "True Delta," "National" and "Bee," published in 1853 and 1854, letters from well-known and highly respectable persons, whose testimony cannot be doubted, tendering their heartfelt thanks to M'me Alluard, and fully acknowledging her wonderful success.

The same papers also spoke very highly of the surprising magnetic experiments by M'me Alluard, under the direction of her husband. See the Courier of December 12th, 1853, the Bee of November 29th, 1854, and the Crescent of May 29th, 1855.

It is to be regretted that all the cures effected by M'me Alluard cannot here be stated, but the nature of certain diseases renders this course necessary. The fact, however, is now acknowledged that patients can be permanently cured by M'me Alluard.

A Somnambulist offering such guarantees as these, and who has constantly been successful, is certainly entitled to the confidence of those whom ordinary remedies have failed to cure. These remedies are powerless in cases of nervous diseases, which are cured by magnetism, as are also in cases of epilepsy, hysteria, fever and ague, bilious and brain fevers, typhoid and malignant fevers, yellow fever, headaches, heartburn, cramp in the stomach, gastritis, gastralgy, palpitation of the heart, fainting, liver complaint, spleen, jaundice, colics, diarrhea, costiveness, hemorrhage, spitting of blood, giddiness, falling of the womb, suppression of the menses, humors in the blood, consumption, pulmonary catarrhs, cutaneous diseases, cancer, itch, wounds, sores, rheumatism, deafness, ophthalmy, inflammation of the eyelids, dislocations, sprains, blindness and other diseases, &c.

The above diseases are daily cured with the greatest ease by M'me Alluard, and the public is informed that she is the only somnambulist who can see, notwithstanding the complete exclusion of light.

Persons desirous of witnessing this phenomenon are invited to call at the residence of M'me Alluard, and agree on the time for magnetic experiments. No one will be deceived.

Admittance, 50 cents.

MRS. DIBBON tenders her thanks for the confidence [illegible] reposed in her [illegible] the healthy reward the assurance of her best [illegible] the welfare of their children. Mrs. Dibbon having been enabled, by her residence in Paris, to give [illegible] [illegible] [illegible]

Mrs. DIBBON wishes that modest and elegant manners be imparted to her pupils, while receiving a solid instruction based upon morality and religion; in a word, a complete education, which will enable them one day to guide their own children. She hopes that her motives will be appreciated by intelligent mothers, who prefer practical studies to a brilliant success in a public exhibition. The award of premiums do the St. Louis Institute, following a serious examination, will then always be a family [illegible] [illegible] [illegible] [illegible]

Music, as well as general instruction, (which will not interfere with the other) will be carefully and constantly attended to. Mrs. Dibbon has engaged in France, by her establishment, the services of a [illegible] lady, who is thoroughly conversant with that interesting art. The course of solfeggio and singing will be admirably conducted by Mrs. MAGARET LARIA, whose splendid voice will always be seconded by her excellent method. [illegible]

Mrs. DIBBON having often been applied to for private lessons by young ladies who could not follow the regular classes, a French class, on the plan of Messrs. Bandy and Levi, of Paris, will be opened in the hall of January next, three times a week, in the establishment, and be divided into a primary and superior course. The pupils of the establishment will, of course, be the first admitted to the same, and will therefore contribute to the progress of the pupils by exciting a general emulation.

Mothers may attend the course, should they desire to do so.

DAY AND BOARDING SCHOOL FOR YOUNG LADIES,

UNDER THE DIRECTION OF

MADAM CHARPAUX,

At the corner of Bayou and Claiborne streets.

THIS SEMINARY, whose existence dates some six years back, has met with a success that proved, beyond all cavil, the capacity of those who have charge of it.

Determined to merit the confidence of parents, Madam Charpaux will spare no pains to make her boarding equal to the best institutions of the kind in New Orleans, and in order to do this, she has employed the ablest teachers.

Madam Charpaux has purchased a large and airy edifice on one of the highest pieces of ground in the city, and the better to consult the health of her pupils she has had spacious and elevated apartments built on purpose for school and sleeping rooms, through which there will be a constant circulation of air from many windows.

Great attention will be paid to the improvement of scholars in the English language. For this purpose, American ladies of acknowledged capacity, as teachers, will constantly reside in the Seminary.

The English, French and Spanish languages, reading, writing, arithmetic, and in short all the branches of a polite education, will be taught in the Seminary.

As religion should be the foundation of all sound education, it will be carefully attended to by Madam Charpaux, who will conduct to church and preliminary catechisms all her young ladies who may have their first communion to make.

Music having become a most desirable branch of the education of young ladies, Mr. Charpaux, from the best musical school in Paris, and ex-leader of the Orleans Theatre, will devote all his time to teaching music. All the Scholars, besides their regular lessons, will practice daily under the eyes of the professor. The study of the notes will precede the performances, when Mr. Charpaux will put the pupils through the execution of the regular Keys and notes, and this will be attended with no extra charge.

In order to kindle emulation among the pupils, and improve their singing, on the morning of the last Saturday in every month there will be a musical entertainment at the Seminary.

Madam Charpaux, in order to complete the education of her scholars, has opened a class where will be taught all the useful and ornamental branches of needle-work.

During the summer the classes will open at 8 o'clock, and close at 3. Re-open at 4 and close at 6 o'clock, P. M. In winter, they will open at 8½, and close at 3. Re-open at 4½ and close at 6 o'clock. P. M.

DAY AND BOARDING SCHOOL,

UNDER THE DIRECTION OF

MADAME PARRET,

Corner of Rampart and Du Maine streets.

THIS institution occupies one of the best locations in the city with respect to health and many other important advantages. The building is commodious, the apartments are vast and well ventilated, and are particularly well adapted for classes.

There are four fine dormitories with dressing cabinets; a fine spacious gallery all through the house; a splendid terrace commanding a most beautiful view of the city as far as the Lake.

The best advantages are offered to parents, as to the moral and intellectual cultivation of the minds of their daughters.

Madame Parret is always present with her pupils, who are teachers during the hours of their superintendence of the different divisions. [illegible] of the best professors employed, besides ladies residing in the institution.

Every French and solid refined education is taught in both languages; all accomplishments, such as Drawing, Painting, Dancing, and Embroidery, &c. The Musical department (including vocal and instrumental,) is conducted by the most competent and acknowledged talent in the city.

It would be superfluous to say anything respecting the special attention that is paid to the English, a being Madame Parret's native language. The best guarantee that she can give to the public is, that the French young ladies who have been educated by her speak it as fluently as their mother tongue.

For terms, apply at the institution, where prospectuses can be obtained.
