Embalming the Dead.

P. CASANAVE, UNDERTAKER, No. 37 Moreau street, between Customhouse and Bienville, (Second District)

HAVING purchased from Dr. Holmes, of New York, the right of EMBALMING THE DEAD by his celebrated process, not only in the city of New Orleans and its environs, but also on the other side of the lake, informs the public that orders will be attended to at all hours, by day or by night. He avails himself of this opportunity to assure the public that the bodies are not opened, nor in any manner whatever mutilated, but remain in their natural state.

He has had a large tomb erected in Cemetery No. Two, Bienville street, similar to those in Greenwood Cemetery, New York, and which is destined to receive temporarily embalmed bodies previous to their being taken for interment in other countries. The bodies may be embalmed within eight or ten days after death. Relatives and friends of the deceased will be admitted to the inspection of the bodies at all times. mar25 ly

DR. ROBACK'S SCANDINAVIAN REMEDIES.

By Dr. Roback's Scandinavian Remedies.

A ... PURIFIER of ... the system ... the source of disease in the blood, and by restoring the perverted fountain of life to a condition of health and purity, expels disease from the system, wherever it may be located, or whatever may be its character. Indigestion, nervous complaints, epilepsy and other fits, coughs, consumption in its early stages, sore throat, bronchitis, fever and ague, asthma, low spirits, sexual incapacity, feminine weakness, pricking of the skin, symptomatic of paralysis, rheumatism, neuralgia, tumor, cancer, diabetes, lassitude and debility, diarrhea, and all disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscular fibre, are unerringly cured by this preparation. It is to the MATERIES MORBI, or seeds of disease, what the alkali is to an acid; it neutralizes them with ABSOLUTE CERTAINTY, while, at the same time, it regulates the secretions, removes obstructions from the bowels, creates appetite, renews bodily vigor, and regenerates every animal function. Such is the nature, such are the effects of Dr. Roback's famous Scandinavian Blood Purifier, which, if taken in conjunction with his Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life beyond its ordinary span.

Read the following certificate of a cure of Rheumatism of seven years' standing, of a lady of 72 years, which confirms strong as proof of Holy Writ, the evidence which follows, and must forever banish all doubts respecting the virtue of Dr. Roback's Scandinavian Blood Purifier and Blood Pills.

CLERMONT CO., OHIO, Sept. 27th, 1856.

Dr. C. W. ROBACK—Dear Sir—I feel it my duty to acknowledge publicly the wonderful cure made in the case of my wife, who has been afflicted with the Rheumatism in one of her knees for seven or eight years. We tried all kinds of medicine, but to little or no effect. At last it struck all through her system, so that she could not rest day or night; her pain was so severe at times that she had hard work to breathe; at last became entirely helpless, so that we had to dress and feed her like a child. We had one of our best physicians, who thought it of no use to make a bill when there was no hope. It now was my earnest prayer that God in His wisdom would direct to some means that would restore her to health again. When it appeared, like an act of Providence, in answer to my prayer, that a man, passing by, handed me one of your medical almanacs; and, on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine that would cure my wife. So I sent by Mr. Thacker, our superintendent, the bearer of this, and got a bottle of Blood Purifier and one box of Pills; and, to our great joy, before she had taken it all, she was able to get up, and is now able to attend to her little affairs about the house, for which I feel thankful to God. She is now 72 years old, and has the bloom of health on her cheek, all the effects of your medicine. May God grant you long life and success. Yours truly, JEREMIAH ROWAN.

Make sure of the genuine article by purchasing one of respectable dealers and regular agents, or of Roback himself, No. 6 East Fourth street, Cincinnati, where he may be consulted, by letter as well as personally, in all complicated and difficult cases.

Price of the Scandinavian Blood Purifier $1 per bottle, or $6 per half dozen. Pills 25c. per box, or five boxes for $1.

Wholesale and retail depot, No. 6 East Fourth street, Cincinnati, Ohio, and for sale by dealers in medicine generally.

For sale in New Orleans, wholesale and retail, by J. WRIGHT & CO., 21 and 151 Chartres street. And by SCOVIL & MEAD, 111 Chartres street. mar18 eod ly

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,

PREPARED BY Dr. C. M. JACKSON, Philad'a, Pa., WILL EFFECTUALLY CURE LIVER COMPLAINT, DYSPEPSIA, *Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.*

Such as Constipation, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dots or webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and great Depression of Spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in its favor, given by the most prominent and well known Physicians and individuals in all parts of the country, is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

Principal office and manufactory No. 96 ARCH street, Philadelphia, Pa.

Testimony from Louisiana.

THE GERMAN BITTERS SUPERIOR TO ALL PREPARATIONS NOW IN USE.

JACKSON, LA., August 15, 1854.

DEAR SIR—I feel bound to express my gratification to you for the incalculable benefit I have derived from the use of two bottles of your German Bitters. I have found them to be all you recommend them to be, and cheerfully recommend them to the public as a safe and sure remedy for the diseases they are intended for, and superior to all other preparations now in use. Very respectfully yours, G. OPPENHEIMER.

THE BITTERS ALL THEY ARE REPRESENTED TO BE.

JACKSON, LA., August 20, 1854.

DEAR SIR—I have used your German Bitters and find them all they are represented to be, and cheerfully recommend them to the public as an excellent medicine. Respectfully yours, W. F. FAULKNER.

L. MAYER says:

HAMBURG, LA., May 23, 1853.

"Your German Bitters are a very valuable medicine. I have disposed of all I received from you, and wish new supply immediately."

Dr. RAYBOLD QUAIL says:

TRINITY LA., June 30, 1853.

"I have for the last year used the German Bitters prepared by you, in my practice extensively, ... with surety, and I believe that in this vicinity there is one that has ... and more of in ... the country."

Dr. BABB says:

FRANKLIN, LA., June 24, 1853.

"Your German Bitters have become very popular here, and I wish a fresh supply immediately."

A. E. ADAMS & CO. say:

RICHMOND, LA., June 2, 1853.

"Your Bitters give universal satisfaction to all who have used them."

You should bear in mind that these Bitters are ENTIRELY VEGETABLE, thereby possessing advantages over most of the preparations recommended for similar diseases.

MAGNETISM.

M'ME ALLUARD, FRENCH SOMNAMBULIST, No. 331, Bourbon Street, Between Ursulines and Hospital.

TREATMENT of all kinds of chronic diseases which ordinary remedies have failed to cure, and especially of desperate cases of nervous affections.

M'me Alluard, for many years under the direction of Dr. Fouquet, in France, may be consulted at her residence and calls on patients wherever her services are required.

The direct application of magnetism by Mr. Alluard, assisted by M'me Alluard, has been followed by numerous cures; the fact is unquestionable. Out of a thousand cases of nervous diseases, eight hundred at least are almost instantly cured by this extraordinary SOMNAMBULIST; sufferers should hasten therefore to avail themselves of M'me Alluard's services.

The New Orleans Press have often recorded the radical cure of several of seventeen years' standing. The "Louisiana Courier," the "Daily Crescent," the "Delta," "True Delta," "National" and "Bee," published in 1855 and 1856, letters from well-known and highly respectable persons, whose testimony cannot be doubted, tendering their heartfelt thanks to M'me Alluard, and fully acknowledging her wonderful success.

The same papers also spoke very highly of the surprising magnetic experiments by M'me Alluard, under the direction of her husband. See the *Courier* of December 17th, 1853, the *Bee* of November 27th, 1854, and the *Crescent* of May 29th, 1855.

It is to be regretted that all the cures effected by M'me Alluard cannot here be stated, but the nature of certain diseases renders this course necessary. The fact, however, is now acknowledged that patients can be permanently cured by M'me Alluard.

A Somnambulist offering such guaranties as these, and who has constantly been successful, is certainly entitled to the confidence of those whom ordinary remedies have failed to cure. These remedies are powerless in cases of nervous diseases, which are cured by magnetism, as are also in cases of epilepsy, hysteria, fever and ague, bilious and brain fevers, typhoid and malignant fevers, yellow fever, headaches, heartburn, cramp in the stomach, gastritis, gastralgy, palpitation of the heart, fainting, liver complaint, spleen, jaundice, colics, diarrhœa, costiveness, hemorrhoids, hemorrhage, spitting of blood, giddiness, falling of the womb, suppression of the menses, humors in the breast, consumption, pulmonary catarrhs, cutaneous diseases, tetters, itch, wounds, sores, rheumatism, deafness, ophthalmy, inflammation of the eyelids, dislocations, sprains, tapeworm and other worms, &c.

The above diseases are daily cured with the greatest ease by M'me Alluard, and the public is informed that she is the ONLY SOMNAMBULIST who can act, notwithstanding the complete exclusion of light.

Persons desirous of witnessing this phenomenon are invited to call at the residence of M'me A., and agree on the time for magnetic experiments. No one will be deceived.

Admittance, 50 cents.

M'me Alluard may be consulted daily. nov21 1yDaw

C. DUHAMEL,

OPTICIAN and MANUFACTURER, No. 50 CHARTRES street, a resident of this city for upwards of sixteen years, well known in this and the neighboring States for the quality of his spectacle glasses, Optical Instruments and others, an extensive assortment of which he has constantly on hand, hopes he has deserved, by a long experience in the line, the confidence of his customers and of the public. The testimony of almost all the distinguished families and most widely known persons in the country would be given in his favor, if called for, but he prefers staying merely the following facts:

Mr. C. DUHAMEL offers to persons in want of Spectacles, Rock Crystal, Periscopic Glasses, (Wollaston pebbles) the best that can be manufactured, at $4 a pair, without the frame. The quality of these Glasses, sold, by some, SCOTCH PEBBLES, BRAZILIAN PEBBLES, ARKANSAS PEBBLES, &c., does not vary according to the country whence they come, but according to the purity and exactness of the surfaces which they are drawn—to the regularity of the curve and the finish imparted to them by a skillful artist. In this respect, Duhamel's glasses are inferior to no other glasses.

The prices are invariably as follows:
A pair of rock crystal glasses, with frame
Gold frame, $12 to 22.
Steel frame, $5 to 8.
Silver frame, $6 to 10.
The glasses only, $4.
Fine ordinary spectacle glasses, $1 a pair.
Fine Periscopic glasses, concave and convex, $ ... a pair.

A pair of steel spectacles, with fine ordinary glasses, $1 50 to 3 50 a pair, according to the quality of the frame.

A pair of gold spectacles, with fine ordinary glasses, $7 to 18.

All fancy spectacle frames are offered on very moderate terms.

Mr. D. begs leave to remark that, in his opinion and in the opinion of many competent and experienced persons in the line, rock crystal glasses are superior to any other, especially to those of hardened glass. They are harder, and therefore remain smooth much longer, but are not better than others as far as the preservation of the sight is concerned.

Mr. D. is agent for Desbordes' Steam gaugers. Owners of steam workshops are invited to try them; they are perfect in every respect, and are offered on reasonable terms.

Also on hand, the following, and many other instruments:

Theodolites; Surveyors' Compasses; Levels; Pocket Compasses; Graphometers; Transits and other Mathematical Instruments; Telescopes; Barometers; Thermometers; Lactometers; Saccharometers; Hydrometers; Weights and Scales; Microscopes; Polyoramas; Dioramas; Stereoscopes; Views, &c., for Magic Lanterns; Pneumatic; Electric; and Electro-magnetic Instruments; Phantasmagorias, and a large assortment of double Opera Glasses. dec18

LEON PIERRE & CO.

CORKS—Vinegar, ... [illegible]

St. Louis Institute.

313 Dauphin street, between Ursulines and Hospital.

MRS. DERON tenders her thanks for the confidence reposed by parents in her institute, which she has found in the same prosperous condition, and she hereby renews the assurance of her zeal and devotion to the welfare of their children. Mrs. Deron has been enabled, by her residence in Paris, to study the new systems in the education of young ladies; she has visited the most renowned Academies, and intends to adopt for her establishment a plan based upon what she has seen.

Mrs. DERON wishes that modest and elegant manners be imparted to her pupils whilst receiving a solid instruction based upon morality and religion; in a word, a complete education, which will enable them one day to guide their own children. She hopes that her motives will be appreciated by intelligent mothers, who prefer profound studies to a brilliant success in a public exhibition. The award of premiums in the St. Louis Institute, following a serious examination, will then always be a family fete, but none but parents feeling an interest in the progress of the pupils will be admitted.

Music as well as general instruction, (which will not interfere with the latter,) will be carefully and constantly attended to. Mrs. Deron has engaged in France, for her establishment, the services of an Italian lady, who is an excellent professor and most talented singer. The course of solfeggio and singing cannot fail to be admirably conducted by Mrs. TACCANNI TASCA, whose splendid voice will always be assisted by her excellent method. Pupils in the city can be taught by Mrs. Tasca at the Institute.

Mrs. DERON having often been applied to for private lessons by young ladies who could not follow the regular classes, a French class, on the plan of Messrs. Remy and Levi, in Paris, will be opened on the 1st of January next, three times a week, in the establishment, and be divided into a primary and superior course. The pupils of the establishment will, of course, be the first admitted to the same, and will doubtless contribute to the progress of the newcomers by exciting a general emulation.

Mothers may attend the course, should they choose to do so. dec2

DAY AND BOARDING SCHOOL FOR YOUNG LADIES, UNDER THE DIRECTION OF MADAM CHARPAUX,

At the corner of Bayou and Claiborne streets.

THIS SEMINARY, whose existence dates some six years back, has met with a success that proves, beyond all cavil, the capacity of those who have charge of it.

Determined to merit the confidence of parents, Mad. Charpaux will spare no pains to make her seminary equal to the best institutions of the kind in New Orleans, and in order to do this, she has employed the ablest teachers.

Madam Charpaux has purchased a large and airy edifice on one of the most healthy spots in the city, and the better to consult the health of her pupils, she has had spacious and elevated apartments built on purpose for school and sleeping rooms, through which there will be a constant circulation of air from many windows.

Great attention will be paid to the improvement of scholars in the English language. For this purpose, American ladies of acknowledged capacity, as teachers, will constantly reside in the Seminary.

The English, French and Spanish languages, geography, arithmetic, and in short all the branches of a polite education, will be taught in the Seminary.

As religion should be the foundation of all sound education, it will be carefully attended to by Madam Charpaux, who will conduct to church and preliminary catechism all her young ladies who may have their first communion to make.

Music having become a most desirable branch of the education of young ladies, Mr. Charpaux, from the best musical school in Paris, and ex artist of the Orleans Theatre, will devote all his time to teaching music. All the Scholars, besides their regular lessons, will practice daily under the eyes of the professor. The study of the notes will precede the performances, when Mr. Charpaux will put the pupils through the exercise of the regular keys and notes, and this will be attended with no extra charge.

In order to kindle emulation among the pupils, and improve their singing, on the morning of the last Saturday in every month there will be a musical examination and a distribution of rewards.

Madam Charpaux, in order to complete the education of her scholars, has opened a class where will be taught all the useful and ornamental branches of needle-work.

During the summer the classes will open at 8 o'clock, and close at 3. Re-open at 4 and close at 6 o'clock, P. M. In winter, they will open at 8½, and close at 3. Re-open at 4½ and close at 6 o'clock, P. M.

Madam Charpaux respectfully invites young ladies' parents to give her a call. a17

DAY AND BOARDING SCHOOL. UNDER THE DIRECTION OF MADAME PARENT,

Corner of Rampart and Du Maine streets.

THIS institution occupies one of the best locations in the city, with respect to health and many other important advantages. The building is magnificent, the apartments are vast and well ventilated, and are particularly well adapted for classes.

There are four dormitories furnished with dressing cabinets; also spacious galleries all through the house; a splendid terrace commanding a most beautiful view of the city as far as the Lake.

Every advantage of this kind are offered to parents, as to the moral and intellectual cultivation of the minds of their daughters.

Madame Parent is always present with her pupils, she teaches during the hours of class, and superintends the different divisions. There is an ample number of the best professors employed, besides ladies residing in the institution.

Every branch of a solid and refined education is taught in both languages; all accomplishments, such as Drawing, Painting, Dancing, and Embroidery, &c. The Musical department is conducted by the most competent and acknowledged talents in the city.

As regards religion, she will satisfy parents respecting the special attention that is paid to the English, it being Madame Parent's native language. The best guarantee that she can give to the public is that the French young ladies who have been educated by her speak it as fluently as their mother tongue.

For terms, apply at the Institution, where prospectuses can be obtained.

YOUNG LADIES residing at a distance in the different Districts, will be conveyed gratis to and from the institution. o25

COMMERCIAL INSTITUTION CONDUCTED BY M. JEGOU, B. A. and M. A. DAY AND BOARDING-SCHOOL For both Sexes, *Burgundy street, No. 263, between Dumaine and St. Philip.*

BOYS' DEPARTMENT.

The plan of the above establishment comprises all the branches of a thorough and complete education. The classes are, however, conducted with a view to a commercial instruction and the academical and liberal system of commercial studies is therefore pursued, to which pupils are admitted according to their acquirements.

M. Jegou attends personally to Mathematics, as applied to professions and trades; and classes are formed according to the proficiency of pupils. The English, French and Spanish languages are taught by well known and competent Professors, but special attention is bestowed on Mathematics and the English language, on account of their importance.

GIRLS' DEPARTMENT.

A knowledge of music being now-a-days almost indispensable to young ladies, a class of solfeggio will open, between the regular hours and those for obligatory exercises, three times a week, in the establishment. That class does not interfere with the others.

The teachers are earnestly requested to use their utmost endeavors to impart to pupils those religious sentiments and polite manners, the characteristics of well-bred persons and the best guarantee for the future.

Corporal punishments are expressly prohibited in the establishment.

Reading, Penmanship, Catechism, History, Geography, English, French, Spanish, Mathematics, Commercial Studies, Music, Drawing and Needle-work. A lady residing in the establishment takes charge of the girls' classes.

Mr. Jegou tenders his thanks for the patronage of his friends and the friends of education.

EVENING CLASSES.

Reading, Penmanship, English, French, Spanish, Mathematics, Commercial Studies. oc11

Jefferson Academy.

53 BOURBON STREET, NEW ORLEANS.

CONDUCTED BY J. O. LORD.

THE plan of this Institution comprises a general and extensive system of education. Pupils are admitted at six or seven years of age, and can remain until their education is complete, or till they are prepared for their future pursuits in life.

They are distributed into classes according to their talents and advancements.

The premises are perhaps the best to be found in the city, with ample space for exercise and recreation, every necessary convenience is combined for an institution of learning on a large scale.

The Professors are gentlemen of talents, chosen with great care. Good order reigns in the establishment, and strict attention is paid to the moral conduct and improvement of the pupils.
